All other Lots shall pay an equal pro rata share of the Assessments, Special Assessments and Emergency Assessments commencing upon the date such Lots are made subject to this Declaration.

8.4 Assessments. The Board of Directors of the Association shall from time to time and at least annually prepare an operating budget for the Association, taking into account the current costs of maintenance and services and future needs of the association, any previous over assessment and any common profits of the Association. The budget shall provide for such reserve or contingency funds as the board deems necessary or as may be required by law. Monthly Assessments for such operating expenses and reserves ("Assessments") shall then be apportioned among the Lots as provided in Section 8.3, above. The method of adoption of the budget and the manner of billing and collection of Assessments shall be as provided in the Bylaws.

8.5 Special Assessments. In addition to the Assessments authorized above, the Board of Directors may levy during any fiscal year a Special Assessment ("Special Assessment"), applicable to that year only, for the purpose of deferring all or any part of the cost of any construction

or reconstruction, unexpected repair, or acquisition or replacement of a described capital improvement, or for any other one-time expenditure not to be paid for out of Annual or Monthly Assessments. Special Assessments which in the aggregate in any fiscal year exceed an amount equal to fifteen percent (15%) of the budgeted gross expenses of the association for the fiscal year may be levied only if approved by a majority of the voting rights voting on such matter. Special Assessments shall be apportioned as provided in Section 8.3, above, and may be payable in lump sum or in installments, with or without interest or discount, as determined by the board of Directors.

8.6 Taxes for Common Area. Each Lot shall pay its pro rata share of the real property taxes for the Common Area. The method of adoption of the budget and the manner of billing and collection of taxes shall be as provided in the Bylaws.

8.7 Emergency Assessments. If the Assessments levied at any time are, or will become, inadequate to meet all expenses incurred under this Declaration for any reason, including nonpayment of any owner's assessments on a current basis, the Board of Directors of the Association shall immediately determine the approximate amount of such inadequacy and issue a supplemental budget noted as to the reason therefor, and levy an Emergency Assessment for the amount required to meet all such expenses on a current basis ("Emergency Assessment"). Any Emergency Assessment which in the aggregate in any fiscal year would exceed an amount equal to five percent (5%) of the budgeted gross expenses of the Association for the fiscal year may be levied only if approved by not less than a majority of the voting rights voting on such matter. Emergency Assessments shall be apportioned as set forth in Section 8.3, above, and payable as determined by the Board of Directors.

8.8 Individual Assessments. Any common expense or any part of a common expense benefitting fewer than all of the Lots may be assessed exclusively against the Lots benefitted ("Individual Assessment"). Individual Assessments include without limitation charges for services provided under Section 6.5(i). Individual Assessments shall also include default assessments levied against any Lot to reimburse the Association for costs incurred in bringing such Lot or its Owner into compliance with the provisions of this Declaration or the Rules and Regulations of the Association and for fines or other charges imposed pursuant to this Declaration for violation thereof. Unless otherwise provided by the Board of Directors, Individual Assessments shall be due thirty (30) days after the Board of Directors has given written notice thereof to the Owners subject to the Individual Assessments.

8.9 Annexation of Additional Property. When Additional Properties are annexed to the Property, the Lots included therein shall become subject to assessments from the date of such annexation. Lots owned by Declarant shall not be subject to assessments until the Unit located on such Lot is occupied for residential use. All other Lots shall pay such assessments in the amount then being paid by other Lots. The Board of Directors of the Association, however, at its option,

may elect to recompute the budget based upon the additional Lots subject to assessment and additional Common Areas and recompute Assessments for all Lots, including the new Lots, for the balance of the fiscal year.

8.10 Operations Fund. The Association shall keep all funds received by it as Assessments, other than reserves described in Section 8.10, separate and apart from its other funds, in an account to be known as the "Operations Fund." The Association shall use such funds exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents within the Property and, in particular, for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas and of the Lots situated upon the Property, including but not limited to:

- (a) Payment of the cost of maintenance, utilities and services as described in Article 7.
- (b) Payment of the cost of insurance as described in the Bylaws of the Association.
- (c) Payment of taxes assessed against the Common Areas and any improvements thereon.
- (d) Payment of the cost of water service, sewer service and garbage and trash disposal for the Common Areas or which are commonly billed.
- (e) Payment of the cost of other services which the Association deems to be of general benefit to the Owners, including but not limited to accounting, legal and secretarial services.
- (f) In the event any condemnation of a portion of the Common Areas should result in a surplus in the Operations Fund not needed for payment of the other items described in this section, such surplus shall be divided by the number of units within the Property and such amounts paid equally to the holder of any first mortgage or deed of trust on each Lot, or if none, to the Owner of the Lot.

