All rental or lease agreements shall be in writing and shall provide that the terms of the rental agreement or lease shall be subject in all respects to the provisions of the Declaration, Bylaws and Articles of Incorporation, and the Master Declaration and that any failure by the lessee or tenant to comply with these terms shall constitute a default under the lease or rental agreement.

**Section 2. Master Declaration and Easements.** The Property is subject to the terms and conditions of the Master Declaration, which provides, in part, for a homeowners association assessment for Pine Meadow Village, which assessment is in addition to the assessment for the Association for Creek View Cottages as provided in this Declaration and the attached Bylaws.

The Property is also hereby declared to be subject to the easements shown on the Plat, to easements for maintaining and repairing the improvements on each Lot as stated in this Declaration or on the Plat, and to easements for access over each and every Lot to allow the Association to maintain and repair the landscaping and the sprinkler systems and any other items provided for in this Declaration, and ingress and egress easement for inspection, maintenance and repair of a Home located on a Lot which is the responsibility of the Association as provided in this Declaration or the Bylaws. All easements are deemed covenants running with the land for the use and benefit of the Owners and their Lots and the Association and where appropriate are burdens on the Lots over which an easement may run.

- (a) Notwithstanding anything expressed or implied to the contrary, the Property shall be subject to easements for the installation, repair and maintenance of utilities, common sprinklers and drainage facilities necessary for the development of the Property. In addition, as shown on the Plat, certain Lots are and shall be subject to public and private utility easements, storm drainage easements and an easement for a Private Way (defined in Section 1 of Article IV).
- (b) With respect to any easements as set forth herein, no structure, planting or other material shall be placed or permitted to remain within any easement area which may damage or interfere with the installation, repair or maintenance of utilities or other facilities for which the easement was intended, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each Lot and all improvements in the easement areas shall be

maintained continuously by the Owner of the Lot, except for those improvements for which a public authority, utility company or the Association is responsible.

- (c) The Association and its agents and contractors are granted ingress/egress easements over the Lots in order to maintain, repair, and install landscaping, the sprinkler systems on the Property, or any other facilities (including the exterior of any Homes) which will be owned, operated, maintained or repaired by the Association on behalf of the Owners as provided in this Declaration .
- (d) Declarant has installed a 1,000 gallon underground propane storage tank (the "Tank") and gas lines from such Tank to each Home in Creek View Cottages. Declarant hereby grants, creates and establishes for the benefit of all Owners and the Association and as a burden on all Lots easements over the Lots for all gas lines and an easement to and from the Tank on Lot 4 on which Declarant has installed such Tank and such easements include the right to enter upon any Lot for the purposes of maintenance, repair or replacement of the gas lines or the Tank, as applicable. At turnover, Declarant will transfer all rights, title and interest in the Tank to the Association and Declarant shall have no further obligation for the Tank or the utility lines or any other improvements made in connection with the Tank. Declarant has also installed or will install a sub-meter on each Owner's Home, and each Owner shall pay its pro-rata share of the propane used by the Owner. Each sub-Meter on each Home is leased and each Owner will be responsible for such lease payment. The maintenance or repair of each sub-meter and any gas lines within a Home shall be the sole responsibility of each Owner. The Tank and the utility lines up to each sub-meter on each Home shall be repaired and maintained by the Association and shall be part of the Association budget.
- (e) The Declarant hereby reserves to itself a blanket easement over upon, through, and under the Property, including without limitation, all Lots, for all purposes reasonably required in carrying out the development of any improvements, including without limitation ingress and egress, the construction, alteration, completion, warranty work, if any, and decoration of Homes and other improvements developed on the Property .
- (f) There are certain utility lines located under the Private Way. The City of Sisters may require the owner of Lot 7, Pine Meadow Village - Phase I in connection with the development of Lot 7 to hook-up with such utility lines within the Private Way and in such event this may cause construction to occur within the Private Way. If any such construction occurs within the Private Way the Owner of Lot 7 shall be solely responsible for the costs of construction and may not enter onto the Property except with the written consent of the Board, which to the extent not prohibited by the City of Sisters, may impose such conditions for such access,

such as an indemnity and hold harmless agreement to be executed by the owner of Lot 7 and the repair or replacement of any improvements that are damaged during such hook-up process to the same or better condition prior to any such work.

