A. The exterior finish of all construction on any lot shall be designed, built and maintained in such a manner as to blend in with the existing structures and landscaping within this subdivision. The Architectural Control Committee in accordance with Article II must approve exterior colors. Exterior trim, fences, doors, railings, decks, eaves, gutters and exterior finish on garages and other accessory buildings shall be designed, built and maintained to be compatible with the exterior of the structures they adjoin. Irrespective of the foregoing, Grantee or owner, without prior approval of the Architectural Control Committee shall not enclose any

porch area of any residential unit constructed by Grantor. Enclosing shall include screening, glass or any solid construction material. Porches shall remain as a roofed-over deck area and constitute part of the architectural theme of Steven's Borough.

B. Lighting shall not glare onto neighboring properties and conform to local codes.

2. DWELLING SIZE

5. SIGNS

No signs shall be erected or maintained on any lot (excluding Steven's Borough entry signs) except that not more than one "FOR SALE" or "FOR RENT" sign placed by the owners, Grantors or by a licensed real estate agent, not exceeding twenty-four inches high and thirty-six inches long, may be temporarily displayed on any lot. This restriction shall not prohibit the temporary placement of "political" signs on any lot by owner or appointees provided the same shall not be a violation of the controlling governmental sign or ordinances.

6. PARKING

Parking of boats, trailers, motor homes, motorcycles, trucks, truck-campers and like equipment shall not be allowed on any part of the property or on public street adjacent thereto excepting only within the confines of an enclosed garage or behind a sight obscuring fence of approved design. 8. RUBBISH AND TRASH

No lot shall be used as a dumping ground for trash or rubbish of any kind. All garbage and other waste shall be kept in appropriate sanitary containers for proper disposal and out of public view. Yard rakings and dirt resulting from landscaping work shall not be dumped onto streets or any lots.

All fences shall be of wood construction. No fence, hedge or wall shall be erected without prior written approval of the Architectural Control Committee. All fencing added or replaced by an owner shall be similar in appearance to any fencing provided by the Grantor. This provision is not meant to prohibit or restrict the developer of Steven's Borough from erecting an entrance monument and fence, whose architecture and composition shall be determined at the developer's sole discretion.

ARTICLE II

ARCHITECTURAL CONTROL

1. ARCHITECTURAL REVIEW

No structure, including storage shelters, shall be commenced, erected, placed or altered on any lot until construction plans and specifications and a site plan showing the nature, shape, heights, material, colors and proposed location of the structure or change have been submitted to and approved in writing by the Architectural Control Committee. It is the intention and purpose of this Architectural Control Committee to assure quality of workmanship and materials, harmony of external design with the existing structures as to location, topography and finished grade elevations to avoid plan repetition. In all cases, the Architectural Control Committee's consent is required.

(a) MAJOR CONSTRUCTION

In the case of initial or substantial additional construction of a dwelling, the owner shall prepare and submit to the Architectural Control Committee such plans and specifications for the proposed work as the Committee may require. Materials required by the Committee may include, but not necessarily be limited to the following:

(A-1) A plan indicating location of all improvements, including private drainage.

(A-2) Drawings showing elevations, exterior materials and exterior color scheme of all improvements including fencing.

(A-3) Drawings showing yard landscape design and location including a description of plan materials. The parking strip shall be included in the landscaping plan.

The Architectural Control Committee shall render its decision with respect to the proposal after it has received all required materials.

(b) MINOR WORK

In the case of minor additions or remodeling, change of existing exterior color scheme or exterior materials, greenhouse, swimming pool construction or any other work not referred to in (a) above, the owner shall submit to the Architectural Control Committee such plans and specifications for the proposed works as the Committee determines to be necessary to enable it to evaluate the proposal. The Architectural Control Committee shall render its decision with respect to the proposal after it has received all material required by it with respect thereto.

3. ARCHITECTURAL CONTROL COMMITTEE

(a) There shall be an Architectural Control Committee, consisting of three (3) persons, for the purpose of exercising the power and functions conferred upon said Committee by this section. The initial Committee shall be appointed by Grantor, each of said persons so appointed being subject to removal at Grantor's sole and absolute discretion. All vacancies on said Committee shall be filled by appointment by Grantor. Upon the sale by Grantor of all ownerships or, at the Grantor's discretion, after the period of one (1) year, Grantor shall appoint a new Committee of three (3) members.

(b) Said Committee shall have the right and power to interpret and enforce all restrictions in its sole discretion, exercised in good faith and independently of the owners. Decisions by the Architectural Control Committee are final and legally binding pertaining to judgments rendered regarding claims of covenant breach.

(c) This appointed Committee shall serve until such time as there may be an election by a majority of fifty-one percent (51%) of the Residential Unit owners, each Unit being entitled to one (1) vote. Upon such elections, the powers of the Committee first appointed shall cease and the newly elected Committee shall exercise those powers in its stead. In the event of the death, resignation or incapacity to serve of a member or members so elected, a successor or successors shall be elected by a majority of fifty-one percent (51%) of the Residential Unit owners. In the event that there is no election of a successor or successors within thirty (30) days of such death, resignation or incapacity to serve, the remaining member or members of the Committee shall appoint a successor or successors by a majority vote of the remaining Committee membership.

