DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS

FOR

Declarant grants to the Association and its duly authorized agents and representatives such easements over the Lots and Private Road as are necessary to perform the duties and obligations of the Association, as set forth in this Declaration, the Bylaws, and the Articles, as the same may be amended.

ARTICLE 4. LOTS AND HOMES

4.1 Residential Use. Lots shall only be used for residential purposes.

4.2 Maintenance of Lots and Homes. Each Owner shall maintain such Owner's Lot and all improvements in a clean and attractive condition, in good repair, and in such fashion as not to create a fire hazard.

4.3 Rental of Homes. An Owner may rent or lease such Owner's Home or a portion thereof, provided that the following conditions are met:

4.3.1 Written Rental Agreements Required. The Owner and the tenant enter into a written rental or lease agreement specifying that (i) the tenant shall be subject to all provisions of the Declaration, Bylaws, and Rules and Regulations, and (ii) a failure to comply with any provision of the Declaration, Bylaws, and Rules and Regulations shall constitute a default under the rental or lease agreement;

4.3.2 Minimum Rental Period. The period of the rental or lease is not less than 30 days;

4.3.3 Tenant Must be Given Documents. The Owner gives each tenant a copy of the Declaration, Bylaws, and Rules and Regulations.

4.4 Animals. No animals, livestock, or poultry of any kind, other than a reasonable number of household pets that are not kept, bred, or raised for commercial purposes and that are reasonably controlled so as not to be a nuisance, shall be raised, bred, kept, or permitted within any Lot.

4.5 Parking. Boats, trailers, commercial vehicles, mobile homes, campers, and other recreational vehicles or equipment, regardless of weight, shall not be parked on any part of the Private Road, or on any streets on or adjacent at any time. The garage and driveway on each Lot shall be used to park the occupant's primary passenger vehicles, and for no other purpose.

4.6 Vehicles in Disrepair. No Owner shall permit any vehicle that is in a state of disrepair or that is not currently licensed to be abandoned or to remain parked on the Private Road or on any street on or adjacent to the Property at any time and may not permit them on a Lot for a period in excess of 48 hours. A vehicle shall be deemed in a "state of disrepair" when the Board reasonably determines that its presence offends the occupants of the neighborhood. If an Owner fails to remove such vehicle within five days following the date on which the Association mails or delivers to such Owner a notice directing such removal, the Association

may have the vehicle removed from the Property and charge the expense of such removal to the Owner as a Reimbursement Assessment, which may be collected and enforced as any other assessments imposed pursuant to the Declaration and Bylaws.

4.7 Signs. No signs shall be erected or maintained on any Lot except that not more than one "For Sale" or "For Rent" sign placed by the Owner or by a licensed real estate agent, not exceeding 24 inches high and 36 inches long, may be temporarily displayed on any Lot. The restrictions contained in this Section 4.9 shall not prohibit the temporary placement of "political" signs on any Lot by the Owner or Occupant. Provided, however, political signs shall be removed within three days after the election day pertaining to the subject of the sign. Real estate signs shall be removed within three days after the sale closing date.

4.8 Rubbish and Trash. No Lot or part of the Common Area shall be used as a dumping ground for trash or rubbish of any kind. All garbage and other waste shall be kept in appropriate containers for proper disposal and out of public view. Yard rakings, dirt, and other material resulting from landscaping work shall not be dumped onto streets, the Common Area, or any other Lots. If an Owner fails to remove any trash, rubbish, garbage, yard rakings, or any similar materials from any Lot, any streets, or the Common Area where deposited by such Owner or the Occupants of such Owner's Lot after notice has been given by the Board to the Owner, the Association may have such materials removed and charge the expense of such removal to the Owner. Such charge shall constitute a Reimbursement Assessment, which may be collected and enforced as any other assessments imposed pursuant to the Declaration and Bylaws.

