Foreword

Sunriver is a two phase development located in Deschutes County, Oregon. The Plan of Sunriver dated June 20, 1968, was recorded in the Deed Records of Deschutes County in Volume 159 at Page 198 and following. At the time of this writing, Sunriver Phase II is under development pursuant to a document entitled Plan of Sunriver Phase II, dated June 4, 1976, and recorded in the Deed Records of Deschutes County Volume 233 at Page 831 and following. The real property subject to such plans is described in subsequent declarations subjecting areas to such plans. The owners of each phase of the development have the right to use common areas and facilities in the other phase and the responsibility to share in the costs of maintenance of centrally operated facilities, pursuant to a Reciprocal Easement Agreement dated June 24, 1976 and recorded in the Deed Records of Deschutes County in Volume 233, Page 823.

The Developer and the owners of units in both phases of development in Sunriver wish to consolidate the respective plans into a unitary development under a single plan. This document shall be the comprehensive plan for all of Sunriver and shall become effective on the first day of the year following its adoption or on the first day of the calendar quarter following its adoption, whichever should first occur. On such effective date the Plan of Sunriver and the Plan of Sunriver Phase II shall be amended and superseded by this Plan and the Reciprocal Easement Agreement shall be terminated. The new plan shall be known as the Consolidated Plan of Sunriver. It shall contain, among other things, conditions which shall subject portions thereof to certain easements, restrictions, assessments, liens and covenants. Replacement of the original Plan of Sunriver and/or the Plan of Sunriver Phase II shall in no way abrogate the previously recorded deed restrictions or their declarations.

Sunriver is a planned community comprised of interrelated villages containing homes, condominiums, recreational and shopping facilities and a resort complex located on 3,373 acres of high desert, meadow and thickly forested land in Deschutes County, Oregon.

From the effective date of this Plan the Administrator will assume full responsibility for the management, maintenance, protection and preservation of Sunriver as outlined in its Articles of Incorporation and under the CONSOLIDATED PLAN OF SUNRIVER.

From its inception in 1968 the intent of the planners, ecologists and developers alike was to create a community which would provide an unusually attractive place to live, appealing especially to sports enthusiasts, outdoorsmen, retirees, artists and others attracted to a controlled area of natural scenic beauty. The clear clean air, the river, the river banks, the meadows, the

marshes, the lakes, the trees, the wildflowers and wildlife constitute a community treasure. Open areas provide broad vistas of national forest and high Cascade Mountains. Ecological vigilance has been a major concern since the beginning of planning.

Residential areas in Sunriver are identified within villages, each with its own declarations and restrictions as to use of property. The villages are diverse in character. Some were designed for single family dwelling purposes; others for condominiums or buildings suitable for multiple family occupancy; still others embrace a mixture of the several building concepts.

Those living in Sunriver may enjoy many advantages on a relatively economical basis since provision has been made for shared costs of common recreational and service facilities. Common areas are provided within the villages for use by all residents of Sunriver and their guests. Special recreational facilities suitable for common use, with or without charge, are established in some common areas.

Provision for and maintenance of strict standards for the improvement of private areas within Sunriver assure that property will have maximum value for those who acquire it. By requiring proper maintenance of improvements and grounds within private areas, deterioration of any individual property is prevented. Quality of life is enhanced by underground utilities, television cables and sewer.

Funds for the maintenance of the common areas, private ways, leased scenic areas and community property recreational and service areas are provided through payment by each property owner of his share of the monies needed for the maintenance of such areas. Similarly funded on a pro rata basis are the community's security, fire prevention and control, emergency medical service, the post office and community administration.

The following is the CONSOLIDATED PLAN OF SUNRIVER

Section 2

Subjection of Property to Consolidated Plan of Sunriver

"Sunriver" shall mean all real property presently made subject to the prior plans of Sunriver, the Consolidated Plan, or any additional areas annexed to this Plan as provided in this Section 2. "Sunriver Declaration" shall mean any instrument previously recorded subjecting an area to the Plan of Sunriver, Plan of Sunriver Phase II and any instruments which may be recorded in the future subjecting areas to this document. The Consolidated Plan is not intended to in any way affect any existing Sunriver Declaration.

2.01 Additional Areas

Those portions of the real property described in Exhibit "A" attached hereto and by this reference made a part hereof not now subjected to either the Plan of Sunriver or the Plan of Sunriver Phase II may be subjected to the Consolidated Plan by the Administrator and Owner filing a Declaration in the records of deeds of Deschutes County, Oregon, providing that a particular area shall be subject to the Consolidated Plan.

Once the Consolidated Plan becomes effective, the Administrator of that Plan shall retain the right to subject additional areas not included within Exhibit "A" to the Consolidated Plan but shall do so only with the approval, by affirmative vote, of not less than sixty percent (60%) of the votes cast by owners as defined in Section 1.14.

2.02 Sunriver Declarations shall:

- a. Describe the area to be annexed.
- b. Recite the purpose of the declaration to subject the area to the Consolidated Plan of Sunriver.
- c. Designate, where applicable, which areas within the area to be annexed are private areas, semi-public recreational or service areas, private recreational areas, commercial areas, resort areas, or other types of areas allowed by the Sunriver Master Plan and which are consistent with previously recorded Plans and declarations. Specifications must also, when necessary, show which portions of each unit are designated as buildable or open areas, and impose any other use restrictions as

may be appropriate providing such restrictions are consistent with the Sunriver Master Plan and recorded Conditions, Covenants and Restrictions.

2.03

Effective Date of Annexation

From and after the date a Sunriver declaration is filed in the deed records of the County of Deschutes, the area designated therein shall be subject to the Consolidated Plan of Sunriver and to all terms, covenants and conditions contained therein.

Section 3

Land Classifications and Uses within Sunriver3.01 Classifications, Waiver of Partition

Land classifications of areas subjected to the Consolidated Plan of Sunriver and land classifications within areas to be subjected to the Consolidated Plan of Sunriver are private areas, common areas, limited common areas, private ways, commercial areas, resort areas, private recreational areas, semi-public recreational or service areas and leased scenic areas. The Administrator will acquire title to common areas, private ways and other areas and classifications of property created in Sunriver declarations which are essential to the use and enjoyment of the units. The Sunriver Owners Association shall acquire in its own name title to said areas not later than January 1, 1987. Except as otherwise provided herein, or by operation of the law, there shall be no partition of common areas, private ways or other property owned by the Sunriver Owners Association or dedicated for common use pending ultimate deeded transfer to the Sunriver Owners Association.