(d) Any decision of the Committee shall be in writing and signed by at least two (2) members. The Committee shall adopt rules and regulations for the conduct of these proceedings and may fix the time and place for its regular meeting and for such extraordinary meetings as may be necessary.

(e) Unless otherwise specified, enforcement of the restrictions set forth herein shall be by proceedings at law or equity brought by any member of the Committee, pursuant to the authorization of the Committee, against any person or persons violating or attempting to violate any provision or covenant, either to restrain violation or to recover damages. Neither Grantor nor the Architectural Control Committee, nor any member or successor member thereof, shall ever be liable because of an action they take, or fail to take, or for any defect in any building erected pursuant to this section, or at all, as a result of these restrictions, and the owners of the Residential Units, and each of them, agree jointly and severally to hold Grantors and the members of the Architectural Control Committee (as the membership of that body may be changed from time to time) free and harmless and to indemnify them accordingly from any claims and liabilities whatsoever arising from the operation of this section.

(f) If a violation of these restrictions occurs and if the Architectural Control Committee fails to act pursuant to its powers as set forth in this Declaration of Conditions, Covenants and Restrictions to enforce said provision, and after making unsuccessful demand in writing upon said Committee to carry out said enforcement by any Residential Unit owner within

this Project, said owner shall have the right to act as plaintiff in any action against the violating party at said owner's sole cost and expense, and to recover said cost and expense from the violating party in any legal action said owner may bring.

(g) Should legal action be instituted as a result of any claim of breach as described in Paragraph 3 Article II, below, or any restriction contained herein, the prevailing party shall be reimbursed for all costs and attorneys' fees actually incurred, regardless of whether the action proceeds to judgment.

6. NONWAIVER

Consent by the Architectural Control Committee to any matter proposed to it within its jurisdiction under these articles shall not be deemed to constitute a precedent or waiver impairing its rights to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

7. EFFECTIVE PERIOD OF CONSENT

The Committee's consent to any proposed work shall automatically be revoked one year after issuance unless construction of the work has commenced or the owner has applied for and received an extension of time from the Committee.

ARTICLE III

GENERAL PROVISIONS

1. TERM AND AMENDMENT

These Covenants and Restrictions shall run with and bind all the property within this subdivision for a term of twenty (20) years from the date this declaration is recorded, after which time they shall be automatically extended for successive periods often (10) years. This declaration or parts hereof can be terminated, revoked or amended only by duly recording an instrument which contains the amendment or the order of revocation or termination and which is signed by the owners of seventy-five percent (75%) of the owners of the lots in Steven's Borough. The Grantors have the sole and exclusive authority to terminate, revoke, or amend these Covenants and Restrictions until the last lot has been sold and built upon.

2. ENFORCEMENT

In the event of any violation of any of the provisions of this declaration, the Grantors or any other person or persons owning real property within the plat may, at their option, exercise the right to enforce these Covenants by bringing action in a court of law. Failure by any party to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The prevailing party in any action brought to enforce the provisions of the declarations shall be entitled to recover all costs, including reasonable attorney fees, incurred.

3. NOTICES

Any notice permitted or required to be delivered as provided herein may be delivered personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered forty-eight (48) hours after a copy of the same has been deposited in the United States mail, postage prepaid, by certified mail, addressed to each such person at the last known residence or domicile address of such person.

4. PAINTING, MAINTENANCE AND REPAIRS

In the event the Architectural Control Committee, in its sole discretion, determines that painting, maintenance or repair (hereinafter "work") of a Residential Unit or lot is reasonably necessary to preserve the appearance and value of said Residential Unit or lot or an adjacent lot, notice of the necessity of such work shall be delivered to the owner of such Residential Unit or lot, in which event said Owner shall be obligated, at his sole cost and expense, to perform said work within 6 months of such notice.

5. ACCESS TO SLOPES OR DRAINWAYS

Each Grantee of a Residential Unit agrees for himself, his assigns, heirs or successors in interest, that he will permit access by owners of adjacent lots to slopes or drainage ways located on his property which affect said adjacent lots, when such access is essential for the maintenance of the drainage facilities for the protection and use of property other than the lot on which the slope or drainage way is located.

6. DRAINAGE

Each Grantee of a Residential Unit agrees for himself and his assigns that he will not, in any way, interfere with the established drainage pattern of his lot from adjacent lots or other lots in said Project or that he will make adequate provisions for property drainage in the event it is necessary to change the established drainage over his lots. For purposes hereof, "established" drainage is defined as the drainage that occurred at the time the overall grading of said Project, including landscaping of each lot in the Project, was completed by the undersigned Grantor.

7. SEVERABILITY

Invalidation of any one of these Covenants by judgment or court order shall in no way affect any of the other provisions that shall remain in full force and effect.

8. LIMITATION OF LIABILITY OF GRANTOR

Neither Grantors nor any officer or director thereof shall be liable to any owner on account of action or failure to act by Grantors in performing their duties or rights hereunder, provided that Grantors have, in accordance with actual knowledge possessed by them, acted in good faith.

IN WITNESS WHEREOFF, the undersigned, being Grantors herein,
have hereto set their hands this 25th day of May, 2005.