4.9 Tree-Cutting Restrictions. No tree the diameter of which is six inches or more may be removed from any Lot without the prior approval of the ARC unless it is diseased, poses an immediate danger to persons or property, or is within 10 feet of an existing or proposed building or five feet of a paved surface. Provided, however, the ARC shall have unfettered authority, but not the obligation, to cause the Association to trim or top trees, shrubs, or hedges located on any Lot that is creating a nuisance, is damaging, or is a threat to Commonly Maintained Property or that increases the cost of insurance for the Association.

4.10 Right of Maintenance and Entry by Association. If an Owner fails to perform maintenance and/or repair that such Owner is obligated to perform pursuant to this Declaration, and if the Board determines, after notice, that such maintenance and/or repair is necessary to preserve the attractiveness, quality, nature, and/or value of Cessna Addition the Board may cause such maintenance and/or repair to be performed and may enter any such Lot whenever entry is necessary in connection with the performance thereof. An Owner may request, and the Board shall conduct, a hearing on the matter. The Owner's request shall be in writing delivered within five days after receipt of the notice, and the hearing shall be conducted within not less than five days nor more than 20 days after the request for a hearing is received. Entry shall be made with as little inconvenience to an Owner as practicable and only after advance written notice of not less than 48 hours, except in emergency situations. The costs of such maintenance and/or repair shall be chargeable to the Owner of the Lot as a Reimbursement Assessment, which may be collected and enforced as any other assessments authorized hereunder.

4.11 Association Rules and Regulations. The Board from time to time may adopt, modify, or revoke such Rules and Regulations governing the conduct of persons and the operation and use of Lots and the Private Roads as it may deem necessary or appropriate to assure the peaceful and orderly use and enjoyment of the Property and the administration and operation of the Association. A copy of the Rules and Regulations, upon adoption, and a copy of each amendment, modification, or revocation thereof, shall be delivered by the Board promptly to each Owner and shall be binding upon all Owners and occupants of all Lots on the date of delivery or actual notice thereof. The method of adoption of such Rules and Regulations shall be provided in the Bylaws of the Association. Subject to the Board's approval or consent, the ARC may adopt rules and regulations pertinent to its functions.

4.12 Ordinances and Regulations. The standards and restrictions set forth in this Article 4 shall be the minimum required. To the extent that local governmental ordinances and regulations are more restrictive or provide for a higher or different standard, such local governmental ordinances and regulations shall prevail.

4.13 Temporary Structures. No structure of a temporary character or any trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any Lot as a residence, either temporarily or permanently.

4.14 Declarant Exemptions. Declarant shall be exempt from the application of Section 4.7.

4.15 Nuisance. No noxious, harmful, or offensive activities shall be carried out on any Lot.

ARTICLE 5. MEMBERSHIP IN THE ASSOCIATION

5.1 Members. Each Owner shall be a member of the Association. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of any Lot. Transfer of ownership of a Lot shall automatically transfer membership in the Association. Without any other act or acknowledgment, Occupants and Owners shall be governed and controlled by this Declaration, the Articles, and Bylaws of the Association and any amendments.

5.2 Proxy. Each Owner may cast such Owner's vote in person, by written ballot, or pursuant to a proxy executed by such Owner. An Owner may not revoke a proxy except by actual notice of revocation to the person presiding over a meeting of the Association. A proxy shall not be valid if it is undated or purports to be revocable without notice. A proxy shall terminate one year after its date, unless the proxy specifies a shorter term.

5.3 Voting Rights. The Association shall have two classes of voting members:

5.3.1 Class A. Class A members shall be all Owners of Lots other than Declarant, and each Class A member shall be entitled to one vote for each Lot owned with respect to all matters on which Owners are entitled to vote.

5.3.2 Class B. The Class B member shall be Declarant, its successors, and its assigns. The Class B member shall have three votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the earlier of the following dates (the "Termination Date"):

(a) The date on which 75% of the total number of Lots in Cessna Addition Homeowners' Association have been sold and conveyed to Owners other than Declarant; and

(b) The date on which Declarant elects in writing to terminate Class B membership.