3.02 Private Areas

Restrictions on and rules and regulations governing the use of private areas within a particular village shall be set forth in the Sunriver Declaration which creates the village. By accepting a deed or lease of a private area within a village the grantee shall covenant that he will use and permit the use of the property only in accordance with, and that he will abide by and cause all those who come upon his premises to abide by the restrictions, covenants and conditions contained in the Consolidated Plan of Sunriver and the Sunriver Declaration creating the village or annexing the area to the village and in the rules and regulations promulgated thereunder; that he will pay to the Administrator of Sunriver all amounts provided for in the Consolidated Plan of Sunriver and in such Sunriver Declaration; and that his property will be subject to a lien or liens as provided in such instruments. For the protection of all owners of Sunriver, the Administrator of Sunriver shall be generally responsible for the enforcement of such restrictions, covenants, conditions, rules and regulations.

3.03 Private Ways

Each owner and each resident of Sunriver shall have a non-exclusive easement to use private ways for the purpose of pedestrian or vehicular traffic thereon by appropriate means. Each owner and each resident of Sunriver may permit his guests and invitees to use the private ways for such purposes. The easement so created shall be appurtenant to and assignable with the property with respect to which it is granted, but shall not otherwise be assignable. Use of private ways shall be subject to Sunriver Rules and Regulations. The Administrator of Sunriver also may grant free access on private ways to police, fire and other public officials, to employees of utility companies serving Sunriver and to such other persons to whom the Administrator of Sunriver believes access should be given for the benefit of owners of Sunriver. Developer and/or the Administrator may use private ways for its own purposes and for the purpose of location of utilities thereon. The Administrator of Sunriver, with the consent of the Board of Directors of the Sunriver Owners Association, may dedicate private ways to the public.

3.04 Common Areas

Each resident of Sunriver shall have a non-exclusive easement to use common areas for such recreational purposes as may be permitted by the Sunriver Rules and Regulations and in the manner permitted thereon. Each unit owner and each resident of Sunriver may permit his guests to use common areas for such purposes and in such manner, subject to the terms of the Sunriver Rules and Regulations. Common areas shall not be platted or otherwise divided into parcels for residential use. The Administrator of Sunriver may develop special recreational or service facilities on portions of the common areas for the general use and benefit of the public and all residents of Sunriver and their guests. The Administrator of Sunriver may from time to time permit residents of Sunriver to use designated portions of common areas for recreational or service uses of benefit to such residents only (as for example, maintaining a volleyball or badminton court) provided that such permission shall be revocable at any time. The easements and rights herein granted shall be appurtenant and assignable with the unit in respect to which it is granted, but shall not be otherwise assignable. The Administrator of Sunriver may authorize use of common areas for location of utilities thereon, and may dedi-

cate common areas for owners park purposes. No such dedication shall be deemed to arise by implication or by use, but only by an instrument of express grant or dedication duly filed in the Deed Records of the County of Deschutes, State of Oregon. Any other use, development or modification of common area requires the prior written consent of the Administrator. Notwithstanding anything to the contrary herein contained, however, the Administrator shall not construct improvements or perform work of capital additions to or alterations in common area, requiring an expenditure from the Maintenance Fund in excess of ten thousand (\$10,000) dollars without prior approval by vote of not less than sixty percent (60%) of the votes cast by owners, other than developer owned units so long as Developer is the Administrator. Common areas shall be preserved in perpetuity for use of the owners except as herein otherwise provided.

The Association may convey any portion of any common area to an owner of any resort area or commercial area subject to the Consolidated Plan of Sunriver, provided that the Association shall receive as consideration an equivalent parcel of property based on value and, further provided that any such conveyance shall be approved by the same number of members of the Association as are required to approve any capital expenditure in excess of \$25,000 as provided in Section 7.04 and that no less than 60 percent of the votes cast by the unit owners in the village in which the common area is located also approve such conveyance.

3.05 Limited Common Areas

Limited common areas are areas so designated in a Sunriver Declaration subject to non-exclusive use by owners of units benefitted by the limited common area so designated on such declarations. The costs of maintaining limited common areas shall be assessed solely to those units which have the right to use the limited common area. In all other respects, the limited common areas shall be treated as common areas hereunder.

3.06 Commercial Areas

Commercial areas are areas designed for commercial, office, retail, privately owned recreational or other non-residential uses consistent with the Sunriver Master Plan. Restrictions on and rules and regulations governing the use of commercial areas shall be set forth in the Sunriver Declaration used to submit the area to

the Consolidated Plan of Sunriver. By accepting a deed or lease to a commercial area within Sunriver, the grantee shall be deemed to have covenanted that he will use and permit use of the property only in accordance with, and that he will abide by and cause all those who come upon his premises to abide by the restrictions, covenants and conditions contained in the Consolidated Plan of Sunriver, in the applicable Sunriver Declaration and in the Rules and Regulations promulgated thereunder, and that he will pay to the Administrator of Sunriver all amounts provided for in the Consolidated Plan of Sunriver and in such Sunriver Declarations, and/or in such other agreement entered into for reimbursement for consumer services. He further agrees that his property will be subject to a lien or liens provided in such instruments. The Administrator of Sunriver will be responsible for the enforcement of such restrictions, covenants, conditions, rules and regulations.

3.07

Private Recreational Areas

Unit owners or groups of unit owners may, at the discretion of the Administrator, be permitted to use portions of the common area to develop facilities such as a swimming pool or tennis court for private use upon terms and conditions hereinafter set forth. The Administrator of Sunriver may lease a portion of the common areas to which he has title to a group of not less than five unit owners who wish to develop the same for their private recreational use, subject to the following conditions:

- a. Any such lease shall be first approved by the Board of Directors of the Sunriver Owners Association.
- b. Rental income pursuant to the lease must be added to the Maintenance Fund.
- c. Not more than ten percent of the common area in any village may be so leased at any one time.
- d. The lease shall provide that the lessees shall use the leased area solely for the development of a recreational facility thereon for private non-commercial use of the lessees.
- e. The lease shall preclude the lessees from operating a private recreational facility on the leased premises for profit or from permitting anyone other than Sunriver residents and their guests from using the facility.

f. The lease shall provide that the lessees shall erect or construct a designated recreational facility on the leased premises within a specified time in accordance with standards to be fixed by the Design Committee and that they shall maintain the improvements at their own cost and expense in accordance with standards which shall be fixed by the Design Committee.

g. The lease shall provide that (1) ad valorem real property taxes assessed against any improvement constructed on a private recreational area shall be borne by the lessees, (2) payment of rental shall be made to the Administrator of Sunriver on terms absolutely net to the Administrator and, (3) with full indemnification against any responsibility by reason of the private recreational facility or activities conducted therein supported by liability insurance in companies and amounts approved by the Administrator of Sunriver, with certificate of insurance coverage protecting against cancellation without prior written notice to the Administrator of Sunriver.

h. No person shall be excused from paying any part of the maintenance assessment by virtue of his use of a private recreational area in lieu of a facility available to all residents of Sunriver. No lessee of a private recreational facility shall be entitled to any offset or reduction of maintenance assessments by reason of his maintenance and/or operation of a private recreational facility.