**Section 3. Use Restrictions.** The following use restrictions and servitudes are in addition to all other restrictions, covenants, conditions, easements and other requirements contained in this Declaration and the Bylaws or the Master Declaration:

- (a) No animals or fowls shall be raised, kept, or permitted within the Property, except domestic dogs and cats or other household pets may be kept within a Home/Lot but not to exceed 2 pets. No animals of any kind shall be bred or raised for commercial purposes and an Owner may not have more than 2 pets without Board approval. Those Owners keeping pets will abide by municipal sanitary regulations governing pets. An Owner may be required to remove a pet after receipt of two notices in writing from the Board of violations of any such laws, rules, and regulations governing pets. Dogs shall be kept on lease or under direct control of an Owner. A dog shall not be allowed to run loose on the Property.
- (b) No house trailers, motor homes, pickup campers, mobile homes, boats or like recreational vehicles shall be parked on the Property, unless parked inside a garage.
- (c) No commercial activities of any kind shall be carried on in any Home or in any other portion of the Property except activities relating to the sale or rental of Homes. This provision, however, shall not be construed so as to prevent or prohibit an Owner from maintaining the Owner's professional personal library, keeping the Owner's personal business or professional telephone calls or conferring with business or professional associates in a Home/Lot.
- (d) Each Owner shall promptly at all times maintain in good condition and appearance the exterior portions of the Owner's Home and all landscaping located on the Owner's Lot, unless any of the foregoing is maintained by the Association and shall not allow the accumulation of debris, filth, rubbish or garbage on the Owner's Lot.
- (e) Trash and recycling receptacles are to be stored in each Home's garage at all times excepting the day of collection. The Board may make rules and regulations concerning disposal of garbage and the use of garbage areas by the Owners. All Owners must comply with such rules and regulations.
- (f) In addition, the Board from time to time may adopt, modify, or revoke rules and regulations governing the conduct of any person and the operation and use of all or any part of the Property as it may deem necessary or appropriate in order to assure the peaceful and orderly use and enjoyment of the Property. Such Board

action to impose rules and regulations may only be modified by vote of not less than seventy-five (75%) percent of each class of Members voting in person or by proxy, at a meeting duly called for such purpose. A copy of the rules and regulations, upon adoption, and a copy of each amendment, modification or revocation thereof, shall be delivered by the Secretary promptly to each Owner and shall be binding upon all Owners and occupants of all Homes.

### ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. **The Membership.** Upon becoming the legal Owner or contract purchaser of a Lot and/or Home, the Owner shall automatically be a member of the Association ("Member") and shall remain a Member until his ownership of a Lot and Home ceases for any reason. Membership in the Association shall be appurtenant to and may not be separate from the ownership of a Lot.

Section 2. **Classes of Membership.** The Association shall have two classes of voting members.

Class A. Class A Members shall be all Owners, with exception of Declarant. Class A Members shall be entitled to one vote for each Lot and/or Home owned. When more than one person holds an interest in a Lot and/or Home, all such persons shall be Members. The vote for such Lot and/or Home shall be exercised as the Owners determine, but in no event shall more than one vote be allowed with respect to any one Lot and/or Home.

Class B. The Class B member shall be the Declarant who shall be entitled to three (3) votes for each Lot and/or Home owned by the Declarant. The Class B membership shall cease and be converted to Class A membership automatically on the happening of the following events, whichever occurs earlier:

- (a) One hundred twenty (120) days following the conveyance of seventy-five percent (75%) of the Lots and/or Homes, to persons other than Declarant (except a successor to Declarant); or
- (b) Three (3) years after the first Lot and/or Home is conveyed to a person other than Declarant, unless the person is a successor to Declarant; or
- (c) Declarant voluntarily elects to turn over control of the Association to the Members prior to (a) or (b).

Declarant may transfer its rights and obligations under this Declaration to another party at any time until the Class B membership terminates. Upon termination of the Class B

membership, Declarant may not transfer its rights and obligations under this Declaration. Upon such transfer to a successor Declarant, the Declarant shall have no further rights or obligations under this Declaration, or to any Owner under this Declaration.