After the Termination Date, each Owner, including Declarant, shall be entitled to one vote for each Lot owned with respect to all matters on which Owners are entitled to vote, and the total number of votes shall be equal to the total number of Lots subject to this Declaration, initially or through annexation.

When more than one person or entity owns a Lot, the vote for such Lot may be cast as they shall determine, but in no event shall fractional voting be allowed. Fractional or split votes shall be disregarded, except for purposes of determining a quorum.

5.4 Procedure. All meetings of the Association, the Board and Association committees shall be conducted with such rules of order as may from time to time be adopted by the Board. Notwithstanding which rule of order is adopted, the President shall be entitled to vote on all matters, not merely to break a tie vote. A tie vote does not constitute a majority or approval of any motion or resolution.

ARTICLE 6. DECLARANT CONTROL

6.1 Interim Board and Officers. Declarant reserves administrative control of the Association. Declarant, in its sole discretion, shall have the right to appoint and remove members of an interim board (the "Interim Board"), which shall manage the affairs of the Association and be invested with all powers and rights of the Board until the Turnover Meeting (as hereinafter defined). The Interim Board shall consist of from one to three members. Notwithstanding the provision of this Section 8.1, at the Turnover Meeting, at least one Director shall be elected by Owners other than Declarant, even if Declarant otherwise has voting power to elect all three Directors.

6.2 Turnover Meeting. Declarant shall call a meeting for the purposes of turning over administrative control of the Association from Declarant to the Class A members within 60 days of the earlier of the following dates:

6.2.1 Earliest Date. The date on which Lots representing 75% of the total number of votes of all Lots in Cessna Addition have been sold and conveyed to persons other than Declarant;

6.2.2 Optional Turnover. The date on which Declarant has elected in writing to terminate Class B membership.

Declarant shall give notice of the Turnover Meeting to each Owner as provided in the Bylaws. If Declarant does not call the Turnover Meeting required under this Section.

ARTICLE 7. FUNDS AND ASSESSMENTS

7.1 Purpose of Assessments; Expenses. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, aesthetics, roadways, and welfare of the Owners and Occupants of Cessna Addition and for the improvement, operation, and improvement, operation and maintenance of the private road, for the administration and operation of the Association, and for property and liability insurance.

7.2 Covenants to Pay. Declarant and each Owner covenant and agree to pay the Association the assessments and any additional charges levied pursuant to this Declaration or the Bylaws. All assessments for operating expenses, repairs and replacement, and reserves shall be allocated among the Lots and their Owners as set forth in this Declaration.

7.2.1 Funds Held in Trust. The assessments collected by the Association shall be held by the Association for and on behalf of each Owner and shall be used solely as set forth in this Declaration. On the sale or transfer of any Lot, the Owner's interest in such funds shall be deemed automatically transferred to the successor in interest to such Owner.

7.2.2 Offsets. No offsets against any assessment shall be permitted for any reason, including, without limitation, any claim that the Association is not properly discharging its duties.

7.2.3 Right to Profits. Association profits, if any, shall be the property of the Association and shall be contributed to the Current Operating Account.

7.3 Basis of Assessment; Commencement of Assessments. Declarant shall pay all common expenses of the Association until the Lots are assessed for common expenses. The amount and date of commencement of the initial annual assessment to Owners other than Declarant shall be determined by Declarant. In the sole and unfettered discretion of Declarant, Declarant may defer payment of reserves for a Lot until the Lot is conveyed to a third party. However, Declarant may not defer payment of accrued reserves beyond the date of the Turnover Meeting.

7.4 Annual Assessments. Annual assessments for each fiscal year shall be established when the Board approves the budget for that fiscal year. The initial annual assessment shall be determined by Declarant and shall be prorated on a monthly basis at the time of the closing of the first sale from Declarant. For proration purposes, any portion of a month shall count as a full month. Annual assessments shall be payable on a periodic bases, not more

frequently than monthly, as determined by the Board. The fiscal year shall be the calendar year unless another year is adopted by vote of the Association members.

