In order to facilitate an orderly transition, during the three-month period following the Turnover Meeting, the Declarant or an informed representative shall be available to meet with the Board on at least three mutually acceptable dates to review the documents delivered pursuant to this Section 2.4. Not later than ninety (90) days after the Turnover Meeting, the Association shall provide Declarant with an estoppel certificate (i) certifying that Declarant has satisfied all of its obligations owed to the Association, including, without limitation, any obligations arising out of or related to this Declaration, or (ii) identifying with specificity the extent to which any such obligations remain unsatisfied.

Section 2.5 Transitional Advisory Committee

Subject to the terms of this Article II, the Declarant hereby covenants for each Lot owned within the Property, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (i) annual or periodic assessments or charges; and (ii) special assessments for capital improvements to the Common Areas and Common Maintenance Areas, such assessments to be established and collected as hereinafter provided. The annual or periodic assessments shall include any reserve assessments necessary to establish and maintain any reserve funds created under Section 2.10. Such assessments will remain effective for the full term (and extended term, if applicable) of this Declaration. The annual and special and other assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot(s) at the time when the assessment fell due.

Section 2.7 Annual Assessment or Charge for Lots

Subject to the terms of this Article, each Lot is hereby subject to an assessment in an amount not to exceed an amount determined by the Board (until such assessment charge shall be modified as provided in the Bylaws of the Association), for the purpose of creating a fund to be designated and known as the "maintenance fund" for matters described under Section 2.9, the "reserve fund" for matters described under Section 2.10, as well as any other funds contemplated under this Declaration, or any other fund called for by this Declaration or a Declaration of Annexation. Charges and assessments for funding such funds will be paid by the Owner or Owners of each such Lot in advance in monthly, quarterly or annual installments, commencing as provided in this Section 2.7. The rate at which each Lot will be assessed, and whether such assessment shall be payable monthly, quarterly or annually, will be determined by the Board at least thirty (30) days in advance of each assessment period. Said rate may be adjusted from time to time by the Board as the needs of the Association may, in the judgment of the Board, require. The annual assessment (excluding additional assessments pursuant to Section 2.13 and/or Section 2.15) for each Lot shall be uniform except as specifically provided herein or as provided in any Declaration of Annexation for Awbrey Park. The Association shall, upon written demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether or not the assessment for a particular Lot has been paid for a particular assessment period. No Lot Owner shall have any right to any common profits of the Association. All Lots in a Phase (including those owned by Declarant) become subject to assessment on the day the first Lot in that Phase is conveyed to an Owner other than Declarant. Notwithstanding any other terms contained herein, the Declarant shall have the right to abate or pro-rate annual assessments for Lots sold prior to the date on which all intended subdivision improvements and/or improvements to Common Maintenance Areas are completed, all in Declarant's reasonable discretion.

Section 2.8 Declarant Responsibility

So long as there is Class B membership, Declarant hereby covenants and agrees that in the event that the annual maintenance fund revenues are insufficient to pay the operating expenses of the Association, it shall provide the funds necessary to make up the deficit, within thirty (30) days of receipt of request for payment thereof from the Association, provided that if the deficit is the result of the failure or refusal of an Owner or Owners to pay their annual maintenance assessments, the Association shall diligently pursue all available remedies against such defaulting Owners, including the immediate institution of litigation to recover the unpaid assessments, and shall reimburse the Declarant the amounts, if any, so collected.

Section 2.9 Establishment of Maintenance Fund

The Association shall establish a maintenance fund composed of annual maintenance assessments and shall use the proceeds of such fund in providing for the operating expenses and normal, recurring maintenance expenses of the Association. Those items to be funded by such assessments may include, by way of clarification and not limitation, any and all of those items listed in Section 3.2.

Section 2.10 Reserve Funds

A. Reserve Fund for Replacing Common Maintenance Areas.

Declarant shall in addition establish a reserve fund in the name of the Association for replacement, in whole or in part, of the Common Areas and any Improvements located in, on, or under the Common Maintenance Area for which the Association is responsible pursuant to this Declaration, that will normally require replacement in more than three (3) and fewer than thirty (30) years, including exterior painting, if any. The reserve account need not include those items that could reasonably be funded from the maintenance fund. Declarant may elect to defer payment of accrued assessments for reserves for a Lot owned by Declarant until the date the Lot is conveyed; provided, however, the Declarant may not defer such payment beyond the date of the Turnover Meeting. The book and records of the Association shall reflect the amount owing from the Declarant for all reserve assessments. For purposes of funding the reserve fund, the Association shall impose an assessment to be called the "Reserve Fund Assessment" against each Lot, which assessment shall be spread equally over the Lots. The reserve fund shall be kept separate from other funds and may be used only for the purposes for which reserves have been established as specified in this Section. However, after the Turnover Meeting (as required by ORS 94.616 or applicable successor provisions), if the Board has adopted a resolution, which may be an annual continuing resolution, authorizing the borrowing of funds, the Board may borrow funds from the reserve account to meet high seasonal demands on the regular operating funds or to meet unexpected increases in expenses. Not later than the adoption of the budget for the following year, the Board shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period. The Association shall administer the reserve fund and shall make periodic payments into the account. The Board shall set future assessments for the reserve fund annually. Any funds established for any of the purposes

mentioned in this Section shall be deemed to be a reserve fund notwithstanding that it may not be so designated by the Board. The amount of the reserve fund shall constitute an asset of the Association and shall not be refunded or distributed to any Owner. The reserve portion of the initial assessment determined by the Declarant shall be based upon the initial reserve study described in Section 2.10.B.a, or other sources of reliable information.

B. Reserve Study.

a) Prior to conveying the first Lot, the Declarant shall conduct an initial reserve study, which shall comply with the requirements for reserve studies set forth in Section 2.10.B.b. below and applicable law.

b) The Board shall annually commission or conduct a reserve study, or review and update an existing study, to determine the reserve fund account requirements and may adjust the amount of payments as indicated by the study or update and provide for other reserve items that the Board, in its discretion, may deem appropriate. The reserve study shall include (a) identification of all items for which reserves are required to be established; (b) the estimated remaining useful life of each item as of the date of the reserve study; (c) the estimated cost of maintenance, repair, or replacement of each item at the end of its useful life; and (d) a thirty (30) year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on the reserve fund, to meet the maintenance, repair, and replacement schedule.

Section 2.11 Non-payment of Assessments: Remedies of the Association

Any assessment not paid within ten (10) days after the due date shall bear interest from the due date at the rate set by the Board by resolution from time to time but in no event greater than the highest rate of interest allowed by Oregon law at the time of the non-payment. The Association shall have the authority to impose late charges to compensate for the administrative, legal (if any) and processing costs of late payments on such terms as it may establish by duly adopted resolutions, and the Association may bring an action at law against the Owner personally obligated to pay the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Maintenance Area or abandonment of Owner's Lot and/or Unit.

Section 2.12 Subordinated Lien to Secure Payment and Other Obligations

To secure the payment of the maintenance charge and all other assessments (including for reserves) established hereby and to be levied on individual Lots as provided in this Article II and all other obligations of a Lot Owner under this Declaration, there is hereby reserved a lien for the benefit of the Association on each Lot, said lien to be enforceable through appropriate proceedings at law or in equity by such beneficiary; provided, however, that each such lien shall be specifically made secondary, subordinate and inferior to any prior recorded deed of trust securing payment for the subject Lot and/or the Unit on such Lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any Lot upon

which there is an outstanding valid and subsisting first mortgage lien, the Association shall give the holder of such first mortgage lien sixty (60) days written notice of such proposed action, such notice, which shall be sent to the nearest office of such first mortgage lien holder by prepaid U.S. registered mail, to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such first mortgage lien holder, the Association shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof. The provisions of ORS 94.709 (or applicable successor provisions) shall apply to the Association's lien. Sale or transfer of a Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments that became due before such sale or transfer. No sale, foreclosure or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. No sale, foreclosure or transfer shall extinguish the personal obligation of the Owner who owned the Lot at the time the delinquent assessment and/or payment became due. The lien described herein shall include not just assessments but also interest, late charges, attorneys' fees, costs or other amounts imposed hereunder or under the Bylaws, regardless of whether the same are characterized as assessments.

Section 2.13 Additional Assessments

In addition to the periodic assessments described in this Article II, the Association shall have the authority to assess an Owner's Lot(s) for costs and expenses incurred by the Association for corrective action that is required as a result of the willful or negligent actions or omissions of such Owner or such Owner's family members, tenants, guests, contractors or invitees, including, without limitation, a breach of this Declaration. Each such additional assessment, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land, a continuing lien upon the Lot, and the personal obligation of the Owner in the manner described in Section 2.6 for annual and special assessments.

Section 2.14 Reallocation Upon Annexation of Property

If additional property is annexed to the Property, the Association shall, within sixty (60) days after the annexation, recompute the budget based upon the additional Lots and Common Areas and Common Maintenance Areas and recompute all applicable assessments for each Lot. New Lots shall be subject to assessment from the time of annexation of such Lots to the Property. The Association shall send notice of any applicable assessment to the Owners of new Lots not later than sixty (60) days after the annexation or with the next occurring annual assessment, whichever is sooner. Assessments shall be due and payable on or before a date set forth in the notice which shall be not less than thirty (30) days after the date the notice is mailed or at such other time or times as the Association may specify in the notice in accordance with this Declaration or the Bylaws. If additional property is annexed to the planned community of Awbrey Park during the Association's fiscal year, the Association shall send notice of and shall collect adjustments to assessments for Lots that were within the Property prior to the annexation. Notice of the adjustment in the assessments shall be sent to such Owners not later than sixty (60)

days after the annexation or with the next occurring annual assessment, whichever is sooner. To the extent that any adjustment results in a credit with respect to assessments payable by an Owner, such credit shall be applied toward the next occurring payment or payments of the applicable assessment.

Section 2.15 Association Maintenance Standards

The Association shall maintain the Common Maintenance Areas to such standards as the Board may establish from time to time in its sole and absolute discretion.

Section 2.16 Professional Management

The Association may be professionally managed. In the event that the Board or the Owners elect to use a professional manager, the same shall be selected and hired by the Association Board. After the Turnover Meeting, the Board shall not engage any professional manager if any member of the Board has any financial (whether direct or indirect) or familial relationship with such manager unless such member (the "Interested Member") has disclosed the relationship and a majority of the Board other than the Interested Member has approved the contract. As used herein, familial relationship shall mean and include the following (whether natural or adopted): spouses, parents (including in-laws), siblings (including in-laws), children, grandparents, grandchildren, aunts, uncles, nieces, nephews, and first cousins. If a professional manager is engaged, the Board shall annually review the scope of and compensation provided by, the management contract.

ARTICLE III - GENERAL POWERS AND DUTIES OF BOARD OF DIRECTORS

Section 3.1 Interim Board

Declarant shall have the right to appoint an interim board of three (3) directors, who shall serve as the Board until replaced by Declarant or until their successors have been elected by the Owners at the Turnover Meeting.

Section 3.2 Purpose of Maintenance Fund

The Board, for the benefit of the Owners, shall provide and shall pay for out of the maintenance fund provided for in Article II above the following:

The services of a professional person or management firm to manage the Association or any separate portion thereof to the extent deemed advisable by the Board, and the services of such other personnel as the Board shall determine to be necessary or proper for the operation of the Association, whether such personnel are employed directly by the Board or by the manager; provided that a management agreement entered into prior to the Turnover Meeting shall not have a term in excess of three (3) years and shall be terminable without penalty if the Board gives not less than thirty (30) days written notice of termination to the other party not later than sixty (60) days after the Turnover Meeting. The management agreement may provide that if it is not terminated as provided in the foregoing sentence, it will renew automatically for successive one-year periods, until terminated by either party (i) without cause, effective as of the next scheduled renewal date, by providing not less than thirty (30) days' written notice to the other party; or (ii) with cause, effective upon the date of written notice, by providing such notice to the other party;

G. Legal and accounting services for the benefit of the Association or otherwise deemed necessary by the Board, including, without limitation, payment of all legal and other expenses incurred in connection with the enforcement of all recorded covenants, restrictions and conditions affecting the Property;

H. Payment of all reasonable and necessary expenses in connection with the collection and administration of assessments and Association funds;

I. A policy or policies of insurance insuring the Association and/or its Board and officers against any liability to the public or to the Owners (and/or invitees or tenants) incident to the operation of the Association in any amount or amounts as determined by the Board, including a policy or policies of insurance as provided in Article IV;

J. Workers compensation insurance to the extent necessary to comply with any applicable laws;

K. Such fidelity bonds as may be required by the Bylaws or as the Board may determine to be advisable; and

Any other materials, supplies, insurance, furniture, labor, services, maintenance, repairs, structural alterations, taxes, assessments, fees or costs, which (i) the Board is required to obtain or pay for pursuant to the terms of this Declaration or by law; (ii) are necessary to fulfill the obligations of the Association hereunder; (iii) in the Board's opinion shall be necessary or proper for the enforcement of this Declaration; (iv) are necessary or desirable in the opinion of the Board to keep the Property neat and in good order; or (v) the Board considers to be of general benefit to the Owners or occupants of the Property.

The judgment of the Board in the expenditure of funds and what constitutes a proper expense under Section 2.9 and this Section 3.2 shall be final and conclusive so long as such judgment is exercised in good faith.

Section 3.3 Powers and Duties of Board

The Board, for the benefit of the Owners, shall have the following general powers and duties, in addition to the specific powers and duties provided for herein and in the Bylaws of the Association and the powers and duties of a non-profit corporation pursuant to the Oregon Nonprofit Corporation Act and a homeowners association pursuant to ORS 94.630:

F. Within ninety (90) days after the end of the fiscal year, the Board shall prepare or cause to be prepared an annual financial statement consisting of a balance sheet and income and expenses statement for the preceding fiscal year and distribute a copy of such financial statement to each Owner and, upon written request, to any mortgagee of a Lot.

H. To adjust the amount, collect and use any insurance proceeds to repair damage or replace lost property, and if proceeds are insufficient to repair damage or replace lost property, to assess the Owners in proportionate amounts to cover the deficiency.

Such contracts may be with any Owner or other person or entity and shall be upon such terms and conditions and for such consideration as the Board may deem proper, advisable and in the best interest of the Association. Without limiting the generality of the foregoing and by way of example, the Association may contract to resurface an Owner's driveway at the same time as the Association is completing road projects on Common Maintenance Areas.

Section 3.6 Indemnification

The Association shall indemnify every officer, director, or member of a committee established under the Bylaws against all expenses, including attorneys' fees and costs, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the Board) to which he or she may be a party by reason of being or having been an officer, director, or committee member. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as an expense funded by maintenance assessments, maintain adequate officers' and directors' liability insurance to fund this obligation.

ARTICLE IV - COMMON MAINTENANCE AREAS

Section 4.1 Improvements

The Declarant has or will construct the following Improvements to the Common Maintenance Areas (which shall become Common Maintenance Areas upon completion): Entry monument(s), including landscaping, irrigation and lighting; landscaping, irrigation, street lighting, street signs and mail station(s) within street rights of way; and some ornamental lighting on roads and Common Areas. The foregoing shall not be construed so as to require that such Improvements be built to any specified design or other standards, except applicable Deschutes County or State of Oregon codes and requirements. Notwithstanding the foregoing, the Declarant does not choose to limit its right to add Improvements not described in this Declaration to the planned community of Awbrey Park, whether on Common Maintenance Areas or not.

Section 4.2 Association to Hold

Declarant shall convey the Common Areas to the Association, free and clear of financial liens and encumbrances not later than the Turnover Meeting. The Association shall own all Common Areas in fee simple and assume all maintenance obligations with respect to any Common Maintenance Areas, including any Common Areas that may be hereafter established. Nothing contained herein shall create an obligation on the part of Declarant to establish any Common Area. Following the conveyance of the Common Areas to the Association, the dedication, mortgage, or conveyance of any Common Areas shall require the affirmative vote of at least seventy five percent (75%) of the outstanding votes.

Section 4.3 Liability Insurance; Casualty Insurance

From on and after the date on which title to or responsibility for any Common Areas or Common Maintenance Areas vests in the Association, the Association shall purchase and carry (i) insurance for all insurable improvements in the Common Maintenance Areas against loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief, which insurance shall cover the full replacements costs of any repair or reconstruction in the event of damage or destruction from any such hazard if the insurance is available at reasonable cost; and (ii) a general comprehensive public liability insurance policy for the benefit of the Association, covering occurrences on the Common Areas and in the Common Maintenance Areas and all damage or injury caused by the negligence of the Association, which policy limits shall be as determined by the Board of the Association, but shall include public liability insurance of at least One Million Dollars (\$1,000,000.00) per occurrence. The Association shall use its best efforts to see that such policy shall contain, if available, cross-liability endorsements or other appropriate provisions for the benefit of the Board, the Owners and other insureds, as their interests may be determined by the Board, ensuring all against liability to each other insured as well as third parties. Any proceeds of insurance policies owned by the Association shall be received, held in a segregated account and distributed to all interested parties, as their interests may be determined. The insurance coverage obtained and

maintained by the Association may not be brought into contribution with insurance bought by Owners or their mortgagees.

Section 4.4 Condemnation

If there is a condemnation or a sale in lieu thereof of all or any portion of the Common Areas, the Association shall represent the Owners in negotiations with the condemning authority. The funds payable with respect thereto shall be payable to the Association and shall be used by the Association to purchase additional Common Areas to replace that which has been condemned or to take whatever steps it deems reasonably necessary to repair or correct any damage suffered as a result of the condemnation. If the Board of Directors of the Association determines that the funds cannot be used in such a manner due to the lack of available land for additional Common Areas or for whatever reason, any remaining funds may be distributed to each Owner based on an equal amount per Lot.

Section 4.5 Maintenance of Common Maintenance Areas

The Association will permanently maintain, repair and replace as necessary:

- A. All Common Maintenance Areas (including Common Areas);
- B. The Improvements installed pursuant to Section 4.1, to the extent the same benefit the Association and/or the Owners; and
- C. Association irrigation lines.

Section 4.6 Prohibited Activities

Neither the Association nor any Owner shall conduct any of the following activities within any Common Maintenance Area or any Common Area: i) the removal of any tree without the written approval of the Architectural Review Committee and the written opinion of a certified Arborist that the tree is diseased and will not survive, or that the tree poses a substantial threat of property damage or personal injury; ii) the removal of any other vegetation without the written consent of the ARC; iii) the modification, grading, excavation, filling or other activities which would alter the topography or vegetative cover of any Common Maintenance Area or Common Area without the written consent of the ARC; v) the disposal or placement of any debris, refuse, soil, rock, landscape debris or other deleterious materials; vi) parking, storage, repair, or disposal of any motor vehicle; and vii) motor vehicle access (except on roads or roadways or as may be necessary for repairs or maintenance approved by the Board or in conjunction with maintenance of utilities).

ARTICLE V - ARCHITECTURAL REVIEW

Section 5.1 Architectural Review Committee

A committee to be known as the Architectural Review Committee (the "ARC") shall be established consisting of the number of members as determined by the Board, except that the ARC shall consist of not less than three (3) members. ARC members need not be members of the Association.

A. The members of the ARC shall be appointed, terminated and/or replaced by the Declarant until the earlier to occur of the following: (i) the date of expiration of the Initial Term of this Declaration; or (ii) the date on which Declarant records an instrument in the real property records of Deschutes County stating that it is turning over control of architectural review, including appointment of ARC members, to the Association, which shall occur no earlier than the date of the Turnover Meeting, but which may occur later than the date of the Turnover Meeting. Thereafter the Board shall appoint the members of the ARC. After Declarant has turned over control of architectural review, members of the ARC may be terminated and/or replaced by the Board with or without cause. Individuals may serve as members of the Board and members of the ARC simultaneously.

B. The purpose of the ARC is to enforce the architectural and design standards of the community and to approve or disapprove plans for Improvements proposed for the Lots.

C. The ARC shall act by simple majority vote, and shall have the authority to delegate its duties or to retain the services of a professional engineer, architect, designer, inspector or other person to assist in the performance of its duties; provided, however, if the costs of a professional engaged by the ARC is to be borne by a particular Owner whose plans are being reviewed, the Owner shall first be apprised in writing of the estimated costs thereof.

D. The ARC shall establish an appeal procedure from time to time, but after exhaustion of such appeal(s), the decision of the ARC shall be final. In no event may an ARC decision be appealed to the Board.

E. No approval of the ARC required hereunder shall be valid unless and until the same is granted in writing.

Section 5.2 Architectural Guidelines

Subject to the terms of this Section 5.2, the Board has adopted and may, from time to time, amend, modify, or revise the Awbrey Park Architectural Rules and Design Guidelines. Amendments, modifications, or revisions to the Guidelines may be made by the Declarant, without the consent of anyone, prior to the date on which Declarant turns over control of the Architectural Review Committee pursuant to Section 5.1.A. Thereafter the ARC shall have the

right to amend, modify, or revise the Guidelines, subject to the approval of the Board. No such amendments, modifications, or revisions shall affect any prior ARC approval.

Section 5.3 Scope of Review

No building, fence, wall, patio, deck, outbuilding, landscaping, pool, athletic facility or other structure or Improvement shall be erected, altered or added onto or repaired upon any portion of the Property without the prior written consent of the ARC, provided however, that all Improvements erected, altered, added onto or repaired by Declarant shall be exempt from the provisions of this Article V. The Guidelines shall include restrictions on, and ARC review shall include a review of, materials, colors, design, location and such other items as the ARC shall determine from time to time in its sole discretion.

Section 5.4 Submission of Plans

Before the initiation of construction upon any Lot (including material changes to landscaping), the Owner thereof shall first submit to the ARC a complete set of plans and specifications for the proposed Improvements, including site plans, grading plans, landscape plans, floor plans depicting room sizes and layouts, exterior elevations, specifications of materials and exterior colors, and any other information deemed necessary by the ARC for the performance of its function pursuant to the procedure outlined in the Guidelines (if any). In addition, the Owner shall submit the identity of the individual or company intended to perform the work and projected commencement and completion dates and funds in the amount of the applicable review fee. The review fee schedule shall be established by the ARC from time to time and shall set forth the review fee for various review/approval requests. The ARC shall have the right from time to time to amend such schedule, adjusting the fee amounts. The Association's Board shall have the authority to disapprove any fees that it deems unreasonable. The ARC may, in its discretion, require a two-step review process, whereby conceptual drawings are submitted and reviewed first. After approval of the conceptual plans, the Owner would submit the more technical plans required by this Section 5.4. The process for ARC review shall be set forth in the Architectural Guidelines promulgated by the ARC from time to time.

Section 5.5 Plan Review

Upon receipt by the ARC of all of the information required by this Article V, it shall have twenty-one (21) days in which to review said plans. The proposed Improvements will be approved if, in the sole opinion of the ARC: (i) the Improvements will be of an architectural style and material compatible with the other structures in the Property; (ii) the Improvements will not violate any restrictive covenant or encroach upon any easement or cross building setback lines; (iii) the Improvements will not result in the reduction in property value, use or enjoyment of any of the Property; (iv) the individual or company intended to perform the work has provided proof that it is licensed under the laws of the State of Oregon and has procured insurance reasonably acceptable to the ARC; and (v) the Improvements will be substantially completed, including all cleanup, within three (3) months of the date of commencement (twelve (12) months for the construction of a complete house).

Section 5.6 Non-Conforming Structures

If there shall be a material deviation from the approved plans in the completed Improvements, such Improvements shall be in violation of this Article V to the same extent as if erected without prior approval of the ARC unless the Owner subsequently obtains ARC approval for such deviation, which approval may be granted or denied in the ARC's sole discretion. The ARC, the Association or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming structure and, if successful, shall recover from the Owner in violation all costs, expenses and fees incurred in the prosecution thereof, which, if incurred by the Association, shall constitute an assessment against the applicable Lot(s).

Section 5.7 Immunity of ARC Members

No individual member of the ARC shall have any personal liability to any Owner or any other person for the acts or omissions of the ARC if such acts or omissions were committed in good faith and without malice. The Association shall defend any action brought against the ARC or any member thereof arising from acts or omissions of the ARC committed in good faith and without malice.

Section 5.8 Limited Review

Any review and approval made by the ARC is limited to compliance with the intent of the architectural and design standards of the neighborhood as may from time to time be established by the Board and/or the Guidelines. The review and approval made by the ARC is not to be construed as superseding, replacing, or modifying any review, approval, or permit required by any local, state or federal jurisdictional agencies. It is the applicant's responsibility to obtain and comply with any permits that may be required by any local, state, or federal jurisdictional agency. Nor shall any such review or approval by the ARC be deemed an assurance or statement of compliance with any applicable laws, ordinances or regulations.

Section 5.9 Address for Notice

Requests for ARC approval or correspondence with the ARC shall be addressed to Awbrey Park Architectural Review Committee, c/o Owner Relations Department, 296 SW Columbia, Suite A, Bend, Oregon 97702, or such other address as may be designated from time to time by the ARC in a writing addressed to all Owners. No correspondence or request for approval shall be deemed to have been received until actually received by the ARC in a form satisfactory to the ARC.

Section 5.10 Completion of Improvements

Once construction has commenced, each Owner shall have twelve (12) months during which to substantially complete construction, including all cleanup, of the initial Unit and three (3) months thereafter to complete the installation of landscaping on the Lot. ARC approval shall be deemed invalid if construction does not commence on the approved Improvement within

three (3) months of approval or such longer period of time as may be specified by the ARC. The ARC shall have the right to grant extensions for any deadline in this Section 5.10 with respect to any Lot when it deems the same reasonable under the circumstances.

Section 5.11 Unimproved Lot Maintenance

Each Owner shall maintain any vacant Lot he or she owns in a manner consistent with those standards set forth by the ARC for vacant Lots. An Owner who chooses to hold a Lot for future construction may do so provided the Lot is maintained in an attractive and neat condition and safe from fire hazard. If a Lot is not maintained as required by this Section 5.11, the Association shall have the right to perform the necessary maintenance and assess the Lot Owner for such costs.

ARTICLE VI - EASEMENTS

Section 6.1 Utility Easements

As long as the Declarant owns a Lot, the Declarant hereby reserves the right to grant perpetual, nonexclusive easements for the benefit of Declarant or its designees, upon, across, over, through and under any portion of the Common Area for ingress, egress, installation, replacement, repair, maintenance, use and operation of all utility and service lines and service systems, public and private, including, without limitation, cable television. Declarant, for itself and its designees, reserves the right to retain title to any and all pipes, lines, cables or other improvements installed on or in such easements. The Board shall also have the right to grant the easements described herein, subject to the approval of the Declarant so long as Declarant owns a Lot.

Section 6.2 Declarant's Easement to Correct Drainage

Declarant hereby reserves for the benefit of Declarant and any Builder a blanket easement on, over and under the ground within the Property to maintain and correct drainage of surface waters and other erosion controls in order to maintain reasonable standards of health, safety and appearance and shall be entitled to remove trees or vegetation, without liability for replacement or damages, as may be necessary to provide adequate drainage facilities. Notwithstanding the foregoing, nothing herein shall be interpreted to impose any duty upon Declarant or any Builder to correct or maintain any drainage facilities within the Property.

Section 6.3 Easement for Unintentional Encroachment

The Declarant hereby reserves an exclusive easement for the unintentional encroachment by any structure upon the Common Area caused by or resulting from, construction, repair, shifting, settlement or movement of any portion of the Property, which exclusive easement shall exist at all times during the continuance of such encroachment as an easement appurtenant to the encroaching property to the extent of such encroachment.

Section 6.4 Entry Easement

If the Owner of any Lot fails to maintain the Lot as required herein, fails to comply with any requirements hereunder, or if there is an emergency, the Association and/or the ARC shall have the right to enter upon the Lot as provided herein. The Association shall have the right to enter upon the Lot to make emergency repairs without providing advance notice. The Association shall have the right to enter upon the Lot to do other work reasonably necessary for the proper maintenance and operation of the Lot after providing five (5) days' written notice to the Owner. In the event that the failure to comply is related to Article V and/or the Guidelines, the ARC shall have the right to enter upon the Lot to do the work reasonably necessary to bring the Lot into compliance by providing one (1) day written notice to the Owner. In each case that notice is required, such notice may be made by a posting on the front door of the Unit located on the particular Lot. Entry upon the Lot as provided herein shall not be deemed a trespass, and neither the Association nor the ARC shall be liable for any damage so created unless such damage is caused by the Association's or the ARC's willful misconduct or gross negligence.

Section 6.5 Reserved Easements

Easements for installation and maintenance of utilities and/or buffers with adjacent property are reserved as may be shown on the Plat or any replat of the Property. Within these easement areas, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which would violate the terms of the easements as described on the Plat. The easement area of each Lot and all improvements contained therein shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority, utility company or the Association is responsible.

Section 6.6 Temporary Completion Easement

All Lots shall be subject to an easement of ingress and egress for the benefit of the Declarant, its employees, subcontractors, successors and assigns, over and upon the front, side and rear yards of the property as may be expedient or necessary for the construction, servicing and completion of dwellings and landscaping upon Lots adjacent to the property, provided that such easement shall terminate twenty-four (24) months after the date such Lot is conveyed to the Owner by the Declarant.

Section 6.7 Maintenance Easements

An easement is hereby granted and reserved in favor of the Association and its successors, assigns, contractors, property managers, agents and employees over, across and upon the Common Areas and any Common Maintenance Areas or other areas of Awbrey Park necessary or appropriate for purposes of accomplishing the maintenance, repair, replacement or other obligations of the Association hereunder.

ARTICLE VII- USE, OCCUPANCY, CASUALTY, AND INSURANCE

Section 7.1 Residential Use/Rental/Compliance by Invitees

All Lots and Units shall be used only for single-family residential purposes in accordance with, and subject to, the other provisions of this Declaration. No Lot and/or Unit may be sold to or owned by more than four (4) people or entities jointly. In no event shall any Lot and/or Unit be used as a "timeshare" (as that term is defined by Oregon law). No Owner or Owners of any Lot may rent his or her Unit to any person or persons for transient occupancy. As used herein, "transient occupancy" shall mean a period of thirty (30) days or less. Transient use shall not include a rental of any Unit for a period of in excess of thirty (30) consecutive calendar days. Each Owner shall be responsible for compliance by all of such Owner's visitors, tenants or invitees, whether such visitor, tenant or invitee is occupying the Owner's Lot and/or Unit or otherwise visiting or using any portion of the Property, with all provisions of this Declaration, any and all rules and regulations, and all applicable laws.

Section 7.2 Commercial, Institutional, or Other Non-Residential Uses

No commercial, institutional, or other non-residential use (including residential day care facilities) shall be conducted on any Lot without the written approval of the Board. Any such use must comply with applicable law, including, without limitation, zoning requirements. The decision of the Board shall be final and conclusive. The Board may review, and repeal, any such approval from time to time at the discretion of the Board if, in the opinion of the Board, the use has changed or increased to a level not consistent with the original approval. In no event shall the decision of the Board as to permissibility of a requested non-residential use be construed as a representation of the legal permissibility of such use.

Section 7.3 Declarant or Builder Use

The provisions of this Article shall not apply to the use of any Lot or Unit by the Declarant or a Builder, provided such Builder obtains the written approval of Declarant, as i) a model home, sales office, or construction office; or ii) the use of any Lot as a site for a sales office trailer or construction office trailer. Declarant shall not unreasonably withhold approval under this Section 7.3.

Section 7.4 Casualty

In the event of damage to or destruction of a Unit, the Owner of the Unit shall repair, reconstruct, and rebuild the damaged or destroyed portions of the Unit to substantially the same condition that existed prior to the damage or destruction or consistent with such plans and specifications as are approved in accordance with Article V of this Declaration. Alternatively, the Owner shall promptly clear the Lot of all debris and ruins and maintain the Lot consistent with the terms of Section 5.11. All repair, reconstruction, or rebuilding shall begin within six (6) months following the damage or destruction, and shall be diligently pursued to completion within twelve (12) months following the damage or destruction, unless work is delayed by causes

beyond the reasonable control of the Owner. If an Owner fails to timely repair such damage or clear the Lot, the Association shall have all rights of enforcement and remedies set forth under this Declaration. The ARC shall have the right to extend the deadlines contained in this Section 7.4 if it deems the same reasonable under the circumstances; provided, however, in no event may any Owner leave his or her Unit or Lot in a condition that poses a health or safety hazard.

ARTICLE VIII- PROPERTY RIGHTS

Section 8.1 Owner's Use and Occupancy

Except for the easements shown on the Plat and/or granted herein, or as otherwise provided herein, by applicable law or by the terms of any instruments recorded against the applicable Lot, the Owner of a Lot shall be entitled to the exclusive use and benefit of such Lot. Declarant, the ARC and any representative of the Association authorized by the Association may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of determining whether or not the use of and/or Improvements on such Lot are then in compliance with this Declaration; provided however, except in the case of emergency, the Association shall first provide the Owner with five (5) days' prior written notice if entry is to be by the Association or Declarant or one (1) day written notice if entry is to be by the ARC, which notice may be given by posting on the front door of the Unit. No notice shall be required in the case of emergency. No such entry shall be deemed to constitute a trespass, conversion, or otherwise create any right of action in the Owner of such Lot.

Section 8.2 Owners' Easements of Enjoyment

Every Owner shall have a right and easement in and to the Common Areas and a right and easement of ingress and egress to, from and through said Common Areas, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

A. The right of the Association to establish and publish rules and regulations governing Awbrey Park, including use of the Common Areas, affecting the welfare of Association members.

B. The right of the Association (subject to such notice and/or hearing requirements as may be imposed by applicable law) to suspend the right of use of the Common Areas and the voting rights of an Owner for any period during which any assessment against his Lot remains unpaid or during which such Owner is otherwise in material breach hereunder; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations.

C. The right of the Association, subject to the provisions hereof, to dedicate or transfer all or any part of the Common Areas, if any, to any public agency, authority or utility for public right-of-way purposes. Any other transfer or mortgage of Common Areas requires the consent of at least seventy-five percent (75%) of the votes outstanding, and the consent of the Declarant so long as Declarant owns a Lot.

D. All easements herein described are easements appurtenant to and running with the land; they shall at all times inure to the benefit of and be binding upon the undersigned, all of their grantees, and their respective heirs, successors, personal representatives and assigns, perpetually and in full force.

Section 8.3 Effect of Declaration

Reference in any deed, mortgage, trust deed or any other recorded documents to the easements, restrictions and covenants herein described or to this Declaration shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees, or trustees of said parcels as fully and completely as if those easements, restrictions and covenants were fully related and set forth in their entirety in said documents.

Section 8.4 Rezoning Prohibited

No Lot shall be rezoned without the prior written consent of the Board and of the Declarant so long as Declarant owns a Lot, which may be withheld in the Board's or Declarant's sole discretion, as applicable. Declarant or the Board may enforce this covenant by obtaining an injunction against any non-approved rezoning at the expense of the enjoined party.

Section 8.5 Lot Consolidation and Division

No Lot may be consolidated with another Lot. No Lot may be subdivided. Notwithstanding the foregoing, so long as there is at least one Class B Member Declarant shall have the right to consolidate and/or subdivide Lots within Awbrey Park, subject to applicable Deschutes County Ordinances. Upon the completion of a subdivision of a Lot, each newly created parcel shall immediately constitute a Lot and the owner of fee title thereof shall become an Owner with all of the rights granted to Owners hereunder. Upon the completion of a subdivision of a Lot, each newly created Lot shall be entitled to the voting rights as set forth in Section 2.2, and assessments shall be reallocated and reapportioned in the manner set forth in Section 2.14 as if each of the newly created lots had been annexed into Awbrey Park. Upon the completion of a consolidation of two Lots, the newly created Lot shall be treated as one Lot, entitled to the voting rights as set forth in Section 2.2. The newly created Lot shall continue to pay assessments as if it were two Lots until the end of the then-current assessment year. Thereafter, the Lot shall be subject to only one set of assessments and the Association shall calculate assessments on the basis that there is one less Lot in Awbrey Park.

Section 8.6 Drainage Alteration Prohibited

The surface water drainage contours of each Lot shall conform to the approved grading plan established by the Declarant or any Builder. No Owner shall fill or alter any drainage swale established by the Declarant or any Builder, nor shall any Owner install landscaping or other improvements that divert surface water runoff from the drainage patterns, swales and easements established by the Declarant or any Builder. Each Owner shall take steps

to assure that its Lot has adequate drainage and does not cause runoff to be directed onto any adjacent property.

ARTICLE IX- USE RESTRICTIONS/BUILDING STANDARDS

Section 9.1 Exterior Lighting and Noise-making Devices.

All exterior lighting and noise-making devices shall be subject to the Guidelines, the review and approval of the ARC and all applicable ordinances.

Section 9.2 Nuisances

No noxious or offensive activity shall be carried out upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. Without limiting the generality of the foregoing, “noxious or offensive activity” shall include the generation of noxious odors or noise. The Board shall have the sole authority to determine nuisances and its decision shall be final and conclusive.

Section 9.3 Development Activity

Notwithstanding any other provision herein, Declarant, and its successors and assigns to whom Declarant assigns such rights, shall be entitled to conduct on the Property all activities normally associated with and convenient to the development of the Property and the construction and sale of dwelling units on the Property.

Section 9.4 Temporary Structures

No structure of a temporary character, including, without limiting the generality thereof, any trailer, tent, shack, garage, barn, motor home or mobile home or other outbuilding, and no prefabricated or relocated structure shall be used on any Lot at any time as a residence, either temporarily or permanently. This restriction shall not be interpreted to limit the right of Declarant or any Builder (with permission from Declarant) to use trailers or outbuildings as sales offices, construction offices, material storage facilities, or sanitation facilities.

Section 9.5 Signs

Except as permitted in this Section 9.5, no sign or emblem of any kind may be kept or placed upon any Lot or mounted, painted or attached to any Unit, fence or other improvement upon such Lot or mounted on any vehicle or trailer parked or driven on the Property or carried by any person or by any other means displayed within the Property except with the written approval of the ARC. Notwithstanding the foregoing, “for sale” signs shall be permitted on a Lot provided the same complies with ARC design standards. In addition, until the Turnover Meeting, Declarant may erect signs or billboards, and at any time, Declarant or the Association shall have the right to erect signs or monuments that identify Awbrey Park, in either case without the need for ARC approval.

Section 9.6 Campers, Boats, Recreational Vehicles, Certain Trucks, Commercial Vehicles, and other Non-Passenger Vehicles

No campers, boats, boat trailers, recreational vehicles, commercial vehicles, trucks weighing more than 10,000 pounds GVW, or other types of non-passenger vehicles, equipment, implements, or accessories shall be kept or stored on any Lot except (i) with the Board's approval, or (ii) as provided below:

A. Except to the extent the same is screened from public view and from the view from adjacent property (including adjacent Lots and public rights of way), no recreational vehicles, disabled vehicles, campers, boats, boat trailers, recreational trailers, or other types of non-passenger vehicles, equipment, implements, or accessories shall be parked or stored on or adjacent to any Lots. In the event of a dispute as to whether there is adequate screening for purposes of this Section 9.6, the determination of the ARC shall be definitive.

B. The Board, as designated in this Declaration, shall have the absolute authority to determine from time to time whether a vehicle, equipment, implements and/or accessory is operable and adequately screened from public view and from the view from any portion of the Property other than the applicable Lot. Upon an adverse determination by said Board, the vehicle and/or accessory shall be removed and/or otherwise brought into compliance with this Section 9.6.

C. No dismantling or assembling of motor vehicles, boats, trailers, recreational vehicles, or other machinery or equipment shall be permitted in the streets within the Property, or in any driveway or yard adjacent to a street, or that is not screened from public view and from the view from any portion of the Property other than the applicable Lot.

Section 9.7 Pets, Livestock and Poultry

No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except for cats, dogs or other generally recognized household pets of a reasonable number, provided that they are not kept, bred, or maintained for any commercial purpose. In the event of a dispute, the Board shall make the final decision as to what constitutes "a reasonable number" under particular circumstances. All such animals shall be kept on the Lot and in strict accordance with all applicable laws and ordinances (including leash laws) and in accordance with all rules established by the Association. No animal shall be allowed to run at large, and all animals shall be kept within enclosed areas which must be clean, sanitary, and reasonably free of refuse, insects and waste at all times. Such enclosed area shall be constructed in accordance with plans approved by the ARC, shall be of reasonable design and construction to adequately contain such animals in accordance with the provisions hereof, and shall be screened from public view and from the view from adjacent property (including adjacent Lots and public rights of way). Each Owner is solely responsible for his or her pets, shall assure that such pets do not create a nuisance or otherwise damage any portion of the Property, and shall clean up after such pets.

Section 9.8 Garbage and Refuse Disposal; Wood Piles

No Lot, Common Area or any other portion of Awbrey Park shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept, or disposed of, on any Lot or Common Area except in sanitary containers. All equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. No cans, bags, containers or receptacles for the storing or disposal of trash, garbage, refuse, rubble, debris, or recyclable materials shall be stored, kept, placed or maintained on any Lot where visible from any street except solely on a day designated for removal of garbage, rubbish, or recyclable materials, and on which days only such cans, bags, containers, and receptacles may be placed in front of a residence and beside a street for removal, but shall be removed from view before the following day. All wood piles shall be screened from public view and from the view from any portion of the Property other than the applicable Lot. All such screening shall be of an attractive nature, consistent with the overall development scheme of Awbrey Park.

Section 9.9 Parking in Common Areas/No Parking Signage

No vehicles, trailers, implements or apparatus may be driven or parked in the Common Areas, or on any easement unless in use for maintaining such Common Areas, provided however, that this restriction shall not apply to driveways, streets or paved areas intended for vehicular use. In addition, parking of vehicles is prohibited on any public or private street within the Property that is signed or otherwise marked for "No Parking" by the Association or a governmental authority. The Association shall have the right to tow any vehicles in violation of this Section 9.9 at the vehicle owner's expense.

Section 9.10 Commercial or Institutional Use

No Lot, and no building erected or maintained on any Lot shall be used for manufacturing, industrial, business, commercial, institutional or other non-residential purposes, except as set forth in Article VII.

Section 9.11 Detached Buildings

No detached accessory buildings, including, but not limited to, detached garages and storage buildings, shall be erected, placed or constructed upon any Lot without the prior consent of the ARC. Every detached accessory building, inclusive of such structures as storage buildings, greenhouses, doghouses, or children's playhouses shall be compatible with the dwelling to which it is appurtenant in terms of its design and material composition and consistent with the Guidelines.

Section 9.12 General Landscaping and Exterior Maintenance

A. Each Lot Owner shall keep all shrubs, trees, grass, and plantings of every kind on his or her Lot cultivated, pruned, free of trash, and other unsightly material. Each Lot Owner shall keep all Improvements upon his or her Lot in good condition and repair and

adequately painted or otherwise maintained. Declarant, the Association, and the ARC shall have the right at any reasonable time to enter upon any Lot to replace, maintain, and cultivate shrubs, trees, grass, or other plantings as deemed necessary; and to paint, repair, or otherwise maintain any improvements in need thereof, and to charge the cost thereof to the Lot Owner; provided, however, except in the case of emergency, the Declarant, the Association and/or the ARC shall first provide the Owner with at least one (1) day prior written notice, which notice may be given by a posting on the front door of the Unit located on such Lot.

B. The initial landscaping, as well as all subsequent material changes to such landscaping, shall be subject to final approval by the ARC; provided, however, the planting of annual flowers or plants shall not require ARC approval. In the event that an Owner complains to the ARC that the annual flowers or plants planted by another Owner are not in keeping with the general character and appearance of Awbrey Park, the ARC shall review the same and its determination shall be conclusive. All landscaping shall remain fully irrigated unless otherwise approved by the ARC. All Owners shall keep their Lots, including all Improvements thereon, well-maintained and in an attractive condition, consistent with the overall development approved within Awbrey Park by the ARC. All vacant Lots shall be maintained in a manner that is consistent with ARC guidelines for vacant Lots.

C. Except in the case of imminent threat of harm to persons or Improvements or as may be deemed advisable by the Association, the removal of trees shall require the prior written approval of the ARC. All tree removal shall comply with applicable laws and ordinances.

Section 9.13 Antennae, Satellite Dishes and Solar Collectors

No Owner may erect or maintain a television or radio receiving or transmitting antenna, satellite dish or similar implement or apparatus, or solar collector panels or equipment upon any Lot unless such apparatus is erected and maintained in such a way that it is screened from public view and from the view from any portion of the Property other than the applicable Lot; and no such apparatus shall be erected without the prior written consent of the ARC. The ARC, as designated in this Declaration, shall have the absolute authority to determine whether an accessory is adequately screened. The authority of the ARC in this matter shall be subject to any regulations issued by the Federal Communications Commission ("FCC") or any other applicable governmental authority.

Section 9.14 Clothes Hanging Devices/Fences

Clothes hanging devices exterior to a dwelling shall be temporary, unaffixed structures shall not be visible from adjacent property or any portion of the Property. Clothes hanging devices shall be screened from public view and from the view from any portion of the Property other than the applicable Lot. No fences shall be permitted except with the prior written approval of the ARC or as may be installed by the Association.

Section 9.15 Security

Neither Declarant nor the Association shall be responsible for security of the Common Maintenance Areas (including the Common Areas) or any Unit or Lot, and the Owners are exclusively responsible for security of their Units, Improvements, Lots and property.

Section 9.16 Construction Activities

This Declaration shall not be construed so as to unreasonably interfere with or prevent normal construction activities during the construction or remodeling of or making of additions to improvements by a Lot Owner (including Declarant) upon any Lot within the Property. Specifically, no such construction activities shall be deemed to constitute a nuisance or a violation of this Declaration by reason of noise, dust, presence of vehicles or construction machinery, posting of signs or similar activities, provided that such construction is pursued to completion with diligence and conforms to usual construction practices in the Deschutes County area. In the event that construction upon any Lot does not conform to usual practices in the area as determined by the ARC in its sole good faith judgment, the ARC shall have the authority to obtain an injunction to stop such construction. In addition, if during the course of construction upon any Lot, there is excessive accumulation of debris of any kind which is offensive, or detrimental to it or any other portion of the Property, then the ARC may contract for or cause such debris to be removed, and the Lot Owner shall be liable for all expenses incurred in connection therewith. Each Owner shall assure that his or her contractor(s) shall strictly comply with such construction rules and regulations as may be set forth by the ARC and/or the Board from time to time.

Section 9.17 Unit Construction

All buildings or other Improvements (including fences), permanent or temporary, habitable or uninhabitable, must be constructed, placed and maintained in conformity with such setback standards as may be imposed by the local governmental jurisdictional authority, as may be set forth in the deed for a particular Lot and/or as may be established by the ARC from time to time. In no event shall any Owner apply to the applicable local governmental jurisdictional authority and/or the ARC for a variance to construct any Improvement in excess of thirty (30) feet.

Section 9.18 ARC Supervisory Authority Over Construction Activities

All construction activities on the Property, including, without limitation, staging, shall be governed by the ARC and such guidelines, rules and regulations as it may promulgate from time to time.

Section 9.19 Motorized Vehicles

No motorized vehicles of any kind shall be permitted on any part of the Property except roads and driveways.

ARTICLE X - ANNEXATION

Section 10.1 Annexation by Declarant

At any time during the Initial Term of this Declaration, the Declarant may, at its sole option, annex additional property into the Association to be subject to the terms hereof to the same extent as if originally included herein and subject to such other terms, covenants, conditions, easements and restrictions as may be imposed thereon by Declarant. Declarant currently anticipates that there will be a total of approximately 129 Lots in the planned community of Awbrey Park, including the Lots currently existing, and Lots expected to be created in property to be annexed to Awbrey Park, but this number may be adjusted at the sole discretion of Declarant, subject to the terms of Section 10.1.A. Declarant shall have no obligation of any kind to annex any additional property to the Property.

A. Eligible Property

Any or all of the real property in Deschutes County, Oregon adjacent to ("adjacent" property shall include property on the other side of a public right of way, a public or private street or a river) or contiguous with the Property shall be eligible for annexation. There is no limitation on the amount of land that Declarant may annex to the Property, or the right of Declarant to annex common property, except as may be established by applicable ordinances, agreements, or land use approvals or as set forth herein.

B. Consent or Joinder Not Required

No consent or joinder of any Class A member or other party except the record owner of the land being annexed shall be necessary to effect any annexation made pursuant to this Section.

C. Declaration of Annexation

Annexation shall be evidenced by a written Declaration of Annexation (the "Declaration of Annexation") executed by the Declarant, or (in the case of an annexation by action of members) by the Board and the owners of the property being annexed, setting forth the legal description of the property being annexed and any additional covenants, conditions and restrictions to be applied to such annexed property. Notwithstanding any provision apparently to the contrary, a declaration of annexation with respect to any annexed property may:

- i) establish such limitations, uses, restrictions, covenants and conditions with respect thereto as Declarant may deem to be appropriate for the development of the annexed property;
- ii) establish additional or different limitations, uses, restrictions, covenants and conditions as Declarant may deem to be appropriate for the development of such annexed property; and/or

iii) contain provisions necessary or appropriate to comply with any condition, requirement, or imposition of any governmental or regulatory authority.

Without limitation of the meaning of the foregoing provisions of this Section 10.1, in any Declaration of Annexation Declarant may, but shall not be obligated to, establish easements particular to different Lots and/or to create any such Sub-Associations as it may elect.

D. Voting Rights; Allocation of Assessments

Upon annexation, additional Lots so annexed shall be entitled to the voting rights as set forth in Section 2.2, and assessments shall be reallocated and reapportioned in the manner set forth in Section 2.14.

Section 10.2 Annexation by Action of Members

At any time the Board may request approval of the membership for the annexation of additional property into the Association to be subject to all of the terms of this Declaration to the same extent as if originally included herein. No such annexation shall be effective unless approved by at least seventy-five percent (75%) of the outstanding votes and by Declarant so long as Declarant owns at least one (1) Lot. Any property that is contiguous to existing property subject to this Declaration may be annexed hereto according to the foregoing requirements, provided however, that no such annexation shall be effective without the consent and joinder of the owners of the property to be annexed. Such annexation must be evidenced by a Declaration of Annexation as set forth in Subsection 10.1.C above executed by the parties herein described.