8.11 Reserve Fund. The Declarant shall establish a reserve fund for replacement of those items to be maintained by the Association, all or a part of which will normally require replacement for more than three (3) and less than thirty (30) years ("Reserve Fund"). Such Reserve Fund shall be funded by that portion of Assessments representing the budgeted reserves. The amount assessed shall take into account the estimated remaining life of the items for which the reserve is created and the current replacement cost of such items. The Reserve Fund shall be established in the name of the Association and shall be adjusted at regular intervals to recognize changes in current replacement

costs over time. The Reserve Fund shall be used only for replacement of common property as determined by the Board of Directors and shall be kept separate from the Operations Fund. After the turnover meeting described in Section 6.7, however, the Board of Directors may borrow funds from the Reserve Fund to meet high seasonal demands on the regular operating funds or to meet other temporary expenses which will later be paid from Assessments, Special Assessments, or Emergency Assessments. Nothing in this section shall prohibit prudent investment of the reserve account. Following the second year after the turnover meeting, future Assessments for the Reserve Fund may be reduced, eliminated or decreased by an affirmative vote of not less than seventy-five percent (75%) of the voting power of the Association. Assessments paid in the Reserve Fund are the property of the Association and are not refundable to sellers or Owners of Lots. Sellers of the Lots, however, may treat their outstanding share of the Reserve Fund as a separate item in any sales agreement.

8.12 Creation of Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it within the Property, does hereby covenant, and each Owner of any Lot by acceptance of a conveyance thereof, whether or not so expressed in any such conveyance, shall be deemed to covenant to pay to the Association all assessments or other charges as may be fixed, established, and collected from time to time in the manner provided in this Declaration or the Association Bylaws. Such assessments and charges, together with any interest, expenses or attorneys' fees imposed pursuant to Section 9.6, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment or charge is made. Such Assessments, charges and other costs shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment or charge fell due. Such liens and personal obligation shall be enforced in the manner set forth in Article 9, below.

ARTICLE 9. ENFORCEMENT

9.1 Use of Common Areas. In the event any Owner shall violate any provision of this Declaration, the Bylaws of the Association, or other rules adopted by the Association governing the use of Common Areas then the Association, acting through its Board of Directors, shall notify the Owner in writing that the violations or nuisances exist, and that he is responsible for them and may, after reasonable notice and opportunity to be heard, do any or all of the following: (a) suspend his voting rights for the period of that the violations or nuisances remain unabated, or for any period not to exceed sixty (60) days for any infraction of its rules and regulations, (b) impose reasonable fines upon the Owner, in the manner and amount the Board deems appropriate in relation to the violation, which fines shall be paid into the Operations Fund, or (c) bring suit or action against such Owner to enforce this Declaration. Nothing in this section, however, shall give the Association the right to deprive any Owner of access to and from his Unit.

9.2 Violation of General Protective Covenants. In the event any Owner constructs or permits to be constructed on his Lot or Unit an improvement contrary to the provisions of this Declaration, or causes or permits any improvement, activity, condition or nuisance contrary to the provisions of this Declaration to remain uncorrected or unabated on his Lot or Unit, then the Association acting through its Board of Directors shall notify the Owner in writing of any such specific violations of this Declaration and shall require the Owner to remedy or abate the same in order to bring his Lot and Unit, the improvements thereon and his use thereof, into conformance with this Declaration. If the Owner is unable, unwilling or refuses to comply with the Association's specific directive for remedy or abatement, or the Owner and the Association cannot agree to a mutually acceptable solution within the framework and intent of this Declaration, after notice and opportunity to be heard and within sixty (60) days of written notice to the Owner, then the association acting through its Board of Directors shall have the right to do any or all of the following:

- (a) Impose reasonable fines against such Owner in the manner and amount the Board deems appropriate in relation to the violation;
- (b) Enter the offending Lot and remove the cause of such violation, or alter, repair or change the item which is in violation of this Declaration in such a manner as to make it conform thereto, in which case the Association may assess such Owner for the entire cost of the work done, which amount shall be payable to the Operations Fund, provided that no items of construction shall be altered or demolished in the absence of judicial proceedings; or
- (c) Bring suit or action against the Owner on behalf of the Association and other Owners to enforce this Declaration.