7.4.1 Budgeting. Each year the Board shall prepare, approve, and make available to each Member a pro forma operating statement (budget) containing (a) estimated revenue and expenses on an accrual basis; (b) the amount of the total cash reserves of the Association currently available for replacement or major repair of the Private Road and for contingencies; (c) an itemized estimate for the remaining life of, and the methods of funding to defray repair, replacement, or additions to the Private Road; and (d) a general statement setting forth the procedures used by the Board in the calculation and establishment of reserves to defray the costs of repair, replacement, or additions to major components of the Private Road. Notwithstanding that budgeting shall be done on an accrual basis, the Association's books shall be kept on a cash basis and the Association shall be a cash basis taxpayer, unless applicable governmental regulations require otherwise. For the first fiscal year, the budget shall be approved by the Board no later than the date on which annual assessments are scheduled to commence. Thereafter, the Board shall annually prepare and approve the budget and distribute a copy or summary to each Member, together with written notice of the amount of the annual assessments to be levied against the Owner's Lot, within 30 days after adoption of such budget.

7.4.2 Allocation of Assessments. The total amount in the budget shall be charged against all Lots as annual assessments equally.

7.4.3 Nonwaiver of Assessments. If before the expiration of any fiscal year the Association fails to fix annual assessments for the next fiscal year, the annual assessments established for the preceding year shall continue until a new annual assessment is fixed.

7.5 Special Assessments. The Board and/or the Owners shall have the power to levy special assessments against an Owner or all Owners in the following manner for the following purposes:

7.5.1 Correct Deficit. To correct a deficit in the operating budget, by vote of a majority of the Board;

7.5.2 Special Obligations of an Owner. To collect amounts due to the Association from an Owner for breach of the Owner's obligations under this Declaration, the Bylaws, or by vote of a majority of the Board;

7.5.3 Repairs. To collect additional amounts necessary to make repairs or renovations to the Private Road if sufficient funds are not available from the operating budget or replacement reserve accounts, by vote of a majority of the Board; or

7.5.4 Capital Improvements. To make capital acquisitions, additions or improvements, by vote of at least 80% of all votes allocated to the Lots.

7.5.5 Reimbursement Assessments. The Association shall levy a reimbursement assessment against any Owner and such Owner's Lot if a failure to comply with this Declaration or Bylaws has (a) necessitated an expenditure of monies by the Association to effect compliance or (b) resulted in the imposition of a fine or penalty against such Owner or such Owner's Lot (a "Reimbursement Assessment"). A Reimbursement Assessment shall be due and payable to the Association when levied. A Reimbursement Assessment shall not be levied by the Association except on at least 10 days' written notice to the Owner being assessed. If, within said 10-day period, the Owner makes a written request to the Board for a hearing, a hearing shall be held. On request for a hearing, the Board shall conduct it not less than 10 nor more than 30 days after the request by the Owner, and shall make its decision within not more than 30 days after the hearing is held. If a notice has been previously given, and the hearing has already been held or waived (in writing or by the Owner's failure to appear) for the violation resulting in the Reimbursement Assessment, no additional notice and hearing is required before levying the Reimbursement Assessment.

7.6 Accounts.

7.6.1 Types of Accounts. Assessments collected by the Association shall be deposited into at least two separate accounts with a bank, which accounts shall be clearly designated as (a) the Current Operating Account and (b) the Reserve Account. The Board shall deposit those portions of the assessments collected for current maintenance and operation into the Current Operating Account and shall deposit those portions of the assessments collected as reserves for replacement and deferred maintenance of capital improvements into the Reserve Account. Withdrawal of funds for the Association's Reserve Account shall require the signatures of either two Directors or one Director and an officer of the Association who is not a Director. In its books and records, the Association shall account separately for operating expenses relating to the private road and operating expenses relating to all other matters, as well as for necessary reserves relating to the private road and necessary reserves relating to all other matters.

