**SECOND AMENDMENT TO
 DECLARATION OF PROTECTIVE COVENANTS, CONDITIONS,
 RESTRICTIONS AND EASEMENTS
 FOR FIELDSTONE CROSSING**

THIS SECOND AMENDMENT TO DECLARATION OF PROTECTIVE COVENANTS, CONDITIONS, RESTRICTIONS AND EASEMENTS FOR FIELDSTONE CROSSING is made this First day of August 2005, by FIELDSTONE CROSSING OWNERS ASSOCIATION (the "Association").

Recitals

- A. The Declaration of Protective Covenants, Conditions, Restrictions and Easements for Fieldstone Crossing was recorded October 6, 2004 in the records of Deschutes County, Oregon as Documents 2004-60167, and amended by the First Amendment to the Declaration of Protective Covenants, Conditions, Restrictions and Easements for Fieldstone Crossing recorded April 20, 2005 in the records of Deschutes County, Oregon as Document 2005-23739 (the "Declaration").
- B. The Owners desire that the Association provide the Front Yard maintenance of all Living Units in the Association.
- C. In accordance with Section 14.2 of the Declaration, by affirmative vote or written consent of Owners holding not less than seventy-five percent (75%) of the Association, together with the written consent of the Class B member, the Owners wish to amend the Declaration.

AMENDMENTS

- 1. Article 5.2 of the Declaration is modified with the addition of a new subsection (c) as follows:

5.2 Easements Reserved

After recording, return to
 Amerititle
 18 OREGON AVENUE, BEND

(c) Irrigation Systems. In some cases irrigation systems for the Front Yards may have a controller for the timing system attached to the exterior walls of the Living Unit and use the water and power supply of that Living Unit. In each case the Association shall have an easement for such system, including access to the controller and the ability to use the Living Unit's water and power system for such purpose. The Owner of the Living Unit shall not disturb this system. Any additional irrigation the Owner wishes to supply for the Owner's side and rear yards must be independent of the Association's system.

2. Article 6.6 of the Declaration is hereby amended to read as follows:

6.6 Maintenance of Structures and Grounds. Each Owner shall maintain the Owner's Lot and Improvements thereon in a clean and attractive condition, in good repair and in such fashion as not to create a fire or other hazard. Such maintenance shall include, without limitation, exterior painting, repair, replacement and care for roofs, gutters, downspouts, exterior building surfaces, walks, lights and fences on alleys and other exterior improvements and glass surfaces. All repainting or restaining and exterior remodeling shall be subject to prior review and approval by the Architectural Review Committee. In addition, each Owner shall keep all sidewalks, shrubs, trees, grass and plantings of every kind on the Owner's Lot (other than Front Yards) neatly trimmed, properly cultivated and free of trash, weeds and other unsightly material. Damage caused by fire, flood, storm, earthquake, riot, vandalism, or other causes shall likewise be the responsibility of each Owner and shall be restored within a reasonable period of time.

3. Article 6.13 of the Declaration is hereby amended to read as follows:

6.13 Landscape. Unless the Board of Directors adopts a resolution to the contrary, the Association will perform all exterior landscape maintenance of Front yards. Each Owner shall be responsible for installing and maintaining the landscaping on any portion of the Lot not maintained by the Association in a neat and well-kept condition. An Owner may not remove street trees, change the Front Yard landscaping or install additional Front Yard landscaping without the prior written approval of the Board of Directors of the Association. Vegetation around structures shall be maintained or modified for a minimum distance of thirty (30) feet around structures to prevent the rapid spread of fire to or from the building site. Such clearance shall be established prior to

framing and maintained upon completion consistent with the applicable governmental codes and ordinances. This provision shall not preclude the establishment of typical residential landscaping such as trees, shrubs, bulbs, perennials and other groundcover generally associated with residential development, but is limited to prevent the overgrowth of grasses and shrubs which exist unmaintained on a site and which could contribute to the rapid spread of fire. All landscaping (including front and side yards) shall be completed within six (6) months from the date of occupancy of the Living Unit constructed thereon. Landscaping must include at least grass and bark dust unless the Board adopts a formal Xeriscape plan, and shall be maintained in harmony with surrounding landscaping. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time upon written approval of the Architectural Review Committee. No weeds, noxious plants, or unmaintained vegetation shall be planted or allowed to grow. No tree over six inches (6") in diameter measured four feet (4') above adjacent grade may be removed without the prior approval of the Architectural Review Committee.

