

SUNRIVER PHASE II DECLARATION ESTABLISHING

FAIRWAY POINT VILLAGE II

AND

ANNEXING FAIRWAY POINT VILLAGE II TO RIVER VILLAGE

and subjecting property therein to
certain covenants, restrictions,
assessments, fines and penalties.

By instrument, dated June 24, 1976, and recorded on July 6, 1976, in Volume 233 of the Records of Deeds of Deschutes County, Oregon at Page 831, SUNRIVER PROPERTIES INC., an Oregon Corporation, succeeded by SUNRIVER PROPERTIES OREGON, LTD., an Oregon Partnership, "the developer", has established the Plan of Sunriver Phase II.

The Plan of Sunriver Phase II contemplates that Developer will organize within Sunriver Phase II a number of residential areas, each of which will consist of a separate "village". Each village is to have its own development plan and own restrictions as to the use of private areas within the village.

Developer has determined upon a development plan for a village within Sunriver Phase II to be known as "River Village". The plan contemplates that River Village will be a community with diverse types of dwelling arrangements. Homes within River Village will be attractive either for permanent residence or for recreational use. Owners of homes within River Village will have available common areas within River Village for their use along with residents of Sunriver Phase II and that certain Reciprocal Easement Agreement dated June 24, 1976, and recorded on July 7, 1976, in Volume 233 of the Records of Deeds of the County of Deschutes, State of Oregon, Page 823 (the "Reciprocal Easement Agreement").

Developer proposes to establish and maintain a high standard for the improvement of private areas within River Village to the end that property within River Village will have a maximum value for those who acquire it and will not deteriorate in value.

Developer plans to subject to the Plan of Sunriver Phase II the areas which will eventually constitute all of River Village in several stages. By instrument dated July 6, 1976, entitled "Sunriver Phase II Declaration Establishing River Village I and Annexing River Village Unit I to Sunriver Phase II", Developer subjected to the Plan of Sunriver Phase II the initial area which is to constitute part of River Village. Such declaration was recorded on July 7, 1976, in Volume 233 of the Records of Deeds of Deschutes County, Oregon, at Page 886.

On January 9, 1984, Developer filed a plat entitled "Fairway Point Village II", which plat is recorded in Volume 19 of the Records of Plats of Deschutes County, Oregon, at Page 109. The area described on such plat is an area in which homes will be single family houses on individual lots. Developer now wishes to subject the property described on such plat to the Plan of Sunriver Phase II, to annex such property to River Village and make provision for the conditions upon which private areas within such property may be used.

NOW, THEREFORE, Developer does hereby declare and provide as follows:
