BROOKS RESOURCES CORPORATION DECLARATION ESTABLISHING THE  
SOUTH MEADOW HOMESITE SECTION AND SUBJECTING  
IT TO THE MASTER DESIGN OF BLACK BUTTE RANCH

THIS DECLARATION is made and executed this *3rd* day of November, 1972 by BROOKS RESOURCES CORPORATION, an Oregon Corporation, the "Developer," to subject the property herein to the Master Design of Black Butte Ranch and to certain covenants, restrictions, assessments, and penalties.

By instrument dated August 5, 1970 and recorded August 6, 1970 in Volume 171 page 501 of the records of deeds of Deschutes County, Oregon, the "Developer" has established the Master Design of Black Butte Ranch.

The Master Design of Black Butte Ranch contemplates the Developer will organize within Black Butte Ranch a number of residential areas, each of which will consist of a separate "Section." Each section is to have its own development plan and its own restrictions as to the use of the private areas within the section.

Developer has created plans for a Section within Black Butte Ranch to be known as "South Meadow Homesite Section." Homes within this Section will be attractive either for permanent or recreational use. There will be common areas within this Section available for the use of all Black Butte residents. The Architecture Review Committee will be heavily influenced by the "Suggested Building and Access Areas" found in each lot description given to the buyer at time of sale.

SECTION 5. General Provisions for and Restriction on the Use of Private Areas.

- 5.1 Maintenance of Units. Each unit and its improvements shall be maintained in a clean and attractive condition, in good repair and in such fashion as not to create a fire hazard.
- 5.2 Type of Building. No building other than a family dwelling for private use may be constructed on any unit. No mobile home or trailer may be used as a residence.
- 5.3 Temporary Structures. Temporary structures which have been approved by the Architecture Review Committee shall be permitted on a unit during the period of construction of a dwelling house. If after 30 days the improvement, vegetation, or trees are not removed or reduced in height as directed by the Architecture Review Committee, the Manager shall enter the offending unit, complete the removal or reduction, charging the owner of the unit the reasonable cost for the work done. Where consent must be acquired by unit owners or any association of unit owners from the Architecture Review Committee, plans, specifications, and other material the Committee determines to be necessary to enable it to evaluate the proposal must be submitted at least 30 days in advance of the occurrence which requires consent.
- 7.2 Architecture Review Committee Discretion and Guidelines. The Architecture Review Committee may at its discretion withhold consent with respect to any proposal if the Committee finds the proposal would be inappropriate for the particular unit or incompatible with the quality and high design standards of the South Meadow Homesite Section. Considerations such as color, design, size, view, effect on other unit owners, disturbance of existing terrain and vegetation and any other factor of which the Architecture Review Committee reasonably believes to be relevant may be taken into account by the Committee in determining whether or not to consent to any proposal.

- 7.3 Failure to Act. In the event the Architecture Review Committee fails to render its decision with respect to any proposed work within the 30 days granted it in Section 7.1 the Committee shall conclusively be deemed to have consented to the proposal.
- 7.4 Effective Period of Consent. For items under Section 4 of this declaration Architecture Review Committee consent shall be revoked one year after issuance unless the work has been commenced or the unit owner has applied for and received an extension of time from the Architecture Review Committee.

SECTION 8. Easement. The Manager of Black Butte Ranch reserves an easement five (5) feet on each side of all unit property lines or as indicated in the plat for the section, for the installation of utilities and all service items.

SECTION 9. Annexation. Developer may from time to time annex to the South Meadow Homesite Section any real property within Black Butte Ranch. The annexation shall be accomplished by Developer's stating in the Black Butte Ranch declaration pursuant to which any such area is subject to the Master Design of Black Butte Ranch that such area is to be a part of the South Meadow Homesite Section. In any such declaration Developer shall state the extent to which such additional areas shall be subject to the covenants and restrictions herein set forth and shall set forth any additional covenants and restrictions applicable to such additional areas.

SECTION 10. Miscellaneous.

- 10.1 Amendment and Repeal. Unit owners owning 75 percent of the units within the South Meadow Homesite Section may consent in writing to the amendment or repeal of a provision or to the addition of new provisions to this declaration. This declaration is not to be amended so as to remove it from under the provisions of the Master Design except as provided in Section 3 of the Master Design.
- 10.2 Duration. The covenants and provisions contained in Sections 3 through 9 of this declaration shall run with the land affected thereby and shall be and remain in full force and effect at all times with respect to all property included within the South Meadow Homesite Section and the unit owners thereof for an initial period of 45 years commencing with the date on which this declaration is recorded. Thereafter such provisions and covenants shall continue to run with the land and be and remain in full force and effect at all times with respect to all property in the South Meadow Homesite Section affected thereby and the unit owners thereof for successive additional periods of 10 years each. The continuation from the initial or any additional period into the next subsequent period shall be automatic and without the necessity of any notice or consent whatever, provided, however, that such provisions and covenants may be terminated at the end of the initial or any additional period by either of the methods

provided in Section 10.1 of the amendment, repeal, or addition of a provision of this Brooks Resources Corporation declaration. Any such termination shall become effective upon the filing in the records of deeds of Deschutes County, Oregon of a certificate of the secretary or assistant secretary of the Manager of Black Butte Ranch certifying that termination as of a specified termination date has been approved in a manner required therefor herein not less than one year prior to the intended termination date.

10.3 Construction; Severability; Number; Captions. This Brooks Resources Corporation declaration shall be construed as an entire document to accomplish the purposes stated in the introductory paragraphs of this declaration. Nevertheless, each provision of this Brooks Resources Corporation declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provisions.

All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Brooks Resources Corporation declaration.