Section 10.3 No Duty to Annex

Nothing herein contained shall establish any duty or obligation on the part of the Declarant or any member to annex any property into the Association and no owner of property excluded from the Association shall have any right to have such property annexed thereto.

ARTICLE XI – GENERAL

Section 11.1 Remedies

If any default by any Owner under the provisions of the Declaration, Bylaws or rules and regulations of the Association shall occur, the Association and any Owner shall have each and all of the rights and remedies which may be provided for in this Declaration, the Bylaws and said rules and regulations, and those which may be available at law or in equity, and may prosecute any action or other proceedings against such defaulting Owner and/or others for enforcement of any lien, statutory or otherwise, including foreclosure of such lien and the appointment of a receiver for the Lot and ownership interest of such Owner, or for damages or injunction, or specific performance, or for judgment for payment of money and collection thereof, or for any combination of remedies, or for any other relief. No remedies herein provided

or available at law or in equity shall be deemed mutually exclusive of any other such remedy. All expenses of the Association in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest from the due date until paid at the rate set by the Board by resolution from time to time but in no event greater than the highest rate allowed by Oregon law at the time of the non-payment, shall be charged to and assessed against such defaulting Owner, and shall be added to and deemed part of his respective maintenance assessment (to the same extent as the lien provided herein for unpaid assessments), upon the Lot and upon all of his additions and Improvements thereto, and upon all of his personal property upon the Lot. Any and all of such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Association or any Owner. Without limiting the generality of this Section 11.1, any and all costs incurred by the Association and/or the ARC in remedying an Owner's violation of this Declaration shall be an assessment against such Owner's Lot in accordance with Section 2.13, secured by a lien upon such Lot pursuant to the terms of Section 2.12.

Section 11.2 Fines Imposed by the Association

In addition to any other remedies available to the Association hereunder, the Association shall have the right to impose reasonable fines upon an Owner who violates the Declaration, Bylaws and any rules or regulations of the Association, in the manner and amount the Board deems appropriate in relation to the violation after giving written notice and an opportunity to be heard to the alleged violating Owner; provided, however, such charge or fine is based upon (i) a schedule contained in the Bylaws (or amendment thereto or to this Declaration that is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing addresses designated in writing by the Owners); or (ii) a resolution of the Association or its Board that is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing addresses designated in writing by the Owners.

Section 11.3 Term and Amendments

The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded (the "Initial Term"), after which time they shall be automatically extended for successive periods of ten (10) years each, unless a signed petition containing the signatures of at least seventy-five percent (75%) of the votes outstanding is presented to the Board or other duly appointed and authorized persons, which shall authorize the Board, or other duly appointed and authorized persons, to execute and properly record a notice of termination of this Declaration in the real property records of Deschutes County, Oregon. This Declaration may be amended at any time during the first thirty (30) year period or any extension thereof, by a signed petition containing the signatures of at least seventy-five percent (75%) of the votes outstanding, and the consent of the Declarant so long as the Declarant is a Class B Member, being presented to the Board, or other duly appointed and authorized persons, which shall authorize the Board, or other duly appointed and authorized persons, to execute and properly record an instrument amending this Declaration. Subject to the

provisions of Section 11.4, notwithstanding any provisions hereof to the contrary, the Declarant may, at its sole discretion and without consent being required of anyone, modify, amend or repeal this Declaration at any time before the closing of the sale on the first Lot, provided said amendment, modification, or repeal is in writing and properly recorded in the Deed Records of Deschutes County, Oregon.

Declarant further reserves the right at any time to amend this Declaration, or any amendment hereto, in order to correct scrivener's errors. In no event shall an amendment pursuant to this Section create, limit, or diminish Declarant's special rights without Declarant's written consent or change the boundaries of any Lot or any use to which any Lot is restricted unless the Owners of the affected Lots consent to the amendment.

Section 11.4 Regulatory Amendments

Notwithstanding the provisions of Section 11.3, until the Turnover Meeting described in the Bylaws and to the extent permitted by applicable law, Declarant shall have the right to amend this Declaration or the Bylaws in order to comply with the requirements of any applicable statute, ordinance, regulation or guideline of any department, bureau, board, commission or agency of the United States or the State of Oregon or to comply with any applicable law, including, without limitation, the Oregon Planned Community Act.

Section 11.5 Severability

Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions that shall remain in full force and effect.

Section 11.6 Rights and Obligations

The provisions of this Declaration and the Articles of Incorporation and Bylaws and the rights and obligations established thereby shall be deemed to be covenants running with the land and shall inure to the benefit of, and be binding upon, each and all of the Owners and their respective heirs, representatives, successors, assigns, purchasers, grantees and mortgagees. By the recording or the acceptance of a deed conveying a Lot or any ownership interest in the Lot whatsoever, the person to whom such Lot or interest is conveyed shall be deemed to accept and agree to be bound by and subject to all of the provisions of this Declaration and the Articles of Incorporation and Bylaws, whether or not mention thereof is made in said deed.

Section 11.7 Miscellaneous Provisions

Any provision of the within Declaration or of the Articles of Incorporation and Bylaws to the contrary notwithstanding, the following provisions shall control:

A. Notice to Institutional Holders of First Mortgage Liens

The following actions will require notice to all institutional holders of first mortgage liens: (i) abandonment or termination of the Association; or (ii) material amendment to the Declaration.

B. Notice to Institutional Holders of First Mortgage of Default or Liens

Upon the written request of any first mortgagee of a dwelling on a Lot, the Association shall furnish to such mortgagee a written notice of any default by the Owner of such dwelling in the performance of such Owner's obligations under the within Declaration or the Bylaws or Association rules or regulations which is not cured within thirty (30) days. Any first mortgagee of a dwelling who comes into possession of the said dwelling pursuant to the remedies provided in the mortgage, a foreclosure of the mortgage, or deed (or assignment) in lieu of foreclosure, shall take such property free of any claims for unpaid assessments or charges in favor of the Association against the mortgaged dwelling which accrued before the time such holder comes into possession of the dwelling.

C. Consent of Institutional Holders of First Mortgage Liens

Unless at least seventy-five percent (75%) of the first mortgagees (based upon one (1) vote per Lot for each mortgage) have given their prior written approval, neither the Association nor the Owners shall be entitled to:

i) by act or omission seek to abandon, partition, encumber, or transfer the Common Areas, if any, or any portion thereof or interest therein except for the purpose of dedication for public right of way. (The granting of easements for public utilities or other public purposes consistent with the intended use of such property shall not be deemed a transfer within the meaning of this clause.);

ii) substantially change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner by the Association;

iii) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance of the Units or maintenance of the Units or Lots; or

iv) fail to maintain liability and extended coverage insurance on insurable property comprising a part of the Common Areas on a current replacement cost basis in an amount not less than one hundred (100) percent of the insurable value (based on current replacement costs).

Section 11.8 Personal Pronouns

All personal pronouns used in this Declaration, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural, and vice versa.

Section 11.9 Statutory References

All references to particular statutory provisions in this Declaration shall be deemed to refer to such statutory provisions or their successor provisions, if applicable.

Section 11.11 Conflicts

If there is a conflict between the terms of this Declaration and any Bylaws, rules, regulations or Articles of Incorporation of the Association, this Declaration shall control.

Section 11.12 Partial Invalidity

The invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.
