Such plans and drawings shall be accompanied with a check payable to Declarant in an amount to be determined by Declarant from time to time. No plans shall be reviewed until the architectural review fee is paid in full and all items specified in this Section are submitted. Within 30 days following receipt of such plans and drawings and the full amount of the architectural review fee, Declarant shall review the plans and shall inform the owner in writing whether the plans conform to the development concept for Cascade Peaks. In the event the owner is not notified as to the conformity of the plans within the 30-day review period, the plans are conclusively presumed to be approved as submitted. In the event any of the plans do not conform to the Cascade Peaks development concept, the owner shall resubmit those non-conforming portions of the plans for review in accordance with the procedures outlined in Paragraph 3.3 above, and this paragraph. No work may be performed relating to any improvement unless and until all aspects of all plans required under Paragraph 3.3 above have been approved by Declarant. Any site plans, construction plans or similar plans and drawings submitted to the City of Bend in connection with the construction of any improvement in Cascade Peaks must bear the prior written approval of Declarant.

3.5 Architectural Guidelines. The development concept for Cascade Peaks shall be determined by Declarant in accordance with applicable statutes, ordinances, regulations, zoning and other governmental land use controls. Architectural guidelines setting forth various aspects of the development concept, in addition to this Declaration, may be published from time to time by Declarant, but Declarant shall not be required to do so. Declarant shall have the right to alter, rescind or amend any published guidelines without prior notice to any party; provided, however, that once approval has been given pursuant to Paragraph 3.4 above, work may proceed in accordance with the approved plans and drawings notwithstanding any changes in the development concept. All such guidelines shall be in general conformity with this Declaration.

3.6 Inspection. All work related to any building, structure or improvement or any landscaping, vegetation, ground cover or other improvements within Cascade Peaks shall be performed in strict conformity with the plans and drawings approved under Paragraph 3.4 above. Declarant shall have the right to inspect any such work to determine its conformity with the approved plans and drawings and reserves the right to order a stop to all work, if, in good faith, Declarant believes that any such work is non-conforming. In the event that it is determined in good faith by Declarant that certain work is non-conforming, a stop work notice may be issued, without necessity of court order, which shall require the owner to correct all non-conforming work specified in the notice before the remainder of the proposed work may be completed. Continued work without correction of any such non-conforming items shall be deemed a breach of this Declaration. The Declarant or officer, director, employee, agent or servant of Declarant shall not be responsible for any damages, loss, delay, cost or legal expense occasioned through a stop work notice given in good faith even if it is ultimately determined that such work was in conformity with the approved plans and drawings.

3.7 Waiver. Any condition or provision of Paragraphs 3.2 through 3.6 above, may be waived by Declarant in its exclusive discretion. Any waiver shall be in general conformity with the

development concept and development standard for Cascade Peaks. Any such waiver shall not be deemed a general waiver of any aspect of the development concept or the required procedure and approvals specified under Paragraphs 3.2 through 3.6. The granting of a waiver as to one owner shall not automatically entitle any other owner to the waiver of the same or similar conditions or provisions. No waiver shall be valid unless it is in writing, signed by an authorized representative of Declarant and delivered by certified mail to the party claiming the benefit of such waiver.

Section 4. RESTRICTIONS ON USE OF PROPERTY.

4.12 **Utilities.** No above-ground utilities, pipes, or wires shall be used to connect improvements with supplying facilities.

4.13 **View.** The height of vegetation and trees on a lot shall not materially restrict the view of other lot owners. The Declarant shall be the sole judge of the suitability of such heights. If the Declarant determines there is such restriction in the view of the other lot owners, written notice shall be delivered to the offending lot owner. If after 30 days the improvement, vegetation or trees are not removed or reduced in height as directed by the Declarant, the Declarant shall enter the offending lot, complete the removal or reduction, charging the owner of the lot the reasonable costs for the work done. This section is not to be read as justification to create views not present when the lot was originally purchased. Each lot owner does acknowledge that every lot owner has the right to build a home not exceeding 30 feet in height and that their views may be affected in the future.

4.14 **Parking.** A minimum of two enclosed garage parking places and one exterior open guest parking spaces must be provided for each lot in Cascade Peaks. Section 5. DETERMINATION OF DECLARANT'S ROLE

5.1 **Declarant's Control.** At such time as the Declarant shall no longer desire to exercise the architectural, landscaping, signing and lighting controls over any lots within Cascade Peaks, Declarant shall cause to be recorded in the Official Records of Deschutes County, Oregon, a declaration stating that Declarant no longer desires to exercise any further controls over development in Cascade Peaks. Recordation of such a declaration shall formally terminate Declarant's interest and all rights of architectural landscaping, signing and lighting controls, as well as any other duties of Declarant under this Declaration.

5.2 Formation of CPARC

(a) Upon formal termination of Declarant's control, Declarant shall form an Oregon nonprofit organization called the Cascade Peaks Architectural Review Committee (CPARC). (c) The total number of votes entitled to be cast for each director's position shall be based upon the total number of lots within Cascade Peaks. Each lot owner shall have the right to cast one vote for each lot owned. The initial board of directors shall meet ten (10) days after their election and may, at that time, adopt any governing documents, including bylaws, guidelines, procedures, rules and regulations, relating to the architectural, landscaping, signing and lighting controls within Cascade Peaks.

5.3 **Failure to Organize.** In the event Declarant is unsuccessful in organizing the board of directors of CPARC within the 30-day organizational period specified above, Declarant shall have no further responsibilities relating to CPARC and the CPARC board of directors shall be organized exclusively by the owners of lots within Cascade Peaks. Such failure of organization of the CPARC board of directors shall not affect the existence of CPARC or the effectiveness of this Declaration.

6.2 **Amendment.** This Declaration or any provision thereof, or any Covenant, Condition or Restriction contained herein, may be terminated, extended, modified, or amended, as to the whole of said property or any part thereof with a written consent of the owners of fifty-one percent (51%) of the lots subject to these Restrictions; provided, that the provisions of Article 4 hereof shall inure to the benefit of and be enforceable solely by Declarant, shall be capable of being amended by Declarant without the consent of any other owner, person or entity and shall not give any third party any right or cause of action on account of the terms of this Declaration, and further provided that no amendment which enlarges or diminishes the powers and responsibilities of the Declarant shall be effective without the written consent of the Declarant.

Section 7. ENFORCEMENT