9.3 Default in Payment of Assessments: Enforcement of Lien. If an assessment or other charge levied under this Declaration is not paid within thirty (30) days of its due date, such assessment or charge shall become delinquent and shall bear interest from the due date of the rate set forth below. In such event, the Association may exercise any or all of the following remedies:

- (a) The Association may suspend such Owner's voting rights until such amounts plus other charges under this Declaration are paid in full and may declare all remaining periodic installments of any annual assessment immediately due and payable. In no event, however, shall the Association deprive any Owner of access to and from his Lot.
- (b) The Association shall have a lien against each Lot any assessment levied against the Lot and any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot from the date on which the assessment, fine or charge is due. The provisions regarding the attachment, notice, recordation

and duration of liens established on real property under ORS 94.704 to 94.716, as the same may be amended, shall apply to the Association's lien. The lien shall be foreclosed in accordance with the provisions regarding the foreclosure of liens under ORS Chapter 88. The Association, through its duly authorized agents, may bid on the Lot at such foreclosure sale, and may acquire and hold, lease, mortgage and convey the Lot.

(c) The Association may bring an action to recover a money judgment for unpaid assessments, fines and charges under this Declaration without foreclosing or waiving the lien described in paragraph (b) above. Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof, for which recovery is made.

(d) The Association shall have any other remedy available to it by law or in equity.

9.4 Notification of First Mortgagee. The Board of Directors shall notify any first mortgagee of any individual Lot of any default in performance of this Declaration by the Lot Owner which is not cured within sixty (60) days.

9.5 Subordination of Lien to Mortgage. The lien or the assessments or charges provided for in this Declaration shall be subordinate to the lien of any mortgage or deed of trust on such Lot which was made in good faith and for value and which was recorded prior to the recordation of the notice of lien. Sale or transfer of any Lot shall not affect the assessment lien, but the sale or transfer of any Lot which is subject to any mortgage or deed of trust pursuant to a decree of foreclosure thereunder or any deed or proceeding, deed or assignment in lieu of foreclosure shall extinguish any lien of an assessment notice of which was recorded after the recording of the mortgage or trust deed. Such sale or transfer, however, shall not release the Lot from liability for any assessments or charges thereafter becoming due or from the lien of such assessments or charges.

9.6 Interest, Expenses and Attorney's Fees. Any amount not paid to the Association when due in accordance with this Declaration shall bear interest from the due date until paid at a rate of one-and-one-half percent (1-1/2%) per month (18% per annum), or such other rate as may be established by the Board of Directors, but not to exceed the lawful rate of interest under the laws of the State of Oregon. A late charge may be charged for each delinquent assessment in an amount established from time to time by resolution of the Board of Directors of the Association not to exceed thirty percent (30%) of such assessment. In the event the Association shall file a notice of lien, the lien amount shall also include the recording fees associated with filing the notice and a fee for preparing the notice of lien established from time to time by resolution of the Board of Directors of the Association. In the event the Association shall bring any suit or action to enforce this Declaration, or to collect any money due hereunder or to foreclose a lien, the Owner-defendant shall

pay to the Association all cost and expenses incurred by it in connection with such suit or action, including a foreclosure title report, and the prevailing party in such suit or action shall recover such amount as the court may determine to be reasonable attorney's fees at trial and upon any appeal or petition for review thereof.

9.7 Nonexclusiveness and Accumulation of Remedies. An election by the Association to pursue any remedy provided for violation of this Declaration shall not prevent concurrent or subsequent exercise of another remedy permitted hereunder. The remedies provided in this Declaration are not exclusive but shall be in addition to all other remedies, including actions for damages and suits for injunctions and specific performance, available under applicable law to the Association. In addition, any aggrieved Owner may bring an action against another Owner or the Association to recover damages or to enjoin, abate or remedy any violation of this Declaration by appropriate legal proceedings.

ARTICLE 10. MORTGAGEES

10.1 Reimbursement of First Mortgagees. First mortgagees of Units may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Areas or any Unit. First mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

10.2 Right of First Mortgagees Relating to Maintenance. At any time that the Common Areas are not maintained or repaired by the association pursuant to Article 7 to the extent reasonably necessary to protect and preserve the value of the Property for security purposes, then the record mortgagee, upon giving written notice as hereinafter provided, shall be entitled to exercise the rights of the Owner of the Unit as a member of the Association to vote at all regular and special meetings of the members of the Association for a period of one (1) year following the date of such notice. During this one (1) year period, the association shall give notice of all regular and special meetings to both the Owner and the mortgagee, and the Owner may attend such meetings as an observer. Notice from the mortgagee under this section shall quote this Section 10.2, and shall be sent postage prepaid by certified United States mail, return receipt requested, to the Owner with a copy by regular mail to the Association at the last known address of each.

