

DECLARATION OF ALPENVIEW ESTATES - PHASE ONE AND TWO

COVENANTS, CONDITIONS AND RESTRICTIONS

This DECLARATION is applicable to Alpenview Estates - Phase One and Two subdivision, Deschutes County, State of Oregon.

WHEREAS Su and Eurlott are the owners in fee simple of the above described real property, known as Alpenview Estates - Phase One and Two and

WHEREAS, The Declarants desire to declare of public record their intention to create certain protective covenants, conditions and restrictions in order to effectuate a general scheme of development creating benefits and obligations for the owners of the said property.

NOW, THEREFORE, Declarants hereby declare that all of the properties described above shall be held, sold and conveyed subject to the following easements, restrictions, covenants and conditions, which are for the purpose of protecting the value of desirability of, and which shall run with, the real property and be binding on all parties having any right, title of interest in the described properties or any part thereof, their heirs, successors and assigns, and shall insure to the benefit of each owner thereof.

ARTICLE I

RESIDENTIAL COVENANTS

(1) Land Use and Building Type

No lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one single family dwelling not to exceed thirty-five (35)\* feet in height with a private garage for not less than two cars. The foregoing provisions shall not exclude construction of a private greenhouse, gazebo, storage unit, private swimming pool or a shelter or storage of a boat, and/or camping trailer kept for personal use, provided the location of such structures is in conformity with the applicable municipal regulations, and is compatible in design and decoration with the residence constructed on such lot, and has been approved by the Architectural Review Committee, as designated by the Declarants.

- (a)\* The Architectural Review Committee may restrict the total dwelling height to the street, land and other homes and must specifically approve or disapprove.
- (b) No mobile homes, manufactured, pre-built, factory built, etc., homes. The foregoing provisions are not meant to exclude the use of trusses, pre-made cabinets, etc.

The provisions of this section shall not be deemed to prohibit the right of any home builder to construct on any lot, to store construction materials and equipment on said lots in the normal course of construction, and to use any single family residence as a sales office or model home for purposes of sale in Alpenview Estates.

(2) Dwelling Size

The floor area of a dwelling, exclusive of open porches and garages shall not be less than 1,300 square feet. In the case of a two story dwelling, the lower or ground floor living level shall not be less than 800 square feet. In the event of a multi-level or tri-level dwelling, the main living levels shall constitute a minimum of 700 square feet. A split entry or split foyer type home shall have a main floor area of not less than 800 square feet. The Architectural Review Committee, upon receiving written applications, may at its discretion waive any violation of this provision which the Committee finds to have been inadvertent.

(3) Business and Commercial Uses

No trade, craft, business, profession, commercial or similar activity of any kind shall be conducted on any lot, nor shall any goods, equipment, vehicles, materials, or supplies used in connection with any trade, service or business be kept or stored on any lot, excepting the right of any home builder and the Declarants to construct residences on any lot, to store construction equipment and materials on said lots in the normal course of said construction and to use any single family residence as a sales office or model home for purposes of sales in Alpenview Estates. This provision, however, shall not be construed so as to prevent or prohibit an owner from maintaining their professional personal library, keeping their personal business or

or professional records or accounts, handling their personal business or professional telephone calls, or conferring with business or professional associates, clients or customers in their homes. Nor shall this provision be construed so as to prohibit the rental or leasing of any dwelling unit.

(4) **Offensive Activities**

No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done or placed upon any lot which interferes with or jeopardizes enjoyment of other lots within Phase One and Two.

(5) **Animals**

No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except that of a reasonable number (not to exceed three) of dogs, cats, or other household pets may be kept provided that they are not kept, bred or maintained for commercial purposes and are reasonably controlled so as not to be a nuisance.

(6) **Signs**

No signs shall be erected or maintained on any lot (excluding Alpenview Estates addition entry signs) except that not more than one "For Sale" or "For Rent" sign placed by the Owner, the Declarant or by a licensed real estate agent, not exceeding twenty-four (24) inches high and thirty-six (36) inches long, may temporarily displayed on any lot. This restriction shall not prohibit the temporary placement of "political" signs on any lot by the Owner, or the placement of temporary promotional signs by the Declarants or their appointees.