A copy of the bylaws (the "Bylaws") are attached hereto as **Exhibit B** and are deemed automatically adopted by Declarant as the Bylaws of the Association upon the date of filing of the articles of incorporation for the Association.

#### ARTICLE IV COVENANT FOR ASSESSMENTS

**Section 1. Creation of Lien and Personal Obligation of Assessments.** The Declarant for each Owner within the Property, hereby covenants, and each Owner of Lots 1 through 8 by acceptance of a deed or a contract to convey title therefor, whether or not it shall so expressed in such deed or contract, is deemed to covenant and agree to pay to the Association if part of any approved budget the following or any other items necessary: (i) annual assessments or charges which may be used for maintaining, replacing and repairing the landscaping on each Lot, for reserves for painting, and costs of maintenance and repair of the reciprocal Private Way ("Private Way"); (ii) special assessments as the Board may deem necessary that do not exceed \$500 per Lot, unless approved by the Members as herein provided; and (iii) any interest, late charges, costs and reasonable attorney's fees for unpaid assessments and whether or not a lien is filed or a suit or action is filed. Any special assessment in excess of \$500 per Lot shall require the vote of each class of Members as provided in Section 4 of this Article.

(a) At the turnover meeting of the Members, the majority of the Members shall determine which items shall be included in the budget for the Association. Once the budget items are determined by the Members, the Board shall have the authority to prepare each annual budget as provided in the Bylaws. Notwithstanding anything to the contrary in this Declaration, the Association shall include in each annual budget the cost of the maintenance, replacement and repair of the following: (i) the landscaping throughout the Property (except Tract A), (ii) the Private Way, (iii) the sprinklers throughout the Property, (iv) the insurance premium for liability insurance in amounts of coverage as determined by the Board, (v) the Tank and the gas lines.

(b) At the turnover meeting, the Members shall also elect the directors to serve on the Board. There shall be at least three (3) board members as provided in the Bylaws.

(c) If any Owner fails to pay any assessment or charge, then the Board may record a common expense or Association lien ("Association Lien") which shall be a charge or lien on the Home/Lot and shall be a continuing lien upon the Home/Lot against which each such assessment is made until the assessment is paid in full. The cost of recording the Association Lien shall be paid by the Owner of the Home/Lot against which the Association Lien is recorded. Every such assessment made by the Association together with interest, costs, expenses and reasonable attorneys' fees, shall also be the personal obligation of the person or persons who own such Lot

and/or Home at the time the assessment fell due or any successors in title who expressly assume them. No Owner may waive liability for an assessment by abandonment of the Owner's Lot and/or Home.

Section 2. **Purpose of Assessment.** The Association's Board of Directors shall from time to time and at least annually prepare an operating budget for the Association, taking into account the following:

- (a) Expenses of administration.
- (b) Costs of funding reserves as provided in Section 3 of this Article.
- (c) Any deficit in common expenses for any prior period.
- (d) Any other items properly chargeable as an expense of the Association.
- (e) Any other items agreed upon as common expenses by Owners.

Notwithstanding the foregoing, the Declarant and the initial Board shall not be obligated to prepare a budget nor to assess any assessments, but may elect to do so. After turnover of the Association to the Owners, then the Board elected after the turnover meeting shall prepare the budget and establish an assessment for maintaining any items approved by the Members, such as painting or roof repair and in any event the items in Section 1 of this Article shall be included in the budget, including without limitation, the repair, replacement or maintenance of, the landscaping, the Private Way, the sprinkler system, and the Tank and gas lines, along with the cost of administration. Declarant shall have no obligation to contribute any additional funds to the Association, and shall only pay the assessments levied against the Lots owned by Declarant.

Section 3. **Reserve Fund.** Following approval by the majority of the Members at the Turnover meeting or any subsequent annual meeting or special meeting, the Board shall have the right to include in the budget an amount necessary to maintain an adequate reserve fund for the repair and replacement of any of the following: the exterior painting or staining of the Homes, the roofs, the Private Way, the landscaping, and the sprinklers (the "Reserve Fund"). If a Reserve Fund is established for any item, the Board shall assess each Home equally for the Reserve Fund. The Board shall obtain or update any reserve study as may be required by law. The Board shall administer the Reserve Fund as required by this Declaration or law. An Owner shall have no right to a refund from the Reserve Fund, all of such sums shall belong to the Association when made by each Owner.