3.08

Semi-Public Recreational or Service Areas

Certain kinds of recreational and service facilities can only be made available to the owners and residents of Sunriver on an economical basis if the general public is allowed to use the facilities along with the owners and residents of Sunriver. For example, it may be advantageous to residents of Sunriver to establish a facility which may only be operated on a self supporting basis if fees can be collected from the general public for use thereof. Therefore, the Administrator may designate certain areas in Sunriver as constituting "semi-public recreational or service areas" if each of the following conditions are met:

a. Provisions must be made for use of the facility by residents of Sunriver and their guests in the manner permitted by Sunriver Rules and Regulations.

b. Fees charged unit owners and residents of Sunriver and their guests for use of the facility shall be no higher than those charged members of the public for an equivalent use or service.

c. Cash proceeds from the operation of the facility shall be added to the Maintenance Fund after deduction of all expenses attributable to such operations.

d. The recreational or service area shall conform to the zoning plan of Sunriver in all respects and such areas shall be subject to the Consolidated Plan of Sunriver and supporting declarations.

3.09

Leased Scenic Areas

It may add to the quality of Sunriver to devote areas within Sunriver to uses normal to or traditional in Central Oregon, even though such uses are of a nature which requires that residents of Sunriver be barred from the areas while they are being so used. For example, lease of areas within Sunriver for the grazing of cattle or farming may add to the attractiveness of Sunriver. Therefore, areas may be designated "leased scenic areas" under the Consolidated Plan of Sunriver on the following conditions:

a. The Administrator of Sunriver may lease such areas to private parties if it deems this to be to the advantage of residents of Sunriver.

b. The Administrator of Sunriver shall be responsible for the maintenance of and payment of taxes on such areas.

c. During periods in which such areas are not leased or held for lease they shall be deemed common areas.

d. Any proceeds from the leasing of such areas shall be paid into the Maintenance Fund.

e. Any leases executed with respect to such areas shall impose upon the lessee rental sufficient to provide for the cost of maintenance and otherwise protect the unit owners from and indemnify them against any liability arising out of or in any way related to such activity.

3.10 Industrial Areas

Areas in Sunriver as specified in the Master Plan of Sunriver and in the Deschutes County Zoning Ordinance which are subjected to the Consolidated Plan of Sunriver and which are so located geographically and environmentally as to permit light industrial type activity without infringement on the primary residential qualities shall be known as Industrial Areas. Any service provided within an industrial area and funded by the Maintenance Fund shall be on a reimbursable basis in accordance with a formal written agreement as initiated by the Administrator of Sunriver. "Unit" ownership as defined in the Consolidated Plan of Sunriver shall not attach to any such industrial ownership or activity and, accordingly, no voting rights in accordance with the Consolidated Plan of Sunriver will accrue.

The property made subject to the Consolidated Plan of Sunriver and referred to herein as Sunriver has been zoned Planned Community under the Deschutes County Zoning Ordinance PL-15, and is subject to the Master Plan of Sunriver as adopted by the Deschutes County Board of Commissioners on November 9, 1982. Planned community is defined by the Deschutes County Zoning Ordinance as follows:

"A self-contained complex of residential, commercial, and industrial uses in the form of a planned development in conjunction with an interrelated system for transportation, utilities, recreational areas and other public facilities, constituting a separate community within the county and at least 160 acres in size."

Section 5

The consolidation shall be effected by filing in the deed records of the County of Deschutes a declaration stating that the two areas are consolidated.

- b. The entire consolidated area may be used for the construction of only one residence.
- c. No residence or structure may be placed upon the remainder of the lot, a portion of which was consolidated with another lot, but which remainder has not been consolidated with another lot unless the area of such remainder constitutes at least ninety-five percent (95%) of the original area of the lot.
- d. Areas which have been consolidated may at no time in the future be partitioned.

Section 6

Sunriver Rules and Regulations and their Enforcement6.01 Sunriver Rules and Regulations.

In the exercise of its powers and in the performance of its obligations pursuant to the Consolidated Plan of Sunriver and of any Sunriver Declaration, the Administrator of Sunriver may adopt, amend or repeal rules and regulations to be known as Sunriver Rules and Regulations, to provide for the manner in which common areas (including special recreational facilities established thereon), private ways, semi-public recreational or service areas and other areas and classifications of property created in Sunriver Declarations, which are essential to the use and enjoyment of the units, shall be used. To the extent provided in any Sunriver Declaration, the Sunriver Rules and Regulations may provide for the manner in which private areas, commercial areas, and resort areas may be used.

All rules and regulations must be applicable on a non-discriminatory basis. However, provisions uniformly applicable to a class of persons, such as children of particular ages, will not be deemed discriminatory. A current copy of the Sunriver Rules and Regulations shall be kept on file at the principal office of the Administrator at all times. The Sunriver Rules and Regulations shall have the force and effect as if set forth herein as part of the Consolidated Plan of Sunriver.

6.02 Enforcement of Sunriver Rules and Regulations.

The Sunriver Rules and Regulations shall be enforced in an impartial and uniform manner. The Administrator of Sunriver may impose penalties for the violation of the Sunriver Rules and Regulations subject to the following conditions:

- a. A fine schedule shall be established annually by the Administrator.
- b. Violations of a rule pertaining to the use of private ways shall be subject to a fine in an amount consistent with that imposed under laws applicable to public streets and highways.

c. Should a fine not be paid by the person upon whom it is imposed, it shall be paid by the unit owner or resort area owner who, by virtue of his ownership of the property, caused the person upon whom the fine was imposed to be a resident or visitor of Sunriver.

d. The Administrator of Sunriver may provide that a person who has violated a rule or regulation shall be deprived of his right to use the common area, semi-public recreational or service areas or any specified parts of either for a period of not to exceed six months on account of any one violation or until such time as the violation has been remedied to the satisfaction of the Administrator.

