In the event any aspect of any of the plans does not conform to the Pasco Industrial Park development concept, the Owner shall resubmit those non-conforming portions of the plans for review in accordance with the procedures outlined in Paragraph 3.3 above, and this Paragraph. No work may be performed relating to any improvement unless and until all aspects of all plans required under Paragraph 3.3 above have been approved by Declarant. Declarant shall have the right to alter, rescind, or amend any published guidelines without prior notice to any party; provided however, that once approval has been given pursuant to Paragraph 3.4 above, work may proceed in accordance with the approved plans and drawings, notwithstanding any changes in the development concept. All such guidelines shall be in general conformity with this Declaration.

3.6 Inspection: All work related to any building, structure or facility or any landscaping, vegetation, ground cover or other improvements within the Pasco Industrial Park shall be performed in strict conformity with the plans and drawings approved under Paragraph 3.4 above. Declarant shall have the right to inspect any such work to determine its conformity with the approved plans and drawings, and reserves the right to order a stop to all work if, in good faith, it believes that any such work is non-conforming. In the event that it is determined in good faith by Declarant that certain work is non-conforming, a stop work notice may be issued, without necessity of court order, which shall require the Owner to correct all nonconforming work specified in the notice before the remainder of the proposed work may be completed. Continued work without correction of any such non-conforming items shall be deemed a breach of this Declaration. 4.6 Parking Areas.

(A) General. Adequate off-street parking shall be provided to accommodate all parking needs for employees, visitor and company vehicles on the site. The intent of this provision is to eliminate the need for any on-street parking. If parking requirements increase as a result of a change in use or number of employees, additional off-street parking shall be provided to satisfy the intent of this Section. All parking shall be in conformance with applicable City of Redmond ordinances.

(B) Parking shall not be permitted:

(1) Between public street pavement and property lines.

(2) Closer than ten feet (10') to a street property line.

(C) The parking requirements may be modified by the Declarant as to any particular site, provided such modification is in writing.

Screening may be accomplished by dense planting.

(B) Loading docks shall be set back and screened to minimize the effect from the street. Docks shall not be closer than 25 feet to the street property line, unless specifically approved by Declarant in writing.

5.1 Permitted Operations and Uses. Unless otherwise specifically prohibited by Declarant herein, any industrial or commercial operation and use permitted in the applicable City of Redmond zoning district will be permitted, provided Declarant consents thereto in writing, if it is performed or carried out entirely within a building that is so designed and constructed that the enclosed operations and uses do not cause or produce a nuisance to adjacent sites, such as, but not limited, to vibration, sound, electro-mechanical disturbance, radiation, air or water pollution, dust emission of odorous, toxic or non-toxic matter. All lighting is to be shielded and confined within property lines. An exception to applicable portions of Paragraph 5. 1 (A) shall be made during periods when a breakdown in equipment occurs in such a manner as to make it evident that the effect was not reasonably preventable.

5.2 Right of Entry: During reasonable hours, and subject to reasonable security requirements, Declarant, or their authorized representative, shall have the right to enter upon and inspect the exterior of any building, site or parcel and the improvements thereon, for the purpose of ascertaining whether or not the provisions of this Declaration have been or are being complied with and neither Declarant nor their authorized representatives, shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 6. Covenant of Maintenance Assessment.

6.1 Creation of the Lien and Personal Obligations of Assessments: The Declarant hereby covenants for Pasco Industrial Park, each Owner of any Lot by acceptance of a deed or contract of purchase therefore, whether or not it shall be so expressed in any such deed or other conveyance or agreement for conveyance, is deemed to covenant and agrees to pay to Declarant or Pasco Industrial Park Owner's Committee as the case may be, regular annual, special, or other regular periodic assessments or charges, such assessment to be fixed, established and collected from time to time as hereinafter provided. The regular and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be the personal obligation of the person who was the Owner of such property at the time such assessment was levied. The obligation shall remain a lien on the property until paid or foreclosed, but shall not be a personal obligation of successors in title unless expressly assumed by them.