Section 4. **Special Assessments.** In addition to the annual assessments authorized above or for the Reserve Fund, the Association may levy a special assessment for the any purpose including, without limitation, painting the Homes, or repair or replace the roofs of the Homes, acquiring additional equipment, facilities or other capital improvements for the general use and

benefit of all the Members of the Association or for any other commonly used facilities such as the Private Way. Any special assessment in excess of \$500 in any calendar year shall be levied equally against Lots 1 through 8 and require a vote of sixty percent (60%) of the votes of each class of Members.

Section 5. **Fund.** The Association shall keep all funds, except reserves which shall be placed in the Reserve Fund, received by it in an account to be known as the "Maintenance Fund." The Association shall segregate its Reserve Fund and its Maintenance Fund in accordance with standard accounting practices, but a separate account at a bank is not necessary so long as the funds are clearly segregated on the books of the Association. The Association shall use each fund for such purposes relating to the maintenance, repair, replacement, care and upkeep of that part of the Property which is the responsibility of the Association.

Section 6. **Subordination of the Lien to Mortgage.** The Association Lien for any assessments provided for shall be subordinate to the lien of any first mortgage which was recorded before the assessment became due or to the real property taxes irrespective of the date assessed. Sale or transfer of any Home/Lot shall not affect or impair the Association Lien.

#### ARTICLE V COLLECTION OF ASSESSMENT; ENFORCEMENT

Section 1. **Abatement and Enforcement of Violations.** The Board shall take prompt action against any violator to enforce the provisions of this Declaration, the Master Declaration, the Bylaws or the rules and regulations adopted pursuant thereto, including prompt action to collect any unpaid assessment. In addition, any aggrieved Owner may bring an action against any other Owner to recover damages or to enjoin, abate, or remedy any noncompliance or breach of this Declaration, the Master Declaration, the Bylaws or any rule or regulation of the Association by another Owner by appropriate legal proceedings.

In addition to any other right or remedy at law or in equity, the Association, acting through the Board, shall have the right to:

- (a) Record a lien against the Home/Lot if an Owner fails to pay assessments of the Association;
- (b) Enter a Home/Lot where a violation exists and to summarily abate and remove, at the expense of the defaulting Owner, any condition, other than construction, that may exist contrary to the intent and meaning of the provision hereof, and the Board and Association shall not be deemed in any manner liable for trespass, waste or nuisance or other claim for damages by an Owner;
- (c) Remove or alter construction not allowed by the Association under Article

VII by appropriate legal proceedings; and

- (d) Record its Lien against the Home/Lot for all its assessments and costs and expenses that it may incur to abate any violation of this Declaration, the Master Declaration, the Bylaws or the Association's rules and regulations or any other applicable document.

**Section 2. Interest; Late Charge; Fines.** Interest shall accrue on any assessment or fine, or portion thereof not paid within ten (10) days of the due date at the rate of 12 percent per annum, compounded monthly, until paid. The Board may, if it deems appropriate, also impose late charges for late payments of assessments. The amount of the late charge shall be determined by the Board. After giving notice and an opportunity to be heard, the Board may also levy reasonable fines for violations of the Declaration, Master Declaration, Bylaws and rules and regulations adopted pursuant thereto. Such fine may become a lien against a Home/Lot as provided in Article IV. If an Owner fails to properly maintain or repair a Home or perform a replacement, the Board upon ten (10) days written notice to an Owner may cause such maintenance or repair or replacement to be performed at the sole cost and expense of the Owner. Such Owner shall immediately reimburse the Association for any such costs, plus interest and an administrative fee of fifteen percent (15%) of the cost, as well as any costs of collection, such as attorney fees.

**Section 3. Acceleration of Assessment.** In the event that an Owner fails to pay an installment of an assessment within ten (10) days of its due date, the Board may, after ten (10) days written notice, declare the defaulting Owner's entire annual or special assessment immediately due and payable, record its Lien, and any applicable late charges and interest shall accrue ten (10) days' from the due date on the entire assessment at 12 percent per annum, compounded monthly, until paid.

**Section 4. Creation of Lien, Actions to Foreclose Lien and Money Judgments.** The Board may create and record its Lien if an Owner fails to pay the assessments provided for in this Declaration. The Association's Lien shall also include any interest, charges, or costs or fees (including the Association's legal fees) or assessments, accruing before and after the date of recording. The Board may bring suit to foreclose its Lien against a Home/Lot. The proceedings to create and foreclose the Association Lien shall conform as nearly as possible to the proceedings to create and foreclose liens stated in ORS 94.704 thru ORS 94.733, now or as hereafter amended. In any such foreclosure suit, the Board shall be entitled to the appointment of a receiver to collect the rent. The Board acting on behalf of the Association, shall have the power to credit bid all sums due it pursuant to its Association Lien, this Declaration or the Bylaws, at the foreclosure sale, and to acquire the Home/Lot at the foreclosure sale and thereafter hold, lease, mortgage and convey the Home/Lot, on behalf of the Association. The Board may bring an action to obtain a money judgment against an Owner for damages for the Owner's breach or noncompliance with the provisions of the Declaration, Master Declaration, Bylaws or rules and regulations adopted pursuant thereto. The Board may bring an action to

obtain a money judgment for unpaid assessments against the Owner personally obligated to pay the same. The action to recover a money judgment for unpaid assessments may be maintained without foreclosing or waiving the Association Lien as security for the same.

Section 5. **Sale or Transfer.** Any sale or transfer of a Home/Lot pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure shall not relieve such Home/Lot from liability for any charges or assessments thereafter becoming due from date of recording of the Association Lien for any such subsequent charge or assessment.

Section 6. **Attorney Fees.** In the event the Association shall attempt to collect any money due hereunder, or bring any suit or action to enforce this Declaration or to foreclose an Association Lien, the Owner shall pay to the Association all costs and expenses including, without limitation, a foreclosure title report and reasonable attorneys' fees incurred by it in connection with such collection and whether or not an action or suit is filed by the Association. Suit or action includes any proceeding of special or limited jurisdiction, including without limitation, any proceeding pursuant to the U.S. Bankruptcy Code.

Section 1. **Maintenance for Homes .** Each Owner, at the Owner's sole cost and expense, shall repair and maintain the interior of the Owner's Home and all decks attached to a Home or to any other decks or patios located on an Owner's Lot. The Association shall have no responsibility for maintenance and repair of decks or patios. An Owner shall not allow trash or debris to accumulate around an Owner's Home or on the Lot and shall exercise reasonable efforts to keep same free of trash and debris. Each Owner shall also be responsible for the maintenance, repair, and replacement of the exterior of an Owner's Home, including without limitation, painting, siding, roof, window cleaning and gutters, except for any of the foregoing items which the Association is required to maintain, repair or replace as stated in this Declaration or which the Members of the Association have determined shall be maintained and repaired by the Association. The Association shall not be responsible for any action of an Owner, or its guests, invitees or tenants which causes damage to these items. In such event, the Owner shall be solely responsible to repair the damage to such items. The monthly assessment that each Member will pay, may be determined initially by the Declarant, and shall be payable from date of sale of each Home/Lot if so determined by the Declarant and each month thereafter until such time as initially approved as stated in Article IV by the Members and thereafter by the Board of Directors at the duly called annual meetings to set the assessments for the Association fees, based upon the budget for the Association. The Board may establish procedures, such as rules and regulations for maintenance and repair by the Association and the Owners. If there is a dispute about the Association's or an Owner's obligations under this Section 1, the Association or the Owner may submit the dispute to arbitration under Section 7 of Article XI.

Section 2. **Right to Special Assessment for Damages Lien.** In the event that the need for maintenance or repair is caused through the willful or negligent acts of an Owner or the Owner's tenant or the acts of family, guests or invitees of the Owner, the Board may assess the Owner for the cost of the maintenance or repair as a special assessment, which may be added to the regular assessment to which such Home and Owner are subject. The Board may require payment upon demand or may arrange a payment plan with the Owner. If not paid when due, then the Association may record its Lien as provided in Article V.

