The undersigned, North Course Owners Association, Inc., pursuant to the vote of more than 75 per cent of the association owners, hereby amends the Amendment and Restatement of the Declaration and Establishment of Conditions, Covenants, Reservations, and restrictions for North course Estates, recorded in the Deschutes County Deed Records on June 26, 1998, at Vol. 500, Page 0428, No 98-27617, together with the second amendment thereto, recorded in the Deschutes County Deed records on August 8, 2000, Page 31608, together with the second amendment thereto, recorded in the Deschutes County Deed records on August 16, 2001, at Vol. 2001, Page 40363, and together with the third amendment thereto, recorded in the Deschutes County Deed records on September 18, 2003, at Vol. 2003, Page 64707, covering the real property described in the attached Exhibit "A" ("Declaration") is hereby amended and restated in its entirety as set forth herein. This restated Declaration is intended to supersede and replace all of the previous declarations as they apply to the real property described in Exhibit "A", by amending and restating the Declaration in its entirety as follows:

The above-described real property shall be developed as North Course Estates (sometimes referred to as the "development") and shall be subject to all conditions, covenants, reservations, and restrictions as set forth in the documents of record with respect to development of property known as Sunriver ("Sunriver"). For purposes of further ensuring the orderly development of North Course Estates, the North Course Owners Association, Inc. ("Association") has the power to control the buildings, structures, and other improvements placed on each lot, as well as to complement the entire development known as Sunriver. These covenants and restrictions are for the beneficial interest of each lot within North Course Estates. They are not to be construed as an approval for construction before submittals are approved by both the Sunriver Design Review Committee and Deschutes County. The lots within North Course Estates are to be used solely for the purpose of single family residential dwellings. Therefore, the Association hereby declares as follows:

- I. All documents or record with respect to the Plan of Sunriver are incorporated herein by this reference.
- II. Subject to the documents of record with respect to the development of Sunriver, the Association hereby reserves the power to control the buildings, structures, and other improvements placed on each lot, and in addition to the Sunriver Design Committee and Deschutes County rules, each private dwelling upon any such lot shall contain the following:
 - A. **USE OF PROPERTY:** No duplexes or multi-family dwellings are allowed. In the event that the owner of a house located within North Course Estates is a natural person, such owner shall not rent his house to any third parties for periods of less than 365 days; provided that the preceding sentence shall not prohibit such an owner from allowing the use of his house by family members. In the event that the owner of a house located within North Course Estates is an entity, rather than a natural person, such entity shall not be allowed to (i) grant to any of its officers, directors, employees, agents or clients the right to use the house for a period of less than 365 days or (ii) rent the house to any other entity or natural person or a period of less than 365 days. As used in this paragraph, the term "rent" shall mean allowing the use of one's house and receiving compensation therefor, regardless of the form that such compensation might take.
 - B. **ASSOCIATION APPROVAL:** Before any improvements may be submitted to the Design Review Committee, the owner must obtain an approval letter from the Association. The purpose of this section is to set forth the requirements for obtaining such approval.

Landscaping: For all new construction and for the renovation of existing landscaping, a landscaping plan shall be prepared by a licensed landscape designer/contractor and submitted to the Board for approval prior to the commencement of any landscaping work. All designs must be reasonably comparable with other properties in the Association. The entire lot shall be landscaped to include lawn on three sides of the property covering not less than 50 percent of the designed area. All landscaping shall be maintained to the same standards as the common area. Bark dust or similar mulch shall be applied on a regular basis. An automatic irrigation system shall be installed sufficient to maintain all landscape areas.

The deposit shall cover damage to any gates, roadways, or other common areas maintained by the Association which is caused by the contractor or the contractor's subcontractors, agents, or employees. The deposit shall be paid at the time the owner submits an application for approval.

If the application is ultimately denied, the deposit shall be returned to the owner in full together with such denial. Otherwise, the deposit will be refunded to the contractor following (i) the contractor's completion of the work and (ii) the deduction by the Association of any amount necessary to repair any damage of the type contemplated by this paragraph.

Survey: A survey will be required for all new construction to verify that the building setbacks at the time of foundation pins are set and before the foundation is poured conform with those required by the Association.

If the Association does not take any action with respect to the proposed plans and specifications within such 14 day period, they shall be deemed approved. No plans shall be submitted to Sunriver Design Review without the Association's letter of approval. These covenants, conditions, reservations, and restrictions are and each thereof are imposed upon such lots, all of which are to be construed as restrictive covenants running with the title to such lots and with each and every parcel thereof.
- IV.** Each owner shall be required as a condition of ownership to be a member of the Association. The purpose of the Association shall be to share respectively in the maintenance and related costs of the common areas within the development. An annual budget shall be prepared and each owner shall pay to the Association the pro rata share of the common area costs. The Bylaws of the Association are incorporated herein as part of this Declaration.
- V.** If the owners of such lots or any of them, or their heirs or assigns, shall violate any of the covenants herein, it shall be lawful for any other person owning real property situated in the development to prosecute any proceedings at law or in equity against the person or persons violating any of such covenants, and either to prevent him from so doing or to recover damages for such violation, or both.
- VI.** Invalidation of any of these covenants by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.