6.2 Nature of Assessments: The assessments levied by the Declarant shall be used exclusively for the improvement and maintenance of the landscaping, irrigation, lighting and signage within the road right-of-ways of Pasco Industrial Park. After consideration of current maintenance costs and future needs, the Declarant may fix a regular flat assessment upon monthly, quarterly, or annual basis. The regular periodic flat charges must be fixed at a uniform rate for all Lots not exempt and may be collected on a monthly, quarterly, or annual basis in the discretion of the Declarant. Such assessment is to be based on the total acreage of a Lot as compared to total acreage within all Lots and Blocks of Pasco Industrial Park, excluding dedicated streets. The landscaping and maintenance assessment for the calendar year _____ shall not exceed \$ _____ per year, per acre, or such fraction thereof per month for the acreage within each Lot. Inflation and increases in material and labor costs in the future are expected to cause increases in this monthly assessment.

6.3 Assessment Dates: All Lots shall be subject to the annual, quarterly, or monthly assessments provided for herein, effective the first day of the month following the month an Owner takes possession of any Lot. The Declarant shall fix the amount of the regular assessment at least thirty (30) days in advance of each assessment period. Written notice of the assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Declarant.

6.4 Remedies for Nonpayment of Assessments: Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the lessor rate of 18% per annum or the high-test rate allowed by law per annum. The Declarant shall file in the office of the County Clerk of Deschutes County, State of Oregon, within thirty (30) days after delinquency, a statement of the amount of any such charges assessment, together with interest, which have become delinquent, with respect to any Lot and said property, and upon payment in full thereof, shall execute and file a proper release of the lien securing the same. The aggregate amount of such assessments, together with interest, costs and expenses and a reasonable attorney's fee for the filing and enforcement thereof, shall constitute a lien on the Lot, with respect to which it is fixed from the date the note of delinquency thereof is filed in the office of the County Clerk, until the same has been paid or released as herein provided. Such lien may be enforced by the Declarant in the manner provided by law with respect to liens upon real property, as provided in ORS Chapter 50. The Owner of said property at the time said assessment is levied shall be personally liable for the expenses, costs and disbursements including reasonable attorney's fees of the Declarant of processing and, if necessary enforcing such liens, all of which expense, costs and disbursements and attorney's fees shall be secured by said lien, including fees on appeal, and such Owner at the time such assessment is levied, shall also be liable for any deficiency remaining unpaid after any foreclosure sale. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of his Lot.

6.5 Subordination of the Lien to Mortgages: The lien of the assessments provided for herein shall be inferior, junior and subordinate to the lien of any first mortgages and trust deeds now or hereafter placed upon said property or any part thereof. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or trust deed, pursuant to a judgment of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to amounts thereof which became due prior to such sale or transfer, and such lien shall attach to the net proceeds of sale, if any, remaining after such mortgages and other prior liens and charges have been satisfied. No sale or transfer shall relieve such Lot from liability or any assessments thereafter becoming due or from the lien thereof.

Section 7. Pasco Industrial Park.

7.1 Declarant's Control: Declarant shall exclusively exercise all architectural, landscaping, signing, and lighting controls as well as those other duties prescribed under this Declaration, including but not limited to assessments, so long as Declarant holds an interest in Pasco Industrial Park or until Declarant elects to terminate its interest in Pasco Industrial Park as set forth in Paragraph 7.2 below (whichever occurs first). For purposes of this Declaration, Declarant shall be deemed to hold an interest in Pasco Industrial Park if either of the following conditions is met:

(A) Declarant holds title to any Lot in Pasco Industrial Park, or

(B) Declarant elects to exercise architectural, landscaping, signing and lighting controls over any Lot within Pasco Industrial Park or elects to exercise any other duties under this Declaration, even though Declarant does not hold title to any Lot within Pasco Industrial Park.

7.2 Termination of Declarant's Interest: Paragraph 7.1 notwithstanding, Declarant's interest in the Pasco Industrial Park shall terminate at such time that a certificate of occupancy has been issued by the City of Redmond for the use and occupancy of a permanent building, structure or facility on each Lot within Pasco Industrial Park. In addition, Declarant reserves the right to terminate its interest in Pasco Industrial Park at any time. At such time that Declarant's interest in Pasco Industrial Park is terminated (whether voluntarily or involuntarily), Declarant shall cause to be recorded in the Official Records of Deschutes County, Oregon a declaration stating that Declarant no longer holds any interest nor desires to exercise any further controls over development in Pasco Industrial Park. Copies of such declaration shall be provided to each Owner of a Lot within the Pasco Industrial Park contemporaneously with recordation of the declaration. Recordation of such declaration shall formally terminate Declarant's interest in the Pasco Industrial Park and all rights of architectural, landscaping, signing and lighting controls, as well as any other duties of Declarant under this Declaration (except for those duties prescribed by Paragraph 7.4 below).

