## ARTICLE VI

### COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants for all of said Property, each Owner of any Lot by acceptance of a deed or contract of purchase therefor, whether or not it shall be so expressed in any such deed or other conveyance or agreement for conveyance, is deemed to covenant and agree to pay to the Association: (1) Regular annual or other regular periodic assessments or charges, provide, however, that Declarant is exempt from any assessment until ninety percent (90) of the Lots have been sold, and (2) Special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time such assessment was levied. The obligation shall remain a lien on the property until paid or foreclosed, but shall not be a personal obligation of successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the improvement and maintenance of the Common Area and the payment of taxes and insurance on all or any part of the Common Area.

Section 3. Annual Assessments. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix a regular flat assessment upon a monthly, quarterly, or annual basis. Any annual assessment paid within 30 days of the date billed shall be entitled to a three percent discount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying in whole or in part the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that, except for repairs or replacements, any such assessment for structural alterations, capital additions or capital improvements reflecting an expenditure in excess of \$500 shall require the assent of a two-thirds (2/3) majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting.

Section 5. Uniform Rate of Assessment. Both regular periodic flat charges and any special assessments must be fixed at a uniform rate for all Lots not exempt and may be collected on an annual, quarterly, or monthly basis in the discretion of the Directors.

Section 6. Quorum For Any Action Authorized Under Sections 3 and 4. At the meeting called, as provided in Section 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice of requirement set forth in Sections 3 and 4, and the required quorum at such subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the date of the meeting at which no quorum was forthcoming.

Section 7. All Lots not exempt shall be subject to the annual or monthly assessments provided for herein on the date specified by the Board of Directors. Any proposed increases in annual assessment must have the approval of not less than sixty-six and two-thirds percent (66 - 2/3%) of the membership, voting either in person, by proxy, or by ballot at the annual meeting. Written notice of the assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. When Declarant has sold ninety percent (90%) of the Lots it shall advise the Association in writing.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of six percent (6%) per annum. The Secretary of the said Association shall file in the office of the Director of Records, County Clerk or appropriate recorder of conveyances of Deschutes County, state of Oregon, within thirty (30) days after delinquency, a statement of the amount of any such charges or assessments, together with interest as aforesaid, which have become delinquent with respect to any Lot on said property, and upon payment in full thereof, shall execute and file a proper release of the lien securing the same. The aggregate amount of such assessments, together with interest, costs and expenses and a reasonable attorney's fee for the filing and enforcement thereof, shall constitute a lien on the Lot, with respect to which it is fixed from the date the note of delinquency thereof is filed in the office of said Director of Records or County Clerk, or other appropriate recording office, until the same has been paid or released as herein provided. Such a lien may be enforced by said Association in the manner provided by law with respect to liens upon real property. The owner of said property at the time said assessment is levied shall be personally liable for the expenses, costs and disbursements, including reasonable attorney's fees of the Declarant or of the Association, as the case may be, of processing and, if necessary, enforcing such liens, all of which expense, costs and disbursements and attorney's fees shall be secured by said lien, including fees on appeal, and such Owner at the time such assessment is levied, shall also be liable for any deficiency remaining unpaid after any foreclosure sale. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his dwelling unit, Lot or building site.

Section 9. Subordination of the lien to Mortgages. The lien of the assessments provided for herein shall be inferior, junior and subordinate to the lien of all mortgages and trust deeds now or hereafter placed upon said property or any part thereof. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which subject to any mortgage or trust deed, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to amounts thereof which became due prior to such sale or transfer; and such lien shall attach to the net proceeds of sale, if any, remaining after such mortgages and other prior liens and charges have been satisfied. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
