All provisions of this Declaration shall be binding upon all parties having or acquiring any right, title, or interest in COPPER CANYON or any part thereof, and shall inure to the benefit of the Owners thereof and are intended to be and shall in all respects be regarded as covenants running with the land.

1. **LAND USE AND BUILDING TYPE.** No Lot shall be used except for residential purposes. Homes must be constructed of new materials and all homes must be constructed on site. Manufactured and mobile homes are prohibited. Declarant may use trailers and/or residential structures currently constructed and/or constructed in the future as model homes and sales offices.

3. **BUILDING LOCATION.** Building locations shall conform to the setbacks adopted in the COPPER CANYON subdivision approved by the City of Bend.
4. **EASEMENTS.** Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction of flow of drainage channels in the easement, or which may obstruct or retard the flow of water through drainage channels in the easements. After initial sale of each Lot, the easement area of each Lot and all improvements in it shall be maintained continuously by the owner of the Lot, except for those improvements for which a public authority or utility company is responsible.
5. **UNDERGROUND SERVICE.** No outdoor overhead wire or service drop for the distribution of electric energy or for telecommunications purposes, nor any pole, tower, or other structure supporting said outdoor overhead wires shall be erected, placed or maintained within this subdivision. All owners of Lots or tracts within this subdivision, their heirs, successors, and

8. **PARKING.** Parking of boats, trailer RVs and like equipment shall not be allowed on public rights-of-way or in a driveway for more than twenty-four (24) hours and then for the purpose of loading and unloading only. Permanent storage for any of the above shall be obtained off-site, unless otherwise approved by Declarant in writing. Any off-site storage fees shall be at Owner's expense. Any vehicle in disrepair, sitting on blocks, or otherwise appearing inoperable shall not be visible from the street for any aggregate period in excess of three (3) days. No commercial vehicle with a gross vehicle weight of more than 8,000 pounds, trailer, travel trailer or motor coach may be parked over night on any street within COPPER CANYON and/or in violation of the City of Bend ordinances.
9. **SIGNS.** No signs shall be erected on any Lot except one (1) sign of not more than five (5) square feet advertising the property for sale or rent, unless otherwise approved in writing by Declarant, or signs used by Declarant or its assigns or successors to advertise the Property during the construction and initial sale period. Declarant may erect and maintain signs of any size at model homes or other area designated by Declarant. Owners or Owner associated companies, corporations or partnerships which own more than one (1) Lot or Home, excluding only Declarant or its assigns or successor, shall be limited to erecting and maintaining only one (1) such for rent or for sale sign for all Lots or Homes owned by Owner in COPPER CANYON, unless otherwise approved by Declarant in writing.

10. **OIL AND MINING OPERATION.** No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.
11. **LIVESTOCK AND POULTRY.** No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot, except that a reasonable number of dogs, cats, or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purpose.
12. **GARBAGE AND REFUSE DISPOSAL.** No Lot shall be used or maintained as a dumping ground for rubbish or trash. Declarant may use containers for recycling or construction debris during the build-out of COPPER CANYON. Garbage or other waste shall not be kept on any Lot except in sanitary containers. All incinerators or other containers for the storage or disposal of such material shall be kept in a clean and sanitary condition.
13. **MAINTENANCE.** The maintenance, upkeep and repair of individual homes shall be the sole responsibility of each individual Owner. Owners shall maintain their Lots and homes and all appearances thereto at all times. Owners are responsible for the maintenance of the landscaped area in the right-of-way between the street and the sidewalk. All lawns shall be adequately watered and kept mowed and properly trimmed. Each Owner shall be obligated to maintain all landscaping (including lawn) on Owner's Lot and the right-of-way area between the street and the sidewalk in a healthy and attractive state and in a manner comparable to that on the other Lots in COPPER CANYON. Each Owner is responsible for the operation, repair and maintenance including winterization and spring start-up of their own private front yard sprinkler system installed by Declarant during home construction. Lot Owners are responsible for watering and maintaining the street trees in front of their Lots and guarantee the survival and replacement of approved street trees for one (1) year after planting. Lot Owners shall comply with all erosion and drainage regulations regarding all property within COPPER CANYON, including streets and sidewalks, promulgated by any city, county or state agency with jurisdiction over the property within COPPER CANYON.
14. **ROCK WALLS.** Engineered boulder rock walls or keystone walls may have been installed on or between Lots during the development of COPPER CANYON. If such walls were installed, homeowners shall not add additional rock to or alter these existing walls without the prior written approval of Declarant and the applicable governing jurisdiction.
15. **SLOPE AREAS.** Declarant has developed a storm drainage system ("community Erosion Control Plan"), which addresses water run-off for the entire property as opposed to run-off between individual Lots. This means that unfiltered surface water and sediment can traverse