6.03 Right to Notice, Opportunity to be Heard and Appeals in Connection with Fines.

No person shall be subject to fines or penalties pursuant to Section 6.02 hereof without prior written notice of the offense and an opportunity to be heard. Any person upon whom a notice of fine or penalty has been imposed pursuant to Section 6.02 hereof who deems that such a fine or penalty was unfairly imposed, either because he did not violate a rule, regulation or provision as charged or because the fine or penalty imposed is unduly severe, may appeal from the imposition of the fine or penalty by filing a statement to that effect with the Administrator within 30 days after notice of the fine or penalty has been served. All appeals shall be determined by a body to be known as the Sunriver Judicial Council as provided in Section 6.07 below.

6.04 Violation of Sunriver Declaration or a Design Committee Rule by Prohibited Activity.

Any activity prohibited by the provisions hereof or by any Sunriver Declaration or Design Committee Rule may be enjoined by fine or appropriate equitable proceedings and the owner guilty of such prohibited activity shall also be liable for damages therefore or arising therefrom.

6.05 Violation of Sunriver Declaration by Prohibited Activity

In the event that any owner shall violate a provision of a Sunriver Declaration relating to activities which may be conducted on his property or if any person on the

property with the permission of the owner shall violate such a provision, the Administrator of Sunriver may impose a fine upon such owner in an amount determined in accordance with Section 6.02a for any one violation, subject to all of the limitations and conditions hereinafter set forth.

6.06

Payment of Fines.

Each fine imposed pursuant to Section 6.02 hereof shall become payable by the person upon whom it is imposed ten days after delivery by the Administrator of notice thereof to the person by whom it is payable. If the fine is unpaid at the end of this period, the Administrator shall be authorized to file a lien against the property in question. Each notice of fine shall refer to the rule, regulation or provision which has been violated and set forth a statement of the conduct which the Administrator claims violated such rule, regulation or restriction describing the date and the events constituting the violation. All fines shall be paid into the Maintenance Fund.

6.07

Sunriver Judicial Council.

All appeals of fines or penalties pursuant to Section 6.03 shall be determined by a body to be known as the "Sunriver Judicial Council" in accordance with such rules of procedure as the council may adopt from time to time. The Sunriver Judicial Council shall consist of not less than three persons who shall be appointed by the Administrator, at least two of whom shall be owners; provided, however, that no person shall serve as a member of the council while serving as a member of the Board of Directors of the Sunriver Owners Association. The Administrator shall keep on file at its principal office a list of the names and addresses of the members of the Sunriver Judicial Council. Any two members of the council may act for the council. The council shall render its decisions on appeals determined by it in writing.

In the case of appeals from fines or penalties, written notice shall be given to the Administrator of Sunriver by any person or persons upon whom the fine or penalty was imposed. Pending a decision on appeal, collection of a fine or imposition of penalty shall be stayed. The decision of the council shall be binding on the Administrator and all other parties to the appeal to the extent permitted by Oregon law.

0113-1187

-23-

Prior to any determination of an appeal from a fine or penalty, the council shall hear evidence from the person(s) upon whom the fine or penalty is imposed, who shall have the right to confront the Administrator of Sunriver, hear the charges against him and be heard fully in refutation thereof. The council shall base its decision upon substantial, relevant evidence and render its decision in writing.

Section 7

Maintenance Fund
and
Reserve Fund7.01 Budget.

From the effective date of the Consolidated Plan of Sunriver, the Administrator of Sunriver shall annually, with the approval of the Board of Directors of the Sunriver Owners Association, prepare an operations budget for the community for the ensuing calendar year as provided in this section. The budget shall include provision for maintenance, for capital expenditures and any proposed additions to the reserve account.

7.02 Imposition of Regular Assessments.

a. The Administrator shall have the right to impose an assessment against each unit owner in an amount not to exceed \$28.00 per month for each unit owned by each unit owner unless such amount shall be increased as provided in Section 7.02 a.(1) and (2) herein. On or before January 1st of each year the Administrator shall notify each owner of the amount of the assessment to be imposed for such year.

(1) The maximum amount of any maintenance assessment fund increase over the amount provided for above shall be limited to six percent (6%) in any one year commencing January 1, 1986, or by the increase occurring after January 1, 1986 over the level on January 1, 1986 of the United States Department of Labor, Bureau of Labor Statistics, Consumer Price Index, All Items, All Urban Consumers, United States City Average (1967=100), or the successor of such index, whichever is greater.

(2) In the event that the Administrator shall deem the maintenance fund to be inadequate for the purposes for which it is to be maintained, taking into account the need for reasonable reserves for special purposes, the annual maintenance assessment may be increased above the amounts provided above; provided, however, that such increase shall have first been approved by a vote of not less than sixty percent (60%) of the votes cast by written ballot directed to all owners.

b. Any owner who pays the assessment to be imposed for all 12 months of the ensuing calendar year prior to February 1 of such year shall be entitled to a discount as determined annually by the Administrator. Assessments not so prepaid shall be paid in equal monthly installments of one-twelfth of the annual assessment amount. In the event that a person shall acquire a unit or his unit shall first become subject to assessment during the course of a calendar year, his first assessment shall come due on the first day of the month following the month during which he has acquired his unit or during which the unit first became subject to assessment.

No owner who disposes of his entire interest in a unit shall be liable for assessments against that unit levied or assessed after the date of sale or disposition thereof. Any past due assessment shall bear interest at the rate established by the Administrator.

c. A developer of condominium units shall pay regular monthly assessments for each such unit from the date construction is commenced until the respective unit is sold and the liability for the assessment transferred to the purchaser.

d. Each owner of any Resort Area shall pay an assessment determined by dividing the true cash value of any single tax lot or identified group of tax lots by the true cash value of all property in Sunriver as determined by the Deschutes County Tax Assessor to determine the percentage of the total true cash value. The percentage shall be applied to the total annual budget and multiplied by a weighted factor of eighty percent (80%). This shall be the assessment payable for the following year unless otherwise mutually agreed upon by the Administrator and the affected owners.