(7) **Parking**

Parking of boats, trailers, motorcycles, trucks, truck-campers, motorhomes and like equipment shall not be allowed on any part of the property nor on public streets adjacent thereto excepting only within the confines of the enclosed garage, storage port, or behind a screening fence or shrubbery which shall in no event project beyond the front setbacks of the residence. No trucks larger than one ton shall be parked in Alpenview Estates except for the purpose of delivery, loading or unloading.

(8) **Vehicles in Disrepair**

No owner shall permit any vehicle which is in an extreme state of disrepair or to be abandoned or to remain parked upon any lot or on any street for a period in excess of forty-eight (48) hours. A vehicle shall be deemed to be in an "extreme state of disrepair" when due to its continued inoperability or significant damage, offends the occupants of the neighborhood.

(9) **Rubbish and Trash and Firewood**

No lot or open space, shall be used as a dumping ground for trash or rubbish of any kind. All garbage and other waste shall be kept in appropriate sanitary containers for proper disposal and out of public view. Yard rakings and dirt resulting from landscaping work shall not be dumped onto streets, open space, or on any lots. No storage of firewood or logs, temporary or otherwise, shall be permitted except in screened areas out of public view. The cutting of firewood with a chain saw shall not exceed four (4) hours per week and only between 10:00 am and 7:00 pm.

(10) **Temporary Structures**

No structures of a temporary character, trailer, basement, shack, garage, barn or other outbuildings shall be used on any lot at any time as a residence whether temporarily or permanently.

(11) **Utilities**

All plumbing facilities shall comply with the requirements of the Building Code of Deschutes County. All owners of lots within this subdivision, their heirs, successors, and assigns shall use underground service wires to connect their premises to the underground electric or telephone utility facilities provided.

(12) **Completion of Construction**

The construction of any building or any lot, including private lot drainage, painting and all exterior finish shall be completed within six (6) months from the beginning of construction so as to present a finished appearance when viewed from any angle. Within 30 days of occupancy, all owners shall install drapes or blinds in the windows of their house, that are visible from the street. Sheets and other temporary methods are not allowed. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time upon written approval from the Architectural Review Committee.

- (a) Before, during and after construction job sites must be kept clean and free of debris on a daily basis.  
All materials shall be kept stacked and organized.

## (13) Landscape

- (a) Landscape Completion: All front landscaping must be completed within 180 days after the date of final inspection. The front yards shall be completed with grass and planting beds. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable time, but only after written application is made to the Architectural Review Committee and the Committee's approval is obtained.
- (b) Trees: In order to remove or to do major alteration to any tree over two (2) feet tall on the property at the time these Covenants are recorded, applications must be made to the Architectural Review Committee and the Committee's approval obtained.

## (14) Site Alteration

There shall be no construction, grading or land filling on a lot without the approval of the Architectural Review Committee.

## (15) Fences and Hedges

The maximum height of a site obscuring fence on any lot shall be six (6) feet. The locations of any fences erected shall be along the rear lot line and/or along the side lot lines, but said fences shall not be placed forward of the front setback line for the residence. All fences shall be of wood or chain link with wood slats. Brick or masonry posts and fences shall be allowed. No fence, hedge or shrub that obstructs sight lines at elevations between two and six feet above the roadway shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines. No fence or wall shall be erected without prior written approval of the design and location by the Architectural Review Committee.

## (16) Antennas and Services Facilities

Exterior antennas, except for television antennas, shall not be placed upon the roof of any structure on any lots so as to be visible from the street or open space. Clotheslines, satellite dishes, air conditioners, heat pumps and other service facilities shall be screened so as not to be viewed from the street or open space.

## (17) Exterior Materials

Exterior materials must be approved for use by the Architectural Review Committee in accordance with the provisions of Article III herein. Front windows must be painted aluminum, bronzed anodized, wood or plastic vinyl. Any other architectural features subject to control will be approved or disapproved upon submissions of plans to the Architectural Review Committee.