4. Article 9.1 of the Declaration is hereby modified to read as follows:

9.1 Maintenance of Common Areas and Front Yards. The Association shall perform all maintenance upon the Common Areas, Common Easement Areas, COID Easement Areas and Limited Common Areas, including but not limited to landscaping, irrigation, walks, private roads, entrance monuments and gates, fences, wall, as signs, parking areas, walkways and trails, unless maintenance thereof is assumed by a public body. Unless the Board of Directors adopts a resolution to the contrary, the Association shall also maintain the landscaping and irrigation of the Front Yards. Such areas shall be maintained in an attractive condition and in a good and workmanlike manner such as to carry out the purpose for which such areas are intended. The Association shall be prohibited from making alterations to the landscaping installation, including but not limited to tree and shrub removal, on any common area tract during such time that a developer's performance or maintenance bond is in place for the landscaping on that tract. The Association shall be responsible for replacing diseased or dead trees, shrubs and landscape materials in the common area tracts and Front Yards. Fencing between the Common Areas and COID Easement Areas is required and shall be the responsibility of the Association as conditioned by the City of Redmond Planning Department or COID requirements at the time of initial

installation. Within the COID Easement Area, COID shall maintain the laterals, canals and their slopes, any subsequent piping and all COID facilities and equipment. The Association shall maintain the landscaping, which will include mowing, weeding, edging, and plants. The planting of trees and shrubs in this area is prohibited. The Association shall also maintain the trail installed on the easement and the flat top portion of the easement area. Any lighting installed in the common areas shall be downcast and shall not project into any public road or private residence.

5. Article 9.7 of the Declaration is hereby amended to read as follows:

9.7 Owners Responsibility. Except as otherwise provided in this Declaration, applicable Project Declarations, or by written agreement with the Association, all maintenance of the Lots and Improvements thereon as provided in Section 6.6 above shall be the sole responsibility of the Owner thereof, who shall maintain such Lot, other than the Front Yard, in a neat and attractive condition in accordance with the community-wide standard of Fieldstone Crossing. If the Board of Directors elects to discontinue Front Yard Maintenance, then the Owner shall be responsible for irrigating and maintaining the Front Yard, including any street trees. The Association shall, in the discretion of the Board of Directors, assume the maintenance responsibility of such Owner if, in the opinion of the Board of Directors the level and quality of maintenance being provided by such Owner does not satisfy such standard and the Project Association or the Project in which the Lot is located has failed to adequately provide such maintenance. Before assuming the maintenance responsibilities, the Board of Directors shall notify the Owner and any applicable Project Association in writing of its intention to do so, and if such Owner or the Project Association has not commenced and diligently pursued remedial action within fifteen (15) days after mailing of such written notice, then the Association shall proceed. The expenses of such maintenance by the Association shall be reimbursed to the Association by the Owner, together with interest as provided in Section 11.5 below. Such charges shall be an Individual Assessment and lien on the Lot as provided in Section 10.8 and 11.2 below.

FIELDSTONE CROSSING OWNERS ASSOCIATION

Cory Bittner, President

CERTIFICATION

The undersigned President of Fieldstone Crossing Owners Association hereby certifies that the within Second Amendment to Declaration of Protective Covenants, Conditions, Restrictions and Easements for Fieldstone Crossing has been approved and adopted in accordance with Section 14.2 of the Declaration.
