(2) Such plans and specifications have been approved in writing by the developers.

Approval of said plans and specifications may be withheld, not only because of the noncompliance with any of the restrictions and conditions contained in this Declaration, but also because of the reasonable dissatisfaction of the developer with the grading and drainage plan, the location of the structure on the homesite, the color scheme, the finish, design, proportions, shape, height, style or appropriateness of the proposed improvement or alteration, the material used therein, the kind, shape, or type of roof proposed to be placed thereon or because, in the reasonable judgment of the developers, it would render the proposed improvement inharmonious or out of keeping with Falcon Ridge's objectives or the improvements erected on other homesites.

In all cases where there are conflicting rules showing a difference in requirements, the strictest of the two is to be used. The decision of the developer shall govern in determining which rules are the strictest.

30. These restrictions may be amended or modified at any time by the affirmative vote of two-thirds of the then owners of the parcels in Eaglenest. For this purpose, the record owner of each parcel of the land described above shall be entitled to one vote.