7.6.2 Reserve Account. Declarant shall establish a Reserve Account, in the name of the Association, which shall be kept separate from all other funds held by the Association. The Association shall pay out of the Reserve Account only those costs that are attributable to the maintenance, repair, or replacement of private road that normally requires replacement, in whole or in part, within three to 30 years and not for regular or periodic maintenance and expenses. No funds collected for the Reserve Account may be used for ordinary current maintenance and operation purposes.

7.6.2.1 Calculation of Reserve Assessment; Reserve Study. The Board of Directors of the Association shall annually conduct a reserve study, or review and update an existing study, of the private road to determine the reserve account requirements. A reserve account shall be established for those items of the private road all or part of which will normally require replacement in more than three and less than 30 years, for exterior painting, and for the maintenance, repair, or replacement of other items as may be required under the Declaration or Bylaws or that the Board of Directors, in its discretion, may deem appropriate. The reserve

account need not include items that could reasonably be funded from operating assessments. The reserve study shall include:

- (a) identification of all items for which reserves are required to be established;
- (b) the estimated remaining useful life of each item as of the date of the reserve study;
- (c) the estimated cost of maintenance, repair or replacement of each item at the end of its useful life; and
- (d) a 30-year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on reserves, to meet the maintenance, repair and replacement schedule.

The reserve account assessment shall be allocated pursuant to Section 7.4.2.

7.6.2.2 Loan from Reserve Account. After the Turnover Meeting the Board may borrow funds from the Reserve Account to meet high seasonal demands on the Association's regular operating fund or to meet unexpected increases in expenses. Funds borrowed must be repaid later from assessments if the Board has adopted a resolution, which may be an annual continuing resolution, authorizing the borrowing of funds. Not later than the adoption of the budget for the following year, the Board shall adopt by resolution a written payment plan providing for repayment within a reasonable period.

7.6.2.3 Increase or Reduction, or Elimination of Reserve Account Assessment. At any time after the second year after the Turnover Meeting, future assessment for the Reserve Account may be increased or reduced by the Board.

7.6.2.4 Investment of Reserve Account. Nothing in this Section prohibits the prudent investment of Reserve Account funds, subject to any constraints imposed by the Board or the Bylaws.

7.6.2.5 Refunds of Assessments. Assessments paid into the Reserve Account are the property of the Association and are not refundable to sellers or Owners of Lots. Sellers or Owners of Lots may treat their outstanding share of the Reserve Account's balance as a separate item in the sales contract providing for the conveyance of their Lot.

7.6.3 Current Operating Account. All costs other than those to be paid from the Reserve Account may be paid from the Current Operating Account.

7.7 Default in Payment of Assessments, Enforcement of Liens.

7.7.1 Personal Obligation. All assessments properly imposed under this Declaration or the Bylaws shall be the joint and several personal obligation of all Owners of the Lot to which such assessment pertains. In a voluntary conveyance (i.e., one other than through foreclosure or a deed in lieu of foreclosure), the grantees shall be jointly and severally liable with the grantors for all Association assessments imposed through the recording date of the instrument effecting the conveyance. A suit for a money judgment may be initiated by the Association to recover such assessments without either waiving or foreclosing the Association's lien.

7.7.2 Association Lien. The Association shall have a lien against each Lot for any assessment (of any type provided for by this Declaration or the Bylaws) or installment that is delinquent. Such lien shall accumulate all future assessments or installments, interest, late fees, penalties, fines, attorney fees (whether or not suit or action is instituted), actual administrative costs, and other appropriate costs properly chargeable to an Owner by the Association, until such amounts are fully paid. Recording of the Declaration constitutes record notice and perfection of the lien. Said lien may be foreclosed at any time pursuant to the Planned Community Act. The Association shall record a notice of a claim of lien for assessments and other charges in the deed records of Deschutes County, Oregon, before any suit to foreclose may be filed. The lien of the Association shall be superior to all other liens and encumbrances except property taxes and assessments, any first mortgage, deed of trust or land sale contract recorded before the Association's notice of lien, and any mortgage or deed of trust granted to an institutional lender that is recorded before the Association's notice of lien.