other Lots before reaching a public storm water facility, with the understanding that prior to reaching a gutter, street or storm water facility, the water will be filtered. Silt fencing has been installed in conjunction with the final site grading, in areas designated on the construction documents that meets the local storm water agency's guidelines for surface erosion control. Usually, the normal location for silt fencing is on or adjacent to the property line to protect rear and side sloping areas and adjacent to the curb to protect front sloping areas. It should be noted that the purpose of silt fencing is to control erosion only, and that storm water and some sediment can be expected to travel downhill from higher elevation Lots through lower elevation Lots to its final destination in a public storm water facility. No structure, planting or other material shall be placed or permitted to remain or other activities undertaken which may damage or interfere with the grading plan developed by the Declarant. This includes altering the defined slope areas, attempting to change the storm water direction or performing any action that creates erosion. Once the Declarant has conveyed title to any subsequent purchaser, either to a Owner or other Homebuilder, the established sloping areas of each Lot and all improvements on each Lot shall be maintained continuously by the Owner of the Lots to preserve Declarant's designed drainage and grading plan, except for those improvements for which a public authority or utility company is responsible. Declarant reserves the right to modify the Community Erosion Control Plan during the construction of homes in the subdivision.

16. **SIGHT DISTANCE AT INTERSECTIONS.** No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between three (3) and ten (10) feet above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points thirty (30) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. The same sight-line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines. All sight distance requirements must be in compliance with Deschutes County and the City of Bend Code.
17. **HOME OWNER ASSOCIATION.** No homeowner association exists at COPPER CANYON. Upon completion of initial construction of all of the homes in COPPER CANYON, individual Lot owners may vote to form a Home Owner Association. In the event that 51% of the Owners eligible to vote in favor of the formation of a Home Owner Association, an Association shall be formed. Each Lot shall receive one vote.
18. **ARCHITECTURAL CONTROL.** Architectural control of houses and accessory structures shall be by Declarant. Declarant must approve all plans, specifications and exterior color of houses or accessory structures in writing prior to start of construction. Declarant shall approve any modifications to approved plans in writing. After initial construction of homes on all Lots in

the subdivision, architectural control by Declarant shall cease. Upon the vote of 51% of the Owners in favor of continued Architectural Control, such control shall pass to an Owner's Committee consisting of three (3) Owners elected by a vote of the Owners.

19. **HOME OFFICES.** No business venture shall be conducted on a Lot or in or about any property in COPPER CANYON except for one-room offices that are not designated by exterior sign(s) and which does not become an undo burden on or nuisance to the COPPER CANYON neighborhood.
20. **FENCING AND LANDSCAPING.** Any perimeter fencing erected by Declarant along the rear of Lots 1-8 abutting Brookwood Blvd and along the west property lots line of Lots 23, 24 and 41 shall be maintained and repaired by the Owners of the Lots where the fencing is located. Lot Owners shall not remove such fencing without Declarant's written approval. Declarant has no responsibility in the maintenance or repair of such fencing other than its initial construction.
21. **TERM.** This Declaration shall run with the land with respect to all property within COPPER CANYON shall be binding on all Owners of the described Property and all persons claiming under them for a period of thirty (30) years from the date this Declaration is recorded, after which time, said Declaration shall automatically be extended for successive periods of ten (10) years unless an instrument signed by a majority of the then Owners of the Lots has been recorded, agreeing to terminate or change said Declaration in whole or in part. Paragraph 6 shall continue in perpetuity and is binding on all COPPER CANYON Owners and all persons claiming under it.
22. **ENFORCEMENT/ATTORNEYS' FEES.** Declarant and the Owners within the Property or any mortgagee on any Lot shall have the right to enforce all of the covenant, condition, restrictions, reservations, easements, liens and charges now or hereinafter imposed by any of the provisions of this Declaration as may appertain specifically to such parties or Owners by any proceeding at law or in equity. Failure by either the Association or by any Owner or mortgagee to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of their right to do so thereafter. In the event suit or action is commenced to enforce terms and provisions of this Declaration, the prevailing party shall be entitled to its attorney fees and costs in such suit or action to be fixed by the trial court, and in the event of an appeal, the cost of the appeal, together with reasonable attorney fees to be set by the appellate court. Neither Declarant nor Declarant's successors or assigns shall be liable to any Owner, Occupant, or to any other person for its enforcement or failure to enforce any provision of this Declaration.
23. **AIR CONDITIONING UNITS.** Any "window-model" air conditioning units shall not be visible on the front of a home. "Free-standing" compressors shall not be located in the front yard.

