SUNRIVER DECLARATION ESTABLISHING FAIRWAY ISLAND HOUSES I
AND ANNEXING FAIRWAY ISLAND HOUSES I TO MEADOW VILLAGE

and subjecting property therein to certain covenants,
restrictions, assessments, fines, penalties.

By instrument dated June 20, 1968 and recorded on June 20, 1968 in volume 159 of the records of deeds of Deschutes County, Oregon, at page 198 SUNRIVER PROPERTIES, INC., an Oregon corporation, "the Developer," has established the Plan of Sunriver.

The Plan of Sunriver contemplates that Developer will organize within Sunriver a number of residential areas, each of which will consist of a separate "village." Each village is to have its own development plan and own restrictions as to the use of private areas within the village.

Developer has determined upon a development plan for a village within Sunriver to be known as "Meadow Village." The plan contemplates that Meadow Village will be a community with diverse types of dwelling arrangements. Homes within Meadow Village will be attractive either for permanent residence or for recreational use. Owners of homes within Meadow Village will have available common areas within Meadow Village for their use along with residents of Sunriver as set forth in the Plan of Sunriver.

Developer proposes to establish and maintain a high standard for the improvement of private areas within Meadow Village to the end that property within Meadow Village will have a maximum value for those who acquire it and will not deteriorate in value.

Developer plans to subject to the Plan of Sunriver the areas which will eventually constitute all of Meadow Village in several stages. By instrument dated June 20, 1968, entitled

"Sunriver Declaration Establishing Meadow Village - Area 1," Developer subjected to the Plan of Sunriver the initial area which is to constitute part of Meadow Village. Such Declaration was recorded on June 20, 1968 in volume 159 of the records of deeds of Deschutes County, Oregon, at page 237. Such declaration provided that additional areas might be annexed to Meadow Village by virtue of a Sunriver declaration.

Since the filing of such declaration Developer has filed declarations subjecting to the Plan of Sunriver and annexing to Meadow Village areas known as Cluster Court, Forest Park I and Pole Houses I.

Developer proposes to create a condominium to be known as Fairway Island Houses I within the property described on Exhibit A attached hereto, which condominium will be a part of Meadow Village. Accordingly, Developer now wishes to subject the property described on Exhibit A to the Plan of Sunriver, to annex such property to Meadow Village and to make provision for the conditions upon which private areas within such property may be used.

Now, therefore, Developer does hereby declare and provide as follows:

The restriction contained in this section applies both to unit owners owning units within Fairway Island Houses I and to any association of unit owners which may be formed pursuant to the Oregon Unit Ownership Law.

SECTION 5

General Provisions for and Restrictions on Use of Private Areas

8.1 Work by unit owners. In case any unit owner wishes to do any work on his unit with respect to which Design Committee consent is required the unit owner shall submit to the Design Committee such plans and specifications for the proposed work as the Committee determines to be necessary to enable it to evaluate the proposal. on the enjoyment of unit owners within Fairway Island Houses I, disturbance of existing terrain and vegetation and any other factors which the Design Committee reasonably believes to be relevant may be taken into account by the Committee in determining whether or not to consent to any proposed work.

8.4 Design Committee's failure to act. In the event the Design Committee fails to render its decision with respect to any proposed work within the time limits set forth above, the Committee shall conclusively be deemed to have consented to the proposal.

8.5 Effective period of consent. Design Committee consent to any proposed work shall automatically be revoked one year after issuance unless construction of the work has been commenced or the unit owner has applied for and received an extension of time from the Design Committee.

SECTION 9