The applicable assessment for the golf courses shall be calculated in two steps as follows:

(1) On the true cash value of the improvements, the percentage shall be determined in the same manner as above (7.02 d.).

(2) On the true cash value of the land, the percentage of the total true cash value of all Sunriver property is calculated as the above (7.02 d.). Thereafter, this percentage is applied to the budgeted road maintenance expense and divided by two to produce the assessment payable for the following year.

In the event the taxing authorities do not or no longer appraise real property on the basis of its full fair market value, then the true cash value for purposes of this paragraph shall be determined by an independent qualified appraiser retained by the association.

e. Each owner of any commercial area shall pay an assessment determined by dividing the true cash value of any single tax lot or identified group of tax lots by the true cash value of all property in Sunriver as determined by the Deschutes County Tax Assessor to determine the percentage of the total true cash value. That percentage of the total annual budget multiplied by a weighted factor of 50 percent shall be the assessment payable for the following year unless otherwise mutually agreed upon by the Administrator and the affected owner. In the event the taxing authorities do not or no longer appraise real property on the basis of its full fair market value, then the true cash value for purposes of this paragraph shall be determined by an independent qualified appraiser retained by the association.

f. When any particular owner or owners request some special service not offered to all of the other owners, the Administrator may perform that service and charge the cost exclusively to the owners requesting the service.

g. Any unit, commercial area, or resort area which is exempt from ad valorem real property taxes under the laws of the State of Oregon shall be exempt from the imposition of any regular assessment imposed hereunder. Such properties shall not, however, be exempt from the imposition of any special assessment imposed hereunder.

7.03

Special Purpose Assessments.

In the event that the Administrator of Sunriver deems it to be at the advantage of the owners of Sunriver to impose a special purpose assessment to provide funds for the development of a particular facility or to provide funds to cover maintenance costs caused by conditions or occurrences not contemplated at the time of the approval of the annual budget, it may impose such a special assessment provided that the amount of the assessment and the terms upon which it is imposed have been approved by a vote of not less than sixty percent (60%) of the votes cast by written ballot directed to all owners.

All Special Purpose Assessments shall be applied uniformly to all owners. Owners in commercial and resort areas shall pay a proportionate share based on the formula set forth in Section 7.02. In the event that such an assessment is imposed, the Administrator shall add the monies derived therefrom to the Maintenance Fund but shall keep the same in a special account and shall use the same only for the purposes approved by the owners when they consented to the special assessment.

7.04

Maintenance Fund.

The Administrator shall keep all monies which it may collect for maintenance assessments together with all other monies which it is required to add to the Maintenance Fund pursuant to the provisions hereof or of any Sunriver Declaration in a separate fund to be called the "Maintenance Fund", and shall use the monies in the Maintenance Fund only for the following purposes:

- a. Payment of the cost of maintaining private ways (including street lights, entrance and other signs), common areas, semi-public recreational or service areas, leased scenic areas and special recreational and other facilities on common areas or semi-public recreational or service areas, available for use by all of the residents of Sunriver;
- b. Payment of taxes and assessments levied against private ways, common areas, semi-public recreational or service areas, leased scenic areas and the improvements thereon;
- c. Payment of the cost of providing security patrol, fire prevention and control service, emergency medical service and such other utility and public services as may be required to be provided from time to time and are not otherwise available through public entities or leased public utilities;
- d. Payment of the cost of insurance, including insurance protecting the Administrator, the Design Committee, the Sunriver Owners Association and any village association against liability arising out of performance of their functions and activities in the administration of the Consolidated Plan of Sunriver;
- e. Payment of the cost of enforcing the provisions contained in the Consolidated Plan of Sunriver, the Sunriver Rules and Regulations and the covenants and provisions contained in any Sunriver Declaration;

- f. Payment to the Sunriver Owners Association or to a village association of costs incurred in the performance of any obligation of the Administrator which has been obligated to the Association or to any village association;
- g. Payment of fees of the professional members of the Design Committee and of expenses incurred by the Design Committee;
- h. Payment for other services which the Administrator deems to be of general benefit to unit owners of Sunriver;
- i. Payment of costs incurred in collection of maintenance assessments;
- j. Payment of any expense reasonably incurred by the Administrator in carrying out any function for which it has been given responsibility hereunder;
- k. Payment of legal costs and accounting costs incurred by the Administrator in performance of its functions hereunder; and
- l. Payment of the costs of fidelity bonds and faithful performance bonds with respect to the cash handling functions of the Administrator and such employees thereof as are responsible for collection and handling of cash to be deposited in the Maintenance Fund.

Included among the monies which are to be paid into the Maintenance Fund are all maintenance assessments, fees for use of recreational or service facilities located on common areas or semi-public recreational or service areas, Design Committee fees, rentals from leases of private recreational areas or leased scenic areas, interest on amounts payable into the Maintenance Fund and payment to reimburse the Administrator of Sunriver for monies expended from the Maintenance Fund. No part of the Maintenance Fund shall inure to the benefit of the Developer.

Notwithstanding anything to the contrary herein contained, however, the Administrator shall have no power to make expenditures exceeding \$25,000 from the Maintenance Fund for capital improvements and additions without the affirmative vote of not less than sixty percent (60%) of the votes cast by written ballot directed to all owners.

The Administrator shall have no power to enter into any contract for the provisions of services or the purchase of goods having a term in excess of one year with the exception of (i) contracts for provision of public utilities services by a regulated public utility company (with the services contracted for being within the purview of the regulations) and (ii) contracts for insurance from insurance companies of good reputation at rates publicly available in the marketplace. In connection with any contract exceeding one year, the Administrator must obtain approval of the Board of Directors of the Sunriver Owners Association.

7.05

Default in Payment of Maintenance Assessments, Special Assessments, Charges, and Fines.