- (a) Exterior siding must be either horizontal lap siding (for example: "L.P. or vinyl") or Cedar brick, stucco or other as may be approved by the Architectural Review Committee. 1-111 plywood or other pressed wood sheet siding shall not be permitted.
- (b) Roof must be a minimum twenty-five (25) year dimensional composition roof. No shake roofing is allowed. Tile and metal roofing is allowed.
- (c) Roof pitch shall be 5x12 minimum.

## (18) Exterior Finish

The exterior finish of all construction on any lot shall be designed, built, and maintained in such a manner as to blend in with the structures, and landscaping within Alpenview Estates Phase I and II. Exterior colors must be approved by the Architectural Review Committee in accordance with the provisions of Article III. Exterior trim, fences, doors, railings, decks, eaves, gutters, and the exterior finish of garages and other accessory buildings shall be designed, built and maintained to be compatible with the exterior of the structures they adjoin, inside of Alpenview Estates Phase I and II.

## ARTICLE II

## ARCHITECTURAL REVIEW COMMITTEE

## (1) Architectural Review

No structure, including storage shelters, shall be commenced, erected, placed, or altered on any lot until the construction plans and specifications and a plat showing the nature, shape, heights, materials, colors, and proposed location of the structure or change have been submitted in writing to the Architectural Review Committee. It is the intention and purpose of this Covenant to assure quality of workmanship and materials, harmony of external design with the existing structures as to location and topography, finished grade elevations, and to avoid plan repetition. In all cases, the Architectural Review Committee consent is required.

## (a) Major Construction

In the case of initial or substantial additional construction of a dwelling or landscaping, the owner shall prepare and submit to the Architectural Review Committee such plans and specifications for the proposed work as the Committee may require. Material required by the Committee may include but not necessarily be limited to the following:

(1a) A plot plan indicating location of all improvements, including private lot drainage.

(2a) Drawings showing elevations, exterior materials and exterior color scheme of all improvements.

NOTE: Total dwelling elevation relative to the street, land and other homes must be approved by the Architectural Review Committee.

The Architectural Review Committee shall render its decision with respect to the proposal within five (5) business days after it has received all materials required by it with respect thereto.

## (b) Minor Work

In the case of minor additions or remodeling, change of existing exterior color scheme or exterior materials, greenhouse, or swimming pool construction or any other work not referred to in (a) above, the owner shall submit to the Architectural Review Committee such plans and specifications for the proposed work as the Committee determines to be necessary to enable it to evaluate the proposal. The Architectural Review Committee shall render its decision with respect to the proposal within five (5) business days after it has received all material required by it with respect hereto.

## (2) Architectural Review Committee Decision

The Committee may, at its sole discretion, withhold consent to any proposed work if the Committee finds that the proposed work would be inappropriate for the particular lot or incompatible with the design standards that Declarants intend for Alpenview Estates - Phase One and Two. Considerations such as siting, shape, size, color, design, height, impairment of the view of other lots within Alpenview Estates - Phase One and Two or other effects upon the enjoyment of other lots or Open Space, disturbance of existing terrain or any other factors which the Committee reasonably believes to be relevant, may be taken into account by the committee in determining whether or not to consent to any proposed work.

The Committee's decision shall be determined by a vote of the members with only a majority needed to render a decision. In the event the Committee fails to render its approval or disapproval within thirty (30) business days after plans and specifications have been submitted to it, or in any event, if not suited to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related Covenants shall be deemed to have been fully complied with.

## (3) Membership - Appointment and Removal

The Architectural Review Committee, hereinafter referred to as the Committee, shall consist of as many persons, but not less than three (3), as the Declarants shall from time to time appoint. The Declarants shall keep on file at their principal office, a list of the names and addresses of the members of the Committee. A member of the Committee shall not be entitled

to any compensation for services performed pursuant to the Covenants. The powers and duties of such Committee shall cease one (1) year after the construction of all the single family dwellings and the sale of said dwellings to the initial owner/occupant on all of the building sites within Alpenview Estates - Phase One and Two. This shall not be construed to be a waiver of the quality standards of the development required by Alpenview Estates - Phase One and Two.