7.3 Formation of PIPOC: Upon formal termination of Declarant's interest in Pasco Industrial Park, Declarant shall form an Oregon non-profit organization called the Pasco Industrial Park Owner's Committee (PIPOC). PIPOC shall be governed by a board of directors. PIPOC shall succeed to all powers, responsibilities and right of Declarant under this Declaration, except those reserved by Declarant.

7.4 Organization of PIPOC

(A) Within 30 days after the commencement date of PIPOC the initial board of directors for PIPOC shall be elected. Persons eligible for the initial PIPOC board of directors shall be limited to directors, officers, employees, agents, Owners or partners of any corporation, partnership, joint venture or proprietorship owning any Lot within the Pasco Industrial Park. Declarant shall solicit from, and then circulate to all Lot Owners, a list of nominees for the initial board of directors' positions within the 30-day PIPOC organizational period. Declarant shall then conduct an election of the initial board of directors. The five nominees obtaining the five highest vote totals shall constitute the initial board of directors.

(B) The total number of votes entitled to be cast for each PIPOC director's position shall be based upon the total number of Lots of Pasco Industrial Park, excluding dedicated streets. Each Lot Owner shall have the right to cast one vote for each Lot owned. The initial board of directors of PIPOC shall meet within ten (10) days after their election and may at that time adopt any governing documents, including bylaws, guidelines, procedures, or rules and regulations, relating PIPOC and the Pasco Industrial Park.

7.5 Failure to Organize: In the event Declarant is unsuccessful in organizing the board of directors of PIPOC within the 30-day organizational period specified by Paragraph 7.4 above, Declarant shall have no further responsibilities relating to PIPOC and the PIPOC board of directors shall be organized exclusively by the Owners of Lots within Pasco Industrial Park. Such failure of organization of the PIPOC board of directors shall not affect the existence of PIPOC or the effectiveness of the Declaration.

Section 8. Duration and Amendment of this Declaration.

8.1 Duration: The Covenants, Conditions and Restrictions of Pasco Industrial Park shall continue in full force and effect at all times with respect to all property, and each part thereof, now or hereafter made subject thereto (subject however to the right to amend and repeal as provided for herein) for a period of thirty (30) years from the date this Declaration is recorded. However, unless within one (1) year from the date of said termination, there shall be recorded an instrument directing the termination of this Declaration signed by Owners of not less than two-thirds (2/3) of the property then subject to this Declaration, based on the number of Lots subject to these Restrictions (excluding dedicated streets) this Declaration, as in effect immediately prior to the expiration date, shall be continued automatically without further notice for an additional period often (10) years and thereafter for successive periods of ten (10) years unless within one year prior to the expiration of such period the Covenants, Conditions and Restrictions for Pasco Industrial Park are terminated as set forth above in this Section.

12 - Declaration of Covenants, Conditions and Restrictions for Pasco Industrial Park

8.2 Amendment: This Declaration or any provisions thereof, or any Covenant, Condition or Restriction contained herein, may be terminated, extended, modified or amended, as to the whole of said property or any part thereof with a written consent of the Owners of two thirds (2/3) of the property subject to these Restrictions based on the number of Lots owned as compared to the total number of Lots subject to these Restrictions (excluding dedicated streets). Provided, however, that as long as Declarant owns at least twenty-five percent (25%) of the property subject to these Restrictions, no such termination, extension, modification or amendment shall be effective without the written approval of Declarant. Provided, further, that the provisions of Sections 4 and 5 hereof shall inure to the benefit of and be enforceable solely by Declarant without the consent of any other Owner, person or entity and shall not give any third party any right or cause of action on account of the terms of this Declaration.

8.3 Recordation: Any amendment, deletion or repeal of this Declaration shall not become effective until recorded in the Official Records of Deschutes County, Oregon.

Section 9. Enforcement.