Each maintenance assessment, special assessment or charge levied or imposed pursuant to the Consolidated Plan of Sunriver or any Sunriver Declaration, together with interest thereon at a rate set by the Administrator from the date of the charge until the date of payment, shall be a separate, distinct and personal debt and obligation of the owner or resident of Sunriver against whom the maintenance assessment, special assessment or charge is levied or imposed or from whom the amount is due. If an owner fails to pay any such assessment, charge or fine or any installment thereof when due, the owner shall be in default and shall be subject to a late payment charge in an amount to be set by the Administrator. The amount of the assessment or charge not paid together with interest, costs and attorneys' fees as elsewhere provided for herein shall become a lien upon the unit or units owned by the person from whom the assessment or charge is due, upon filing by the Administrator of Sunriver in the records of mortgages of the County of Deschutes, State of Oregon, of a notice of lien, which said notice shall set forth the amount due, a description of the property against which the lien is imposed, the provisions under which the lien is claimed and the fact that, unless the amount is paid, the property subjected to the lien shall be sold in satisfaction thereof. Any such lien shall not take effect until notice thereof has been so filed. Thus, such lien shall be subordinate to the lien of any mortgage upon any property which is accepted in good faith and for value and which was recorded prior to the filing of the notice of lien. The Administrator shall commence proceedings to foreclose any such lien at any time within three years following the date of such filing and foreclosure shall occur in a manner provided for foreclosure of a mortgage under the laws of the State of Oregon.

7.06 Annual Accounting.

Within ninety days following the closing of each calendar year, the Administrator of Sunriver shall render to each unit owner an accounting which shall set forth the amount and source of all income received in the Maintenance Fund and all disbursements from the Maintenance Fund during the previous calendar year, together with a statement of the assets and liabilities of the Maintenance Fund at the close of the last calendar year. The Administrator shall maintain books and records in a manner consistent with customary and usual accounting standards of all amounts received into the Maintenance Fund, and of all disbursements therefrom, which records shall be open to inspection by any unit owner or by the officer of any village association or of the Sunriver Owners Association at any reasonable time during the normal business hours. The accounting to be provided pursuant to the provisions hereof shall be prepared by a certified public accountant of good reputation on the basis of an audit of the records of the Maintenance Fund, in accordance with accepted auditing standards and generally accepted accounting principals in a manner sufficient to permit said auditing accountant to provide certified statements of account. The Administrator of Sunriver shall maintain books and records to a standard sufficient to permit such an audit.

7.07 Indemnity.

No member of the Board of Directors or any other officer of the Sunriver Owners Association or of any committee of the association appointed by the Board, shall be personally liable to any member, or to any other party, including the association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the association, provided that such person has, upon the basis of such information as may be possessed by him, acted in good faith. In the event any action is brought against any such person or entity, the association shall indemnify such person or entity for all reasonable costs, including attorney's fees, incurred in the defense of such action, including any settlement thereof. In the event the association is required to pay any such costs, the association shall be entitled to reimbursement from the Maintenance Fund established pursuant to Section 7 herein.

7.08

Establishment of Reserve Fund.

As of the effective date of this plan, the Administrator of Sunriver shall establish a separate interest bearing reserve account by transfer of funds from the Maintenance Fund pursuant to a resolution by the Board of Directors of the Sunriver Owners Association.

a. The reserve account shall be a separate account in the Maintenance Fund.

b. The purpose of the reserve account shall be to provide funds for new items as well as for replacement or major repair of all items of association assets which will normally require replacement in whole or in part in more than three (3) and less than thirty (30) years.

7.09

Procedure for Reserve Fund.

The Administrator shall be responsible for administering the account and for making periodic payments into it.

a. The reserve account established under this section shall, in the discretion of the Board of Directors, thereafter be funded by assessments against the individual units in an amount sufficient to build and maintain adequate reserves and such adequacy shall be reviewed annually.

b. Annual amounts to be assessed shall take into account the estimated remaining life of the items for which the reserve is created and the current replacement cost of these items and shall be determined by the Administrator and submitted to the owners as specified in Section 7.01.

c. The account may be used only for purchase of new or replacement or major repair of association assets and is to be kept separate from assessments for maintenance. However, after the Sunriver Owners Association has assumed responsibility for administration, the Board of Directors may authorize the borrowing of funds from the reserve account to meet high seasonal demands upon the Maintenance Fund. Funds borrowed to meet temporary expenses under this subsection must be repaid with interest before the end of the current fiscal year.

d. Assessments paid into the reserve account are the property of the Maintenance Fund and are not refundable to sellers or owners of lots.

Section 8

The Design Committee shall exercise the functions for which it is given responsibility in any Sunriver Declaration and in the Consolidated Plan of Sunriver. Generally, the Design Committee will be responsible for the approval of plans and specifications for the development of all areas subject to the Consolidated Plan and for the promulgation and enforcement of rules and regulations governing the use and maintenance of such areas and the improvements thereon.

8.02 Members: Term and Removal.

The Design Committee shall consist of as many persons, not less than three, as the Board of Directors of the Sunriver Owners Association may from time to time appoint subject to the provisions of the Sunriver Owners Association Articles of Incorporation and Bylaws. The Board of Directors may remove any member of the Design Committee appointed by the Board of Directors from office at any time and may appoint new or additional members at any time. appropriate judicial process. The Administrator shall charge the owner and the owner shall pay the entire cost involved in such restoration by it in order to enforce the provisions hereof. Such costs shall become payable upon delivery by the Administrator to the owner of notice of the amount due and shall be paid into the Maintenance Fund provided that such costs were paid by the Maintenance Fund. Any such charges so levied shall become a special assessment against the unit of the owner.

8.04

Violation of a Sunriver Declaration or the Design Committee Rules Relative to Landscaping.

In the event that any owner fails to comply with the provisions of a Sunriver Declaration or with the Design Committee Rules limiting removal of trees or shrubs, the Administrator may, no sooner than sixty (60) days after delivery to such owner of written notice of the violation, enter upon the offending property and replace appropriate trees and shrubs in a manner deemed sufficient in the Administrator's sole discretion to remedy the effects of the violation; provided, however, that if the owner objects to such entry, no such entry shall occur without prior resort to appropriate judicial process. The Administrator shall charge the owner and the owner shall pay the entire cost involved in such restoration by it in order to enforce the provisions hereof. Such costs shall become payable upon delivery by the Administrator to the owner of notice of the amount due and shall be paid into the Maintenance Fund provided that such costs were paid by the Maintenance Fund. Any such charges so levied shall become a special assessment against the unit of the owner.

8.05

Review and Appeal.

a. Review and Appeal by Applicant.

In the event that a decision rendered by the Design Committee is unacceptable to the applicant or his representative, such person or persons may:

(1) Request a review of such decision by the Design Committee by directing a written request for such review to the Sunriver Owners Association by certified mail postmarked no later than ten (10) working days after the decision is rendered by the committee. Such review shall be held by the committee at its next regularly scheduled meeting.

