Within 30 days following receipt of such plans and drawings, the Architectural Review Committee shall review the plans and shall inform the Owner in writing whether the plans conform to the development concept for Timber Creek. In the event any of the plans do not conform to the property development concept, the

99.44444.6

99-45822-7

Owner, upon request by the Architectural Review Committee, shall resubmit those nonconforming portions of the plans for review in accordance with the procedures outlined in section 4.2 above and this section. No work may be performed relating to any improvement unless and until all aspects of all plans and drawings requiring approval are submitted to and approved by the appropriate governmental agency in connection with the construction of any improvement in Timber Creek and the plans and drawings must bear the signature showing prior written approval of the Architectural Review Committee.

4.4 *Architectural Guidelines.* The development concept for Timber Creek shall be determined by Declarant in accordance with its Bylaws, applicable statutes, ordinances, regulations, zoning and other governmental land use controls. Once approval has been given pursuant to section 4.3 above, work may proceed in accordance with approved plans and drawings notwithstanding any changes in the development concept. All such guidelines shall be in general conformity with this Declaration and may be altered or amended from time to time following reasonable and written notice to all Owners.

4.5 *Inspection.* All work related to any building, structure or Improvement shall be performed in strict conformity with the plans and drawings approved under section 4.4 above. Architectural Review Committee shall have the right to inspect any such work to determine its conformity with the approved plans and drawings. Continued work without correction of any such nonconforming items shall be deemed a breach of this Declaration. Neither Declarant, the Association, the Board of Directors, nor officer, director, employee, agent nor servant of Declarant shall be responsible for any damages, loss, delay, cost, or legal expense occasioned through a stop work notice given in good faith, even if it is ultimately determined that such work was in conformity with the approved plans and drawings. The Declarant or any owner may seek a temporary restraining order or injunction, if necessary, to correct or stop the nonconforming work or Improvement.

4.6 *Waiver.* Any condition or provision of sections 4.2 through 4.6 above, may be waived by Declarant in its exclusive discretion. Any waiver shall be in general conformity with the development concept and development standards for Timber Creek. Any such waiver shall not be deemed a general waiver of any aspect of the development concept or the required procedures and approvals specified under sections 4.2 through 4.6. The granting of a waiver as to one Owner shall not automatically entitle any other Owner to a waiver of the same or similar conditions or provisions. No waiver shall be valid unless it is in writing, signed by an authorized representative of Declarant and delivered to the party claiming the benefit of such waiver.

4.7 *Architectural Review Committee.* At such time as Declarant shall no longer desire to exercise its rights of approval such approval rights shall be exercised by an Architectural Review Committee. The termination of Declarant's approval rights shall be evidenced by the recording of an instrument in the official records of Deschutes County, Oregon. The Association membership shall have responsibility for appointment and removal of members of the Architectural Review Committee. The Architectural Review Committee shall consist of not less than three persons. If the membership fails to appoint the members of the Architectural Review Committee, the officers shall serve as the Architectural

99-45822-8

Review Committee.

4.8 *Majority Action.* Except as otherwise provided herein, a majority of the members of the Architectural Review Committee shall have the power to act on behalf of the Architectural Review Committee, without the necessity of a meeting and without the necessity of consulting or notifying the remaining members of the Architectural Review Committee. The Architectural Review Committee may render its decision only by written instrument setting forth the action taken by the members consenting thereto.

Such Association, its successors and assigns, shall be organized under the name "Timber Creek Homeowners Association, Inc." or such similar name as Declarant shall designate, and shall have such property, powers, and obligations as are set forth in this Declaration for the benefit of Timber Creek and all Owners of property located therein.

Class A members shall be all owners with the exception of the Declarant (except that beginning on the date on which the Class B membership is converted to Class A membership, and thereafter, Class A members shall be all Owners including the Declarant). Class A members shall be entitled to voting rights for each Homesite owned computed in accordance with section 5.3 (a) above. When more than one person holds an interest in any Homesite, all such persons shall be members. The vote for such Homesite shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Homesite.

Class B. The Class B member shall be Declarant and shall be entitled to nine times the voting rights computed under section 5.3 (a) for each Homesite owned by Declarant. The Class B

99-44444-8

99-45822-9

5.5 *Turnover Meeting.* Declarant shall call a meeting by giving notice to each Owner as provided in the Bylaws of the Association, not later than one hundred twenty (120) days after Homesites representing seventy-five percent (75%) of the votes in all phases of Timber Creek have been sold and conveyed to Owners other than Declarant. At the turnover meeting the Association Board of Directors shall be elected by the Owners and Declarant as provided in this Declaration and the Bylaws of the Association.

ARTICLE 6 COVENANT FOR ASSESSMENT

The assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property until paid or foreclosed, but shall not be a personal obligation of successors in title unless expressly assumed by them.

6.2 *Purpose of Assessments.* The assessments levied by the Association shall be used exclusively for the following purposes:

(a) Payment of the cost of insurance against liability arising out of the existence of the Association and its Board of Directors, representatives and agents, acting within the scope of their authority on behalf of the Association, which insurance the Association is required to obtain and maintain at reasonable amounts at all times;

(b) Payment of any and all taxes; including property taxes incurred due to septic treatment easement;

(f) Payment of expenses incurred in organizing Timber Creek Homeowners Association, or any committee thereof, and of maintaining the same as a corporation.

6.3 *Periodic Assessments.* After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix a regular flat assessment upon a monthly, quarterly, or annual basis. Assessments shall be fixed at least 30 days in advance of each assessment period. Assessments shall be billed in writing and sent to each Owner. Assessments are due within 30 days of the date billed. Assessments not paid when due accrue interest on the unpaid balance at the rate of 12% per annum simple interest or the maximum allowable by law. In addition there will be a \$50.00 administration fee on all delinquent accounts at the discretion of the Board of Directors. Periodic assessments shall not increase more than 8% per annum unless approval of the Owners is obtained by voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Owners not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting.

6.4 *Initial Assessments.*

Upon purchase of Unimproved Lot \$170.00 Annually

Upon receipt of Certificate of Occupancy Additional \$39.00 per
month for Septic

6.5 *Quorum.* At meetings of the Homeowners Association the presence of members, Owners or of proxies entitled to cast seventy-five percent (75%) of all the votes of the Lot Owners shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth herein or in the Association By Laws. No such subsequent meeting shall be held sooner than thirty (30) days following the date of the meeting at which no quorum was forthcoming.

6.6 *Effect of Nonpayment of Assessments: Remedies of the Association.* Any assessments not paid within 30 days of the due date are delinquent. 6.7 *Subordination of the Lien to Mortgages.* The lien of the assessments provided for herein shall be inferior, junior, and subordinate to the lien of all mortgages and trust deeds now or hereafter placed upon lien real property, or any part thereof. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or trust deed, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to amounts thereof which became due prior to such sale or transfer; and such lien shall attach to the net proceed of sale, if any, remaining after such mortgages and other prior liens and charges have been satisfied. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