9.1 This Declaration shall be specifically enforceable by Declarant or by any Owner of any Lot in the Pasco Industrial Park. Any breach of this Declaration, shall subject the breaching party to any and all legal remedies, including damages or the destruction, removal or the enjoining of any offending improvements or condition.

9.2 In the event that legal suit or legal action is instituted for the enforcement of this Declaration or for any remedy for the breach of this Declaration, the prevailing party shall recover that party's reasonable attorney fees incurred in such suit or action (or any appeal therefrom) as adjusted by the trial or appellate court.

9.3 Non-qualifying Improvements and Violation of General Protective Covenants: In the event any Owner constructs or permits to be constructed on such Owner's Lot and improvement contrary to the provisions of this Declaration, or causes or permits any improvement, activity, condition or nuisance contrary to the provisions of this Declaration to remain uncorrected or unabated on such Owner's Lot, then the Declarant may notify the Owner in writing of any such specific violations of this Declaration and may require the Owner to remedy or abate the same in order to bring the Owner's Lot, the improvements thereon, and the Owner's use thereof, into conformance with this Declaration. If the Owner is unable, unwilling or refuses to comply with the Declarant's specific directives for the remedy or abatement, or the Owner and Declarant cannot agree to mutually acceptable solution within the framework and intent of this Declaration, after notice and opportunity to be heard and within sixty (60) days of written notice to the Owner, then the Declarant shall have, in addition to any other rights or remedies provided in this Declaration, at law or in equity, the right to do any or all of the following:

13 - Declaration of Covenants, Conditions and Restrictions for Pasco Industrial Park

(A) Fines. Impose reasonable fines against such Owner in the manner and amount the Declarant deems appropriate in relation to the violation.

(B) Remove Cause of Violation. Enter onto the offending Lot, without being subject to any trespass, conversion or any other claim for damages, and remove the cause of such violation or alter, repair or change the item which is in violation of the Declaration in such a manner as to make it conform thereto, in which case the Declarant may assess such Owner for the entire cost of the work done.

(C) Suit or Action. Bring suit or action against the Owner on behalf of the Declarant and other Owners to enforce this Declaration.

(D) Interest, Expenses and Attorneys' Fees. Any amount not paid to the Declarant when due in accordance with this Declaration shall bear interest from the due date until paid at a rate three percentage points per annum above the prevailing Portland, Oregon prime rate at the time, or such other rate as may be established by the Declarant, but not to exceed the lawful rate of interest under the laws of the State of Oregon. A late charge may be charged for each delinquent assessment in an amount established from time to time by resolution of the Declarant, not to exceed thirty percent (30%) of such assessment. In the event the Declarant shall file a notice of lien, the lien amount shall also include the recording fees associated with filing the notice, and a fee for preparing the notice of lien established from time to time by resolution of the Declarant.

9.4 Attorney Fees: In the event the Declarant and/or Owners Committee shall bring any suit or action to enforce this Declaration, or to collect any money due hereunder to foreclose a lien, the Owner-defendant shall pay to the Declarant and/or Owners Committee all costs and expenses incurred by it in connection with such suit or action including a foreclosure title report, and the prevailing party in such suit or action shall recover such amount as the court may determine to be reasonable as attorneys' fees at trial and upon any appeal or petition for review thereof.

Section 10. Effect of Declaration.

The Covenants, Conditions and Restrictions of this Declaration shall run with the land included in Pasco Industrial Park and shall bind, benefit and burden each Lot in Pasco Industrial Park, including any additions thereto. The terms of this Declaration shall inure to the benefit and shall bind Declarant, all successors and assigns of Declarant and all Owners of any Lot in Pasco Industrial Park, their successors, assigns, heirs, administrators, executors, mortgagees, lessees, invitees or any other party claiming or deriving any right, title or interest or use in or to any real property in the Pasco Industrial Park. The use restrictions and regulations set forth in Section 4 and Section 5 of this Declaration shall be binding upon all Owners, lessees, licensees, occupants and users of the property known as Pasco Industrial Park and their successors in interest as set forth in this Declaration, including any person who holds such interest as security for the payment of an obligation including any mortgages or other security holder in actual possession of any Lot by foreclosure or otherwise and any other person taking title from such security holder.