(2) In the event that the decision rendered by the Design Committee upon review is unacceptable to the applicant or his representative, such person(s) may request hearing before an Appeals Board whose membership shall consist of the President of the Sunriver Owners Association, the chairman of the Covenants and Enforcement Committee of the Sunriver Owners Association, or any successor to such committee, and a third member to be selected by the aforementioned two (2) members. Such third member shall, if feasible, have special knowledge pertinent to the application under consideration. Request for such appeal shall be directed in writing and by certified mail to the Sunriver Owners Association and postmarked no later than ten (10) working days after the decision was rendered by the Design Committee upon review. (2) The Appeals Board shall hear any case submitted to it within fourteen (14) days of receipt of request for appeal.

(3) No building permit shall be issued by the Design Committee less than ten (10) days after the Design Committee renders its decision. In the event that a

request for either review or appeal is received within the time limits as specified, issuance of a building permit will be deferred until a final decision is rendered in accordance with the provisions of Section 8.05.

(4) In the event that a request for review or appeal is received in accordance with the provisions in Section 8.05, notice of the request and its scheduled hearing date and time will be sent to the person or persons initiating the request and property owners entitled to notice under the Design Committee rules and regulations. This notice will be mailed within three working days of receipt of the request.

8.07 Duties and Rules.

The Design Committee shall consider and act upon all matters properly submitted to it pursuant to the Consolidated Plan of Sunriver or in any Sunriver Declaration. The Design Committee may by majority vote from time to time and in its discretion, adopt, amend and repeal rules and regulations to be known as the "Design Committee Rules" establishing its operating procedures and interpreting, detailing and implementing the provisions of the instrument pursuant to which it is charged with responsibility provided, however, that any adoption, amendment or repeal of the rules and regulations shall be subject to approval by the Board of Directors of the Association. The Design Committee may establish a reasonable fee to be paid to it to cover its costs incurred in considering and acting upon matters submitted to it. Such fees shall be paid into the Maintenance Fund. A current copy of the Design Committee Rules shall be kept on file at the principal office of the Sunriver Owners Association at all times. Such rules shall have the same force and effect as if set forth herein as part of the Consolidated Plan of Sunriver. The quorum for conducting official business at any Design Committee meeting shall be equivalent to more than fifty percent (50%) of total committee membership including a developer representative, if any.

8.08 Non-waiver.

Consent by the Design Committee to any matter proposed to it or within its jurisdiction shall not be deemed to constitute a precedent or waiver impairing its right to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

8.09 Estoppel Certificate.

Within thirty (30) days after written demand therefor by an owner, the Design Committee shall execute and deliver to the owner requesting the same an estoppel certificate certifying with respect to the property of such owner that as of the date of the certificate either (a) all improvements and other work within or upon said property comply with the Consolidated Plan of Sunriver and with all restrictions and rules and regulations adopted in or pursuant to any Sunriver Declaration, or (b) that such improvements and work do not so comply for reasons specified in the certificate. Any purchaser or mortgagee of the unit may rely on such certificate with respect to the matters set forth therein, such matters being conclusive against the Sunriver Owners Association and all unit owners in Sunriver.

8.10 Liabilities.

Neither the Design Committee nor any member thereof shall be liable to any owner, the Sunriver Owners Association, or any party who has submitted application to the Sunriver Design Committee, for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the Design Committee or any member thereof, provided only that the Design Committee, in accordance with actual knowledge possessed by it, has acted in good faith.

The Administrator may, from time to time, delegate all or portions of its authority hereunder, to a manager pursuant to an appropriate management contract; provided, however, that in no event shall any such management contract, or contract for services equivalent to management services, have a term in excess of three (3) years. In connection with any contract exceeding one year, the Administrator must obtain approval of the Board of Directors of the Sunriver Owners Association. The Administrator may delegate to any village association responsibility for the performance of any duty or function of the Administrator with respect to the applicable village; provided, however, that the Administrator shall arrange to pay to the particular village association expenses which it shall reasonably incur in the performance of such duty or function.

The Administrator shall not be liable for failure to carry out or perform any duty or responsibility required by it to be performed pursuant to the Consolidated Plan of Sunriver where such performance is made impossible or unfeasible by lack of sufficient funds in the Maintenance Fund. Where such insufficiency exists, the Administrator shall have discretion to determine for which authorized purposes monies in the Maintenance Fund shall be spent, including the power to determine how much shall be held in reserve. Neither the Administrator nor any officer or director thereof shall be liable to any owner, to any resident of Sunriver or to any village association on account of any action or failure to act of the Administrator; provided, however, that the action has been taken in good faith in accordance with the actual knowledge possessed by the Administrator.

Section 10

The Sunriver Owners Association

On the effective date of the Consolidated Plan of Sunriver, the existing Sunriver Owners Association and Sunriver Phase II Association shall be merged into one association. Such association shall have the following attributes:

10.01 Membership in Association.

a. Every unit owner and each owner of any portion of any resort area or commercial area shall be a member of the association. Status as a unit owner or property owner in a resort area or commercial area is the sole qualification for membership.

b. Rights to a membership and status as a member terminate upon termination of status as a unit owner or resort or commercial area owner. Upon conveyance, sale or assignment of the owners interest, the selling owner or owners shall be relieved of liability for assessments levied from and after the date of such sale.

c. No owner may avoid the obligations of membership during the period when he is an owner by non-use of private ways, common areas, limited common areas, private recreational areas or semi-public recreational or service areas, renunciation or abandonment of his property or any other act of abandonment or renunciation.

10.02 Voting Rights.

a. All unit owners shall be entitled to one vote for each unit they own. When more than one person holds an interest in a unit, the vote for such unit shall be exercised as the unit owners thereof determine but the vote attributable to the unit shall be cast by only one person.

b. Each owner of a resort area or a commercial area shall be entitled to the number of votes that are appurtenant to said area as set forth in Exhibit "B", attached hereto and by this reference incorporated herein. In the event of any subdivision, partition, or other division of any resort area or commercial area as described in Exhibit "B", the number of votes thereafter appurtenant to such division of the areas shall be as assigned by the owners of said property. It shall be

the responsibility of the commercial and resort area owners to notify the Sunriver Owners Association of how the votes have been allocated in accordance with this section. When more than one person holds an interest in a resort or commercial area, the vote or votes for such area shall be exercised as the property owners thereof determine, but the vote attributable to the property shall be cast by only one person.

