Interested Owners shall have an opportunity to comment on the request at all such meetings, which shall be open to all Owners. If the ACC or Village Committee fails to render a written decision within the time allowed, the

request shall be deemed to be approved.

Upon the payment of a reasonable fee established by the ACC to cover administrative costs, any interest Owner may appeal the decision to the Association Board of Directors. Such lien shall exist and be executed, recorded and foreclosed in the manner provided by law.

7.3 General Assessment: Shall include those assessments relating to the community of Mountain High as a whole.

7.4 Village Assessment: Shall be in addition to the General Assessment and relate to the operation and maintenance of those Unique Village Characteristics within that Village as requested by the Village Committee of that plat or Village.

- 7.5.1 To correct a deficit in the operating budget by vote of a majority of the Board;
- 7.5.2 To collect amounts due to the Association from an Owner for breach of the Owner's obligations under the Governing Documents, by vote of a majority of the Board;

7.6 Commencement of Assessments: The assessments provided for herein shall commence on the first day of the month following the conveyance of the Common Property to the Association by the Developer-Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount and payment dates for each annual assessment prior to the commencement of the assessment period.

7.7 Maximum General Assessment: An annual increase of up to five percent (5%) of the previous years assessment may be made by the Board of Directors. 7.8 Effect of Non-Payment of Assessments: Remedies of the Association. In addition to any other remedies provided by law, the Association may bring an action at law against the Owner personally obligated to pay the same or foreclose a lien upon the Property. No such action or a judgment entered therein shall be a waiver of the lien of the Association. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Property or abandonment of his or her Lot.

ARTICLE 8. DEVELOPER'S RIGHTS

8.1 For such a time that the Developer or his assigns has an interest in the Property or in adjacent property intended to become part of the community of Mountain High, their rights and interests shall not be prejudiced by any of the following actions unless they shall, in writing, join in such actions.

8.2 There shall be no amendments to the Founding Documents which:

ARTICLE 9. GENERAL

9.1 Records. The Board of Directors shall preserve and maintain minutes of the meetings of the Association, the Board and any committees. The Board of Directors shall also keep detailed and accurate financial records including individual assessment accounts of owners, the balance sheet and income and expense statements. Individual assessment account shall designate the name and address of the Owner or Owners of the Lot, the amount of each assessment becomes due, the amounts paid upon the account, and the balance due on the assessments. The minutes of the Association, the Board and committees, and the Association's financial records shall be reasonably available for review and copying by the Owners. A reasonable charge may be imposed by the Association for providing copies.

9.2 Indemnification of Directors, Officers, Employees and Agents. The Association shall indemnify any Director, officer, employee or agent who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by the Association) by reason of the fact that he or she is or was a Director, officer, employee or agent of the Association or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney fees), judgments, finds and amounts paid in settlement actually and reasonably incurred by said person in connection with such suit, action or proceeding if he or she acted in good faith in a manner he or she reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or with a plea of no contest or its equivalent, shall not of itself create a presumption that a person did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had reasonable cause to believe his or her conduct was unlawful. Payment under this clause may be made during the pendency of such claim, action, suit or proceeding as and when incurred, subject only to the right of the Association, should it be proven at a later time that said person had no right to such payments. All persons who are ultimately held liable for their actions on behalf of the Association as a Director, officer, employee or agent shall have a right of contribution over and against all other Directors, officers, employees or agents and Members of the Association who participated with or benefited from the acts which created said liability.

9.3 Enforcement. The Association and the Owners within the Property or any mortgagee on any Lot shall have the right to enforce all of the covenants, conditions, restrictions, reservations, easements, liens and charges now or hereinafter imposed by any of the provisions of this Declaration as may appertain specifically to such parties or Owners by any proceeding at law or in equity. Failure by either the Association or by any Owner or mortgagee to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of their right to do so thereafter. In the event suit or action is commenced to enforce the terms and provisions of this Declaration, the prevailing party shall be entitled to its attorney fees and costs in such suit or action to be fixed by the trial court, and in the event of an appeal, the cost of the appeal, together with reasonable attorney fees, to be set by the appellate court. In addition thereto, the Association shall be entitled to its reasonable attorney fees incurred in any enforcement activity taken to collect delinquent assessments, whether or not suit or action is filed.

9.4 Severability. Invalidation of any one of these covenants or restrictions by Judgment or court order shall not affect the other provisions hereof and the same shall remain in full force and effect.

9.5 Duration. The covenants, conditions and restrictions of this Declaration shall run with and bind the land perpetually.

9.6 Amendment. The CCRs and this Declaration may be amended at any time by an instrument approved by not less than seventy-five (75) per cent of the total votes of the Owners eligible to vote, except as provided by ORS 94.590. Any amendment must be executed, recorded, and certified as provided by law. Provided however, that no amendment of this Declaration shall effect an Amendment of the Bylaws of the corporation without compliance with the provisions of such documents with the Oregon Non Profit Corporations Act.

9.7 Interpretation. This interpretation of this Declaration shall be the responsibility of the Association. It is the intent that the Association, acting through the Board of Directors, shall have the sole power to interpret these CCRs.

IN WITNESS WHEREOF the parties hereto have signed this Amendment to the Declaration on behalf of the members of those Village Associations of Mountain High which have approved adoption of these Amended Covenants, Conditions, and Restrictions.