## ARTICLE X PARTY WALLS

Section 1. **General Rules for Party Walls.** The general rules of law in Oregon shall apply to any party walls between Lots 1 and 2 and Lots 3 and 4, respectively. Each wall which is built as a part of the original construction of the improvements on Lots 1 and 2 and Lots 3 and 4, which are located within the Property and placed on, or immediately adjacent to and parallel with, the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this section, the general rules or law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. **Sharing of Repair and Maintenance.** Each party wall shall be maintained in a good and safe condition. The cost of reasonable repair and maintenance of each side of a party wall located on a Lot shall be the responsibility of the Owner who owns the Lot.

Section 3. **Destruction by Fire or Other Casualty.** If a party wall is destroyed or damaged by fire or other casualty, any Owners who have used the party wall may restore it, and if the other Owners hereafter make use of the party wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule or law regarding liability for negligent or willful acts or omissions. The Owner repairing or reconstructing a party wall shall have the right of access over the adjacent Owner's Lot to the extent necessary to effect the repair or reconstruction. The Owners of Lots 1 and 2 and of Lots 3 and 4 shall carry such insurance as is necessary to protect the other Owner from loss or damage, such as by fire or other casualty and any necessary general liability insurance.

Section 4. **Weatherproofing.** Notwithstanding any other provision of this section, an Owner who by his negligent or willful act causes the party wall to be exposed to the weather shall bear the whole cost of furnishing the necessary protection against the weather.

Section 5. **Right to Contribution Runs with Land.** The right of any Owner to contribution from any other Owner under this section shall be appurtenant to the land of the affected Lots and shall pass to such Owner's successors in title.

Section 6. **Encroachments.** If any portion of a party wall or other part of a building or structure now or hereafter constructed upon a Lot, encroaches upon any part of the Lots or Lots used or designated for use by another Lot Owner, an easement for the encroachment and for the maintenance of same is granted and reserved and shall exist and be binding upon the Declarant and upon all present and future owners of any part of said Lot for the benefit of the present and

future owners of such encroaching building or structure for the purposes of occupying and maintaining the same; in the event of a structure consisting of more than one living unit becomes partially or totally destroyed or in need of repair and replacement, mutual and reciprocal easements are granted and reserved in and upon each dwelling unit and Lot for the repair, maintenance or replacement. No such easement shall exist, however, in respect to an encroachment caused by construction of any improvements on any Lot after completion of construction of the original improvement hereon by the Declarant.

Section 7. **Affected Lots.** The only Lots in the Property which are affected by this Article X are Lots 1, 2, 3 and 4.

Section 8. **Painting/Roof Repairs.** In order to maintain and repair the respective Homes on Lots 1 and 2 and Lots 3 and 4 in a neat and attractive fashion, the Owners shall cooperate in the exterior maintenance and repair of the Houses which share a party wall, except the Owners shall not share in the cost of maintenance and repair of any decks, porches, patios, windows, or exterior doors, which shall be the sole responsibility of each Owner and the Owners shall not be responsible for any exterior maintenance or repair which is performed by the Association. The Owners of Lots 1 and 2 shall so cooperate with each other and the Owners of Lots 3 and 4 shall so cooperate with each other. To the extent not performed by the Association, the exterior repairs and maintenance shall include without limitation, painting the exterior of the two Homes and roof repairs or replacements. To the extent necessary the cost of such exterior maintenance, repair or replacement shall be shared equally by the Owners of Lots 1 and 2 for their Homes and by the Owners of Lots 3 and 4 for their Homes. If the two Owners of their respective party wall Home cannot agree with each other about the maintenance or repair, one or both may request that the Board make such determination of whether a repair, replacement or maintenance is necessary. The Board shall render its decision within thirty (30) days of such request and the decision shall be final and binding. If any Owner fails to perform as determined by the Board or fails to pay its share of the cost of any approved maintenance, repair or replacement (e.g. new roof), the Board may impose a special assessment against the Owner who fails or refuses to pay. If the Owner does not pay, the Board shall have all rights and remedies as provided in this Declaration or Bylaws to collect such sum from such Owner, including the filing of its Lien.