10.03

Incorporation.

- a. The Sunriver Owners Association shall be incorporated as a not-for-profit corporation under the general nonprofit corporation laws of the State of Oregon.
- b. The Articles of Incorporation of the Sunriver Owners Association shall provide for its perpetual existence, but in the event the Sunriver Owners Association shall at any time be dissolved, whether inadvertently or deliberately, it shall immediately be succeeded by an unincorporated association of the same name. In that event, all of the powers and obligations of the incorporated association existing immediately prior to its dissolution shall thereupon automatically vest in the successor unincorporated association which vesting shall thereafter be confirmed and evidenced by appropriate conveyances and assignments by the incorporated association. To the greatest extent possible, any such successor unincorporated association shall be governed by the Articles of Incorporation and bylaws of the incorporated association as if they had been made to constitute the governing documents of the unincorporated association.
- c. The Articles of Incorporation shall provide that the Sunriver Owners Association shall exercise and perform all of the powers, obligations and duties delegated to it pursuant to the Consolidated Plan of Sunriver and any additional or different powers and obligations necessary or desirable for the purpose of carrying out the functions of the Sunriver Owners Association pursuant to the Consolidated Plan of Sunriver or otherwise promoting the general benefit of owners within Sunriver.
- d. Neither the Association nor any officer or director thereof shall be liable to any owner, the Developer, or to any village association for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the association, provided only that

the association, in accordance with actual knowledge possessed by it, has acted in good faith.

Section 11

Miscellaneous Provisions11.01 Amendment.

Except as provided herein, the provisions hereof may be amended by an instrument in writing, signed and acknowledged by a majority of the members of the Board of Directors of the Sunriver Owners Association, certifying under penalty of perjury that the amendment set forth therein was duly adopted with the written consent of not less than 60 percent of the votes cast by written ballot directed to all owners. Any amendment or revision of the Consolidated Plan of Sunriver or additional provision shall become effective only upon the filing in the records of deeds of Deschutes County, Oregon, of such certificate, setting forth in full the amendment, amendments, additional provision or repeal approved as provided in this section. There shall be no amendment of the Consolidated Plan which would change Sections 1, 3.12, 6, 7 and 10 in any manner which would alter or change the status, rights and obligations specifically of the commercial property owners and/or resort property owners unless such amendment or repeal is also approved in writing by a majority of the affected commercial or resort property owners based on the votes allocated to those land classifications.

11.02 Joint Owners.

In any case in which two or more persons share the ownership of any unit, regardless of the form of ownership, the responsibility of those persons to comply with the provisions of the Consolidated Plan of Sunriver and any Sunriver Declaration shall be a joint and several responsibility. The act or consent of any one or more of such persons shall constitute the act or consent of the entire ownership; provided, however, that in the event that such persons disagree among themselves as to the manner in which any vote or right of consent held by them shall be exercised with respect to a pending matter, any such person may deliver written notice of such disagreement to the Administrator and the vote or right of consent involved shall then be disregarded completely in determining the proportion of votes or consents given with respect to such matter.

11.03 Expenses and Attorneys' Fees.

In the event that the Administrator of Sunriver shall bring any suit or action to enforce any provision herein contained in the Consolidated Plan of Sunriver or in a Sunriver Declaration, to collect any money due to it thereunder or to foreclose a lien, the defendant in such suit or action shall pay to the Administrator of Sunriver all costs and expenses which the Administrator shall incur in connection with such suit or action, including a foreclosure title report, in such amount as the court may determine to be reasonable as attorneys' fees therein, including attorneys' fees incurred in connection with any appeal or decision of the trial court or an appellate court.

11.04 Nonexclusiveness and Cumulation of Remedies.

Election by the Administrator of Sunriver to pursue any remedy provided for the violation of any provision of the Consolidated Plan of Sunriver or of a Sunriver Declaration shall not prevent concurrent or subsequent exercise of another remedy permitted thereunder or permitted by law. The remedies provided in the Consolidated Plan of Sunriver and in any Sunriver Declaration are not intended to be exclusive but shall be in addition to all other remedies, including actions for damages or suits for injunctions or for specific performance available under applicable law.

11.05 Right of Entry.

The Administrator of Sunriver or his duly designated agent may at any reasonable time, and from time to time at reasonable intervals, enter upon any property within Sunriver for the purpose of determining whether or not the use of such property or any improvement thereon is then in compliance with the Consolidated Plan of Sunriver or any Sunriver Declaration. No such entry shall be deemed to constitute a trespass or otherwise to create any right of action in the unit owner or occupant of such parcel.

11.06 Interest.

Any amount not paid to the Administrator of Sunriver when due in accordance with the Consolidated Plan of Sunriver or in any Sunriver declaration shall bear interest at the rate of ten percent per annum or at such legal rate as may be established by the Administrator.

11.07 Construction; Severability; Numbers; Captions.

The Consolidated Plan of Sunriver shall be construed as an entire document to accomplish the purpose stated in the introductory paragraphs. Nevertheless, each provision of the Consolidated Plan of Sunriver shall be deemed independent and severable, and the invalidity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provisions. As used herein the singular shall include the plural, and the plural the singular. The masculine and neuter shall include the masculine, feminine and neuter as the context requires. All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions hereof.

11.08 Original Subdivision and Development Work.

Nothing herein contained shall be deemed to limit or restrict the right of the Developer and/or the Administrator or their designated successors, their contractors, employees, materialsmen, or assigns from entering all or any portion of Sunriver for the purpose of conducting therein and thereon such work of subdivision, improvement, construction and development as the Developer and/or the Administrator may deem necessary or desirable. However, all such work shall be performed in accordance with the Consolidated Plan of Sunriver and without cost or expense to any owner other than the Developer and/or the Administrator or their designated successors, except in such instances where another unit owner or owners have expressly contracted for said work. The Developer and/or Administrator shall have a non-exclusive easement for use of the private ways for ingress and egress on those portions of the real property owned by the Developer and/or the Administrator to perform work of construction thereon and for other work or activity associated with the ownership of said property. Portions of the roads from time to time included within Sunriver are acknowledged to be roads which provide a principal means of ingress and egress from property in Sunriver and the roads and private ways may be utilized for that purpose by Developer and/or the Administrator, its agent, contractors and employees, lessees, invitees and licensees of commercial areas and for other uses permitted under the Consolidated Plan of Sunriver, all on a non-exclusive and reasonable basis.