(4) Liability

Neither the Architectural Review Committee nor any member thereof shall be liable to the owner, occupant, builder, or developer for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the Committee or a member thereof, provided that the member has in accordance with actual knowledge possessed by him, acted in good faith.

(5) Non-Waiver

Consent by the Architectural Review Committee to any matter proposed to it and within its jurisdiction under these Covenants shall not be deemed to constitute a precedent or waiver impairing its rights to withhold approval as to any similar matter thereafter proposed or submitted for consent.

(6) Effective Period of Consent

The Committee's consent to any proposed work shall automatically be revoked one year after issuance unless construction of the work has been commenced or the owner has applied for and received an extension of time from the Committee.

### ARTICLE III

#### PRIVATE UTILITY EASEMENTS DEPICTED ON PLAT

(1) Easements

A ten (10) foot right of way easement over and across the east side of lots 22, 23 and 24 exists.

(2) Duration and Nature of Easement

These easements shall continue in perpetuity. They are intended to, and do attach to and run with the land affected herein. This provision is binding on the undersigned landowner, Su and Furlott, and all persons claiming under it. It is the intent of Su and Furlott to create a continuing obligation and right on the part of itself and subsequent owners of the subject land.

(3) Liability and Restoration

The owners of an easement shall require all workmen and contractors undertaking maintenance work hereunder to maintain standard liability insurance in a reasonable amount from a reputable insurance company protecting each other. Each of the owners of an easement agrees to release and indemnify the owners of the burdened lot against all liability for injury to himself or damage to his property when such injury or damage shall result from any maintenance undertaken pursuant to this agreement. It shall be the responsibility of the easement owner to restore the easement area to a condition equal to that which existed prior to any work performed in the easement.

GENERAL PROVISIONS

(1) Term and Amendment

These covenants and restrictions shall run with and bind all the property within Alpenview Estates - Phase One and Two for a term of twenty (20) years from the date this declaration is recorded, after which time they shall automatically be extended for successive periods of ten (10) years. This Declaration, or parts thereof, can be terminated, revoked or amended only by duly recording an instrument which contains the amendment of the order of revocation or termination and which is signed by the owners of seventy-five (75%) percent of the platted lots. Except that the Declarants shall retain the authority to make amendments until it has transferred no less than seventy-five (75%) percent of the lots.

(2) Enforcement

In the event of any violation of any of the provisions of this Declaration, the Declarants or any other person or persons owning real property within the plat may, at their option, exercise their right to enforce these Covenants by prosecuting any proceeding at law or in equity necessary to prevent the violation or to recover damages sustained by reason of such violation. Failure by any party to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any action successfully prosecuted to abate or recover damages for a violation of the provisions of the Declaration, the prevailing party shall be entitled to recover all costs, including reasonable attorney fees, which shall be in no event less than \$500.00 incurred in such enforcement.

(3) Severability

Invalidation of any one of these Covenants by judgement or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

(4) Limitation of Liability of Declarants

The Declarant shall not be liable to any owner on account of any action or failure to act by Declarant in performing its duties or rights hereunder, provided that the Declarant has, in accordance with actual knowledge possessed acted in good faith.

(5) Disclaimer Statement

In the event there is a conflict between a County regulation and these covenants, any questions regarding these deed restrictions shall be directed to the Architectural Review Committee. Approval by the Architectural Committee shall not be construed to mean that any construction may begin without proper permits from the governing body having jurisdiction of subject property.

(6) Notice

Any notice, demand, or report required under this agreement shall be sent to each owner in care of the street address of his parcel, or in the event the owner does not reside on the said property, in care of the current property tax notification address of the property; provided, however, that the owner can change his notification address hereunder by written notice to each other owner. Any required notice or demand shall be made by hand delivery or certified mail, and shall be deemed received on actual receipt or 48 hours after being so mailed, whichever first occurs.

IN WITNESS WHEREOF, the undersigned, being the Declarant has hereunto set his hand this 18th day of April, 1995.