24. **FENCING.** Any fencing installed by Lot Owners shall be six (6) foot high solid cedar fencing (similar to fencing installed on the Property adjacent to Brookwood Blvd.) or other fencing approved by Declarant in writing prior to installation. No chain link or cyclone fencing is allowed. Any fencing installed by a Lot Owner shall be in accordance with all City of Bend ordinances. Lot owner shall maintain all fencing located on their Lot in an attractive state and in good condition.
25. **ENTRANCE SIGN.** In the event an entrance monument is erected on any Lot within COPPER CANYON, such monument shall be maintained and repaired by the homeowners, and costs shared equally by all homeowners in the subdivision. The Declarant has no responsibility in the maintenance or repair of any monument.
26. **FUTURE IMPROVEMENT OF BROOKSWOOD BLVD.** At some future date, the City of Bend intends to improve the existing right-of-way and widened Brookwood Blvd. ("Road"), which is located on the south side of the Copper Canyon subdivision. Until the Road is realigned and widened, a large portion of unimproved right-of-way will exist adjacent to the south side of Copper Canyon. Declarant will install temporary irrigation and landscaping between the current Road alignment and Lots 1 through 8. Declarant will maintain such landscaping for a period of eighteen months from the date the plat of Copper Canyon is recorded ("18 months") or the Road is realigned, whichever ever occurs first. After the expiration of the 18 months Declarant maintenance of such landscaping shall automatically cease and Declarant shall have no further responsibility regarding the landscaping. In the event that 51% of the Owners eligible to vote, vote in favor of continuing to maintain the landscaping, each Lot owner shall pay 1/41st of the cost of continuing to maintain the landscaping until the road is widened. Each Lot shall receive one vote.
27. **SEVERABILITY.** Invalidation of any one of these covenants, conditions or restrictions by judgment or court order shall not in any way affect any of the other provisions, which shall remain in full force and effect.
28. **AMENDMENT.** These Declaration may be amended by an instrument signed by a majority of the current Lot owners and recorded with the County Recorder, agreeing to change said Covenants in whole or in part; provided however, that if Declarant owns at least one Lot, these covenants cannot be amended without Declarant's written consent. Declarant reserves the right, as long as it owns at least one Lot, to amend this Declaration in any way without approval of any Lot owners Paragraph 6 may amended or terminated only by obtaining written approval from the City of Bend and meeting any other requirement of this Declaration.
29. **ANNEXATION OF ADDITIONAL PROPERTY.** Declarant may from time to time and in its sole discretion annex to the Property subject to this Declaration any real property now or

hereafter acquired by it. The annexation of such real property shall be accomplished by Declarant recording a declaration which describes the real property to be annexed, establish land classification for the real property, establish any additional limitations, uses, restrictions, covenants which are intended to be applicable to such property, and declare that such property is held and shall be held, conveyed, encumbered, used, occupied and improved subject to this Declaration. Upon annexation, additional Lots so annexed shall be entitled to voting rights.

30. **RENTAL OF HOMES.** An Owner may rent or lease such Owner's Home or a portion thereof, provided that the following conditions are met:

a) Written Rental Agreements Required. The Owner and the tenant enter into a written rental or lease agreement specifying that (i) the tenant shall be subject to all provisions of the Declaration, and (ii) a failure to comply with any provision of the Declaration shall constitute a default under the rental or lease agreement;
