ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessment. Declarants for each Lot within The Properties hereby covenant, and each subsequent Owner of any Lot, by acceptance of the deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association annual assessments and special assessments. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them; provided, however, that such property shall remain subject to the lien until the assessment has been paid.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment and welfare of the residents in The Properties and, in particular, for the improvement and maintenance of roadways and other Facilities and to meet the financial requirements of the Association.

Section 3. Basis of Annual Assessment. Unless changed by vote of the Members as hereinafter provided, the initial maximum assessments subject to adjustment as hereinafter provided shall be \$200 per year for each Lot.

The Board of Directors of the Association may, after consideration of the current maintenance costs and the financial requirements of the Association, fix the annual actual assessment at an amount less than the maximum.

The maximum annual assessment for any year shall be increased in proportion to any increase in the Revised Consumer Price Index (All Urban Consumers, 1982-1984 = 100) for the Portland Metropolitan Area from the date of recording this instrument to January 1, of such year.

Upon the vote of the Members as hereinafter provided, the Association may change the maximum annual assessment fixed by this section prospectively.

Section 4. Special Assessments. Upon vote of the Members in the manner hereinafter set forth, the Association may levy, in addition to annual assessments, a special assessment in any calendar year applicable to that year only, for the purpose of defraying in whole or in part the cost of construction, improvement or expected repair or replacement of Facilities.

Section 5. Voting and Notices for Special Assessment and Change of Maximum Assessment. Any special assessment or change in maximum annual assessment must have the assent of 66 $\frac{2}{3}$ percent of the votes of the Members present, either in person or by proxy, at a meeting duly called for that purpose. Written notice of the meeting shall be sent to all Members at least 30 days in advance of the date of such meeting, setting forth the purpose of the meeting.

Section 6. Date of Commencement of Annual Assessment. Assessments which have been fixed for the current calendar year shall remain in effect for the balance of the current calendar year. Annual assessments for any year after the current year shall become due and payable on March 1, of such year.

The amount of the initial annual assessment for the first year in which assessments are made or for any property which becomes subject to assessment for the first time shall be prorated on a calendar year basis according to the date of the first assessment or the date on which property first became subject to assessment.

The due date of any special assessment shall be fixed by the resolution authorizing such assessment.

Section 7. Duty of the Board of Directors of the Association. The Board of Directors shall fix the amount of the annual assessment against each Lot and give each Owner written notice of such assessment at least 30 days in advance of the due date of such assessment. The Board

shall cause to be prepared a roster of The Properties subject to assessment with assessments applicable to each Lot and shall keep such roster in the Association office subject to inspection by any Owner. The Board of Directors shall also have authority to require that annual assessments be paid in semi-annual, quarterly or monthly installments.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing settling forth whether the assessments on the property owned by such Owner have been paid.

Section 8. The Effect of Nonpayment of Assessments: Lien of Association. If an assessment is not paid on the due date, such assessment shall become delinquent and shall bear interest at the rate of 10 percent per annum from such due date. The secretary of the Association shall file in the office of the Deschutes County Clerk within 120 days after such delinquency a statement of the amount of the delinquent assessments, together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment with interest set forth above shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property and, as an alternative option, may enforce such lien in the manner provided by law with respect to the foreclosure of construction liens pursuant to ORS Chapter 87.

In the event a judgment or decree is obtained in favor of the Association, the Owner shall be liable for the Association's court costs and disbursements and reasonable attorneys' fees to be fixed by the court, such costs, disbursements and attorneys' fees to be further secured by such lien. No Owner may waive or otherwise escape liability for assessments by nonuse of the Facilities or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust now or hereafter placed upon the property to which the lien attaches. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any first mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust, shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Amended and Restated Declaration shall be exempt from the assessments, charges and liens created herein:

- A. All properties to the extent of any easement or other interest therein dedicated and accepted by a municipal corporation or other local public authority and devoted to public use.
- B. Any common areas.

"Adjacent" means bordering the lot which is the subject of the plans, including lots across the street from the subject lot. The Architectural Committee shall provide such adjacent property owners copies of its report to the Board regarding the submitted plans.

The Architectural Committee shall approve or disapprove of the proposal within 30 days.

Section 4. Standards for Design. The Architectural Committee shall apply the following standards:

- p) The placement of solar panels or collectors shall be approved by the Architectural Committee prior to installation. Placement of these devices shall not obstruct the views of other Owners and shall be screened from view whenever possible. No wind-driven generators shall be permitted.

Section 9. Judicial Review. All determinations of the Board of Directors as to compliance with design standards and covenants shall be final and not subject to judicial review of interpretation unless there is fraud or misconduct in the determination of the Board.

Section 10. Liability. The scope of the Architectural Committee's review is not intended to include any review or analysis of structural, geophysical, engineering, building, or zoning code compliance, or other similar considerations. Neither the Architectural Committee nor any member thereof shall be liable to any Owner, occupant, builder, or developer for any damage, loss, or prejudice suffered or claimed on account of any action or failure to act of the Architectural Committee or a member thereof, provided only that the Architectural Committee has, or the member has, in accordance with the actual knowledge possessed by the Architectural Committee or by such member, acted in good faith.