7.7.3 Interest; Fines; Late Fees; Penalties. The Board, in its reasonable discretion, may from time to time adopt resolutions to set the rate of interest and to impose late fees, fines, and penalties on delinquent assessments or for violations of the provisions of this Declaration or the Bylaws. The adoption of such impositions shall be communicated to all Owners in writing not less than 30 days before the effective date by a notice mailed to the assessment billing address of such Owners. Such impositions shall be considered assessments that are lienable and collectible in the same manner as any other assessments; provided, however, that fines or penalties for violation of this Declaration, the Bylaws, or any rule and regulation, other than late fees, fines, or interest arising from an Owner's failure to pay regular, special, or reimbursement assessments may not be imposed against an Owner or such Owner's Lot until such Owner is given an opportunity for a hearing as elsewhere provided herein.

7.7.4 Acceleration of Assessments. If an Owner is delinquent in payment of any assessment or installment on any assessment, the Association, on not less than 10 days' written notice to the Owner, may accelerate the due date of the full annual assessment for that fiscal year and all future installments of any special assessments.

7.7.5 Association's Right to Rents; Receiver. In any foreclosure suit by the Association with respect to such lien, the Association shall be entitled to collect reasonable rent from the defaulting Owner for the use of such Owner's Lot or shall be entitled to the appointment of a receiver.

ARTICLE 8. GENERAL PROVISIONS

8.1 Records. The Board shall preserve and maintain minutes of the meetings of the Association, the Board and any committees. The Board also shall keep detailed and accurate financial records, including individual assessment accounts of Owners, the balance sheet, and income and expense statements. Individual assessment accounts shall designate the name and address of the Owner or Owners of the Lot, the amount of each assessment as it becomes due, the amounts paid on the account, and the balance due on the assessments. The minutes of the Association, the Board and Board committees, and the Association's financial records shall be maintained in the State of Oregon and reasonably available for review and copying by the Owners. A reasonable charge may be imposed by the Association for providing copies.

8.2 Indemnification of Directors, Officers, Employees, and Agents. The Association shall indemnify any Director, officer, employee, or agent who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by the Association) by reason of the fact that such person is or was a Director, officer, employee, or agent of the Association or is or was serving at the request of the Association as a Director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorney fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by said person in connection with such suit, action, or proceeding if such person acted in good faith and in a manner that such person reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had no reasonable cause to believe that such person's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or with a plea of nolo contendere or its equivalent, shall not of itself create a presumption that a person did not act in good faith and in a manner that such person reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had reasonable cause to believe that such person's conduct was unlawful. Payment under this clause may be made during the pendency of such claim, action, suit, or proceeding as and when incurred, subject only to the right of the Association to reimbursement of such payment from such person, should it be proven at a later time that such person had no right to such payments. All persons who are ultimately held liable for their actions on behalf of the Association as a Director, officer, employee, or agent shall have a right of contribution over and against all other Directors, officers, employees, or agents and members of the Association who participated with or benefited from the acts that created said liability.

8.3 Enforcement; Attorney Fees. The Association and the Owners and any mortgagee holding an interest on a Lot shall have the right to enforce all of the covenants, conditions, restrictions, reservations, easements, liens, and charges now or hereinafter imposed by any of the provisions of this Declaration as may appertain specifically to such parties or Owners by any proceeding at law or in equity. Failure by either the Association or by any Owner or mortgagee to enforce any covenant, condition, or restriction herein contained shall in no event be deemed a waiver of their right to do so thereafter. In the event suit or action is commenced to

enforce the terms and provisions of this Declaration (including without limitations, for the collection of assessments), the prevailing party shall be entitled to its actual administrative costs incurred because of a matter or event that is the subject of the suit or action, attorney fees and costs in such suit or action to be fixed by the trial court, and in the event of an appeal, the cost of the appeal, together with reasonable attorney fees, to be set by the appellate court.