ARTICLE 11. MISCELLANEOUS PROVISIONS

11.1 Amendment and Repeal. This Declaration, or any provision thereof, as from time to time in effect with respect to all or any part of the Property, may be amended or repealed by the

2001-30432-23

vote or written consent of Owners owning not less than seventy-five percent (75%) of the Lots in the Property, if such membership has not been terminated as provided herein. Any such amendment or repeal shall become effective only upon recordation in the Deed Records of Deschutes County, Oregon, of a certificate of the president or secretary of the Association setting forth in full the amendment, amendments or repeal so approved and certifying that said amendment, amendments or repeal have been approved in the manner required by this Declaration. In no event shall an amendment under this section create, limit or diminish special Declarant rights, increase the number of Lots or Units or change the boundaries of any Lot or any uses to which any Lot or Unit is restricted unless the Owners of the affected Lots unanimously consent to the amendment. Such amendment or repeal shall not have the effect of denying any Owner access to his Lot unless such Owner and any mortgagee of such Lot have consented thereto. Any provisions must meet applicable planning and zoning requirements and ORS Chapter 92 requirements.

11.2 Regulatory Amendments. Notwithstanding the provisions of Section 11.1, above, Declarant shall have the right to amend this Declaration or the Bylaws of the Association in order to comply with the requirements of the Federal Housing Administration, the U.S. Department of Housing and Urban Development, the Veterans Administration, the Farmers Home Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon, or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon which insures, guarantees or provides financing for a planned community or lots in a planned community.

11.3 Duration. This Declaration shall run with the land and shall be and remain in full force and effect at all times with respect to all property included within the Property and the Owners thereof for an initial period of thirty (30) years commencing with the date on which this document is recorded. Thereafter, this Declaration shall continue to run with the land and be and remain in full force and effect at all times with respect to all property within the Property and the Owners thereof for successive additional periods of ten (10) years each. The continuation from the initial or any additional period into the next subsequent period shall be automatic and without the necessity of any notice, consent or other action whatsoever; provided, however, that this Declaration may be terminated at the end of the initial or any additional period by resolution approved not less than six (6) months prior to the intended termination date by the vote or written consent of Owners owning not less than seventy-five percent (75%) of the Lots within the Property. Any such termination shall become effective only if a certificate of the President or Secretary of the Association, certifying that termination as of a specified termination date has been approved in the manner required herein, is duly acknowledged and recorded in the Deed Records of Deschutes County, Oregon, not less than six (6) months prior to the intended termination date. Such termination shall not have the effect of denying any Owner access to his Lot unless such Owner and any mortgagee of such Lot have consent to such termination.

11.4 Joint Owners. In any case in which two or more persons share the ownership of any Lot, regardless of the form of ownership, the responsibility of such persons to comply with this Declaration shall be a joint and several responsibility, and the act or consent of any one or more of such persons shall constitute the act or consent of the entire ownership interest; provided, however, that in the event such persons disagree among themselves as to the manner in which any vote or right of consent held by them shall be exercised with respect to a pending matter, any such person may deliver written notice of such disagreement to the Association, and the vote or right of consent involved shall then be disregarded completely in determining the proportion of votes or consents given with respect to such matter.

11.5 Lessees and Other Invitees. Lessees, invitees, contractors, family members and other persons entering the Property under rights derived from an Owner shall comply with all of the provisions of this Declaration restricting or regulating the Owner's use, improvement or enjoyment of his unit and other areas within the Property. The Owner shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the Owner himself. All leases must be on not less than a month-to-month tenancy basis.

11.6 Enforcement. The Association, or any Owner or the owner of any recorded mortgage on any part of said Property shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

11.7 Construction; Severability; Number; Caption. This Declaration shall be liberally construed as an entire document to accomplish the purposes thereof as stated in the introductory paragraphs hereof. Nevertheless, each provision of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provision.

As used herein, the singular shall include the plural and the plural the singular, and the masculine, feminine and neuter shall each include the masculine, feminine and neuter, as the context requires. All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Declaration.

11.8 Notices and Other Documents. Any notice of other document permitted or required by this Declaration may be delivered either personally or by mail. Delivery by mail shall be deemed made twenty-four (24) hours after having been deposited in the United States mail, with postage prepaid, addressed as follows:
