title to and convey, with or without consideration, real and personal property and interests therein, including but not limited to easements across all or any portion of the Common Area, and shall accept any real or personal property, leasehold or other property interest within the property conveyed to the Association by Owners or Declarant.

(h) **Transfer, Dedication and Encumbrance of Common Area.** Except as otherwise provided in Section 4.4 above, the Association may sell, transfer or encumber all or any portion of the Common Area to a person, firm or entity, whether public or private, and dedicate or transfer all or any portion of the Common Area to any public agency, authority, or utility for public purposes.

(i) **City as a Party to Changes to CC&Rs.** The City of Sisters is designated as a party to these CC&Rs and may, in the City's sole discretion, enforce the provisions of these CC&Rs in the same manner as the Association or any Owner, and the City shall be entitled to recover its costs and attorney fees in any enforcement action. The land use approval for this subdivision included conditions of approval that are incorporated into the CC&Rs. The City is a party to assure compliance with all aspects of those conditions of approval. These CC&Rs may not be amended in any manner without the written consent of the City. The City's review of any proposed amendments to the CC&Rs will be to assure compliance with the approval decisions for Village Meadows Planned Development.

7.6 Liability. A member of the Board of Directors or an officer of the Association shall not be liable to the Association or any member of the Association for any damage, loss or prejudice suffered or claimed on account of any action or failure to act in the performance of his or her duties, except for acts of gross negligence or intentional acts. In the event any member of the Board of Directors or any officer of the Association is made a party to any proceeding because the individual is or was a director or officer of the Association, the Association shall indemnify such individual against liability and expenses incurred to the maximum extent permitted by law.

7.7 Interim Board. Declarant shall have the right to appoint an interim board of three directors, who shall serve as the Board of Directors of the Association until replaced by Declarant or until their successors take office at the next annual meeting following termination of Class B membership. At such meeting, the interim directors shall resign and be replaced by their successors, who shall be elected as provided in this Declaration and the Bylaws of the Association.

7.8 Turnover Meeting. Declarant shall call a meeting of the Association for the purpose of turning over administrative responsibility for the Property to the Association not later than ninety (90) days after Lots representing eighty-eight percent (88%) (15 lots) of the Voting Units computed in accordance with Section 7.3(a) above have been sold and conveyed to Owners other than Declarant. If the Declarant fails to call the turnover meeting as required by

this section, any Owner or mortgagee of a Lot may call the meeting by giving notice as provided in the Bylaws.

7.9 Declarant Control After Turnover. After the turnover meeting described in Section 7.8 above, Declarant **shall continue to have the voting rights described in Section 7.3 (b)** above and the right to appoint interim directors as provided in Section 7.7 until termination of the Class B membership.

7.10 Appointment of Directors. Effective as of the next annual meeting following termination of Class B membership, the Board of Directors of the Association will be composed of five directors, all of whom shall be elected by the Owners.

ARTICLE 8

MAINTENANCE, UTILITIES AND SERVICES

8.1 Maintenance and Lighting of Common Areas. The Association shall be responsible for exterior lighting for and perform all maintenance upon the Common Areas, Common Easement Areas, and landscaping within dedicated rights of way, including but not limited to grass, trees, entrance signs, street lighting and signs, parking areas, walkways and trails, unless the maintenance thereof is assumed by a public body. Such areas shall be maintained in a good and workmanlike manner in order to carry out the purpose for which such areas are intended.

8.2 Maintenance of Access Easements. As provided in recorded access easements, the Association shall be responsible for maintenance of the asphalt overlaying the access easements. Such areas shall be maintained in a good and workmanlike manner such as to carry out the purpose for which such areas are intended. The costs of such maintenance and repair shall be assessed equally to the Owners of the Lots sharing the access easement as Individual Assessments as provided in Section 9.7 herein.

8.3 Maintenance of Utilities. The Association shall perform or contract to perform maintenance of all utilities within Common Areas, such as sanitary sewer service lines, domestic water service lines and storm drainage lines, except to the extent such maintenance is performed by the utilities furnishing such services. Each Owner shall be responsible for maintaining utility lines within his or her Lot.

8.4 Services. The Association may provide or contract for such services as the Board may reasonably deem to be of benefit to the Property, including without limitation, garbage and trash removal for Common Areas.

8.5 Owner's Responsibility. Except as otherwise provided in this Declaration or by written agreement with the Association, all maintenance of the Lots and all structures, landscaping, parking areas, and other Improvements thereon, shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in accordance with these Covenants, Codes and Restrictions. The Association shall, at the discretion of the Board of Directors, assume the

maintenance responsibilities of such Owner if in the opinion of the Board of Directors, the level and quality of maintenance being provided by such Owner does not satisfy such standard. Before assuming the maintenance responsibilities, the Board of Directors shall notify the Owner in writing of its intention to do so, and if such Owner has not commenced and diligently pursued remedial action within 30 days after mailing of such written notice, then the Association may proceed. The expenses of such maintenance by the Association, including administrative costs as determined by the Board of Directors, shall be reimbursed to the Association by the Owner, together with interest as provided in Section 10.7 below. Such charges shall be Individual Assessments and a lien on the Lot as provided in Sections 9.7 and 10.4 below.

ARTICLE 9

ASSESSMENTS

9.1 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and occupants of Village Meadows South and for the improvement, operation and maintenance of the Common Areas.

9.2 Types of Assessments. The Association may levy Annual Assessments, Special Assessments, Emergency Assessments and Individual Assessments, all as more particularly described below.

9.3 Apportionment of Assessments. All Lots shall pay a pro rata share of the Annual Assessments, Special Assessments and Emergency Assessments commencing upon the date such Lots are made subject to this Declaration. The pro rata share shall be based upon the total amount of each such Assessment divided by the total number of Lots subject to the Assessment. The owner of a Lot shall be obligated to pay such Assessments regardless of whether the Living Unit has been constructed on the Lot.

9.4 Annual Assessments. The Board of Directors of the Association shall from time to time and at least annually prepare an operating budget for the Association, taking into account the current costs of maintenance and services and future needs of the Association, any previous over assessment and any common profits of the Association. In addition, the budget shall take into account the number of Lots as of the first day of the fiscal year for which the budget is prepared and the number of Lots reasonably anticipated to become subject to assessment during the fiscal year. The budget shall provide for such reserve or contingency funds as the Board deems necessary or as may be required by law, but not less than the reserves required by Section 9.9 below. Annual Assessments for such operating expenses and reserves ("Annual Assessments") shall then be apportioned among the Lots as provided in Section 9.3 above. The method of adoption of the budget and the manner of billing and collection of Assessments shall be as provided in the Bylaws.

9.5 Special Assessments. In addition to the Annual Assessment authorized above, the Board of Directors may levy during any fiscal year a Special Assessment ("Special Assessment"), applicable to that year only, for the purpose of deferring all or any part of the cost

of any construction or reconstruction, unexpected repair, or acquisition or replacement of a described capital improvement, or for any other one-time expenditure not to be paid for out of Annual Assessments. Special Assessments which in the aggregate in any fiscal year exceed an amount equal to twenty percent (20%) of the budgeted gross expenses of the Association for the fiscal year may be levied only if approved by a majority of the voting rights as provided in the Bylaws. Special Assessments shall be apportioned as provided in Section 9.3 above and may be payable in lump sum or in installments, with or without interest or discount, as determined by the Board of Directors.

9.6 Emergency Assessments. If the Annual Assessments levied at any time are, or will become, inadequate to meet all expenses incurred under this Declaration for any reason, including nonpayment of any Owner's Assessments on a current basis, the Board of Directors of the Association shall immediately determine the approximate amount of such inadequacy and issue a supplemental budget, noting the reason therefore, and levy an Emergency Assessment for the amount required to meet all such expenses on a current basis ("Emergency Assessment"). Any Emergency Assessment which in the aggregate in any fiscal year would exceed an amount equal to twenty percent (20%) of the budgeted gross expenses of the Association for the fiscal year may be levied only if approved by not less than a majority of the voting rights as provided in the Bylaws. Emergency Assessments shall be apportioned as set forth in Section 9.3 above and payable as determined by the Board of Directors.

9.7 Individual Assessments. Any common expense or any part of a common expense benefiting fewer than all of the Lots may be assessed exclusively against the Lots benefited ("Individual Assessment"). Individual Assessments include, without limitations, charges for services provided under Section 8.2 relating to maintenance of access easements and under Section 8.4 herein. Individual Assessments shall also include default assessments levied against any Lot to reimburse the Association for costs incurred in bringing such Lot or its Owner into compliance with the provisions of this Declaration or the Policies and Procedures of the Association and for fines or other charges imposed pursuant to this Declaration for violation thereof. Unless otherwise provided by the Board of Directors, Individual Assessments shall be due 30 days after the Board of Directors has given written notice thereof to the Owners subject to Individual Assessments.

9.8 Operations Fund. The Association shall keep all funds received by it as Assessments, other than reserves described in Section 9.9, separate and apart from its other funds, in an account to be known as the "Operations Fund." The Association shall use such fund exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents within the Property and in particular for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas and of the Lots situated on the Property, including but not limited to:

- (a) Payment of the cost of maintenance, utilities and services as described in Article 8.
- (b) Payment of the cost of insurance as described in the Bylaws of the Association.

(c) Payment of taxes assessed against the Common Areas and any improvements thereon.

(d) Payment of the cost of other services which the Association deems to be of general benefit to the Owners, including but not limited to accounting, legal and secretarial services.

9.9 Reserve Fund. The Declarant shall establish a reserve fund for replacement of those items to be maintained by the Association all or a part of which will normally require replacement in more than three (3) and less than thirty (30) years ("Reserve Fund"). Such Reserve Fund shall be funded by Assessments against the individual Lots assessed for maintenance of the items for which the Reserve Fund is being established. The amount assessed shall take into account the estimated remaining life of the items for which the reserve is created and the current replacement cost of such items. The Reserve Fund shall be established in the name of the Association and shall be adjusted at regular intervals to recognize changes in current replacement cost over time. The Reserve Fund shall be used only for replacement of common property as determined by the Board of Directors and shall be kept separate from the Operations Fund. Any interest earned on funds deposited in the Reserve Fund, however, may either be accumulated in the Reserve Fund or deposited in the Operations Fund. The Board of Directors may borrow funds from the Reserve Fund to meet high seasonal demands on the regular operating funds or to meet other temporary expenses, which will later be paid from Annual Assessments, Special Assessments or Emergency Assessments. Nothing in this section shall prohibit prudent investment of the reserve account. Assessments paid into the Reserve Fund are the property of the Association and are not refundable to sellers or Owners of Lots. Sellers of the Lots, however, may treat their outstanding share of the Reserve Fund as a separate item in any sales agreement.

9.10 Creation of Lien and Personal Obligation of Assessments. Declarant and Owners hereby covenant, and each Owner of any Lot by acceptance of a conveyance thereof, whether or not so expressed in any such conveyance, shall be deemed to covenant to pay to the Association all Assessments or other charges as may be fixed, established and collected from time to time in the manner provided in this Declaration or the Association Bylaws. Such Assessments and charges, together with any interest, expenses or attorneys' fees imposed pursuant to Section 10.7, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment or charge is made. Such Assessments, charges and other costs shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment or charge fell due. Such liens and personal obligations shall be enforced in the manner set forth in Article 10 below.

ARTICLE 10

ENFORCEMENT

10.1 Remedies. This Declaration shall be specifically enforceable by Declarant or by any Owner of any Lot. Any breach of this Declaration shall subject the breaching party to any

and all legal remedies, including damages or the destruction, removal, or enjoining of any offending Improvements or condition.

10.2 Nonwaiver. Failure by the Declarant or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

10.3 Nonqualifying Improvements and Violation of General Protective Covenants.

In the event any Owner constructs or permits to be constructed on his Lot an Improvement contrary to the provisions of this Declaration, or causes or permits any Improvement, activity, condition or nuisance contrary to the provisions of this Declaration to remain uncorrected or unabated on the Owner's Lot, then the Association acting through its Board of Directors shall notify the Owner in writing of any such specific violations of this Declaration and shall require the Owner to remedy or abate the same in order to bring his Lot, the Improvements thereon and the use thereof, into conformance with this Declaration. If the Owner is unable, unwilling or refuses to comply with the Association's specific directives for remedy or abatement, or the Owner and the Association cannot agree to a mutually acceptable solution within the framework and intent of this Declaration, after notice and opportunity to be heard and within thirty (30) days, fifteen (15) days for yard maintenance requirements and violations under Section 6.17, of written notice to the Owner, then the Association acting through its Board of Directors, shall have the right to do any or all of the following.

- (a) Assess fines against such Owner in the manner and amount the Board deems appropriate in relation to the violation, which fines shall constitute Individual Assessments for purposes of this Declaration. Such fines shall be in the amounts set forth in the Bylaws. The Board shall consider a repayment schedule which shall take into account the Owner's ability to pay the fine.
- (b) After repeated failure to remedy a particular violation and notice and opportunity for a hearing, enter the offending Lot and remove the cause of such violation, or alter, repair or change the item which is in violation of this Declaration in such a manner as to make it conform thereto, in which case the Association may assess such Owner for the entire cost of the work done including administrative costs as determined by the Board of Directors, which amount shall be payable to the Operations Fund as an Individual Assessment, provided that no items of construction shall be altered or demolished in the absence of judicial proceedings, or;
- (c) Bring suit or action against the Owner on behalf of the Association and other Owners to enforce this Declaration.

10.4 Default in Payment of Assessments; Enforcement of Lien. If an Assessment or other charge levied under this Declaration is not paid within thirty (30) days of its due date, such Assessment or charge shall become delinquent and shall bear interest from the due date at the rate set forth in Section 10.7, below. In such event, the Association may exercise any or all of the following remedies:

- (a) The Association may suspend such Owner's voting rights and right to use

the Common Areas until such amounts, plus other charges under this Declaration, are paid in full and may declare all remaining periodic installments of any Annual Assessment immediately due and payable. In no event, however, shall the Association deprive any Owner of access to and from the Owner's Lot.

(b) The Association shall have a lien against each Lot for any Assessment levied against the Lot, including any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot from the date on which the Assessment is due. The provisions regarding the attachment, notice, recordation and duration of liens established on real property under ORS 94.704 to 94.719, as the same may be amended, shall apply to the Association's lien. The lien shall be foreclosed in accordance with the provisions regarding the foreclosure of liens under ORS Chapter 88. The Association, through its duly authorized agents, may bid on the Lot at such foreclosure sale, and may acquire and hold, lease, mortgage and convey the Lot.

(c) The Association may bring an action to recover a money judgment for unpaid Assessments under this Declaration without foreclosing or waiving the lien described in paragraph (b) above. Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof; for which recovery is made.

(d) The Association shall have any other remedy available to it by law or in equity.

10.5 Notification of First Mortgagee. The Board of Directors shall notify any first mortgagee of any individual Lot of any default in performance of this Declaration by the Lot Owner which is not cured within sixty (60) days after notice of default to the Owner.

10.6 Subordination of Lien to Mortgages. The lien of the Assessments or charges provided for in this Declaration shall be subordinate to the lien of any mortgage or deed of trust on such Lot which was made in good faith and for value and which was recorded prior to the recordation of the notice of lien. Sale or transfer of any Lot shall not affect the Assessment lien, but the sale or transfer of any Lot which is subject to any mortgage or deed of trust pursuant to a decree of foreclosure or nonjudicial sale thereunder shall extinguish any lien of an Assessment notice of which was recorded after the recording of the mortgage or trust deed. Such sale or transfer, however, shall not release the liability for any Assessments or charges thereafter becoming due or from the lien of such Assessments or charges.

10.7 Interest, Expenses and Attorneys' Fees. Any amount not paid to the Association when due in accordance with this Declaration shall bear interest from the due date until paid. The interest rate shall be commensurate with the Oregon limit of interest on judgments or such other rate as may be established by the Board of Directors, but not to exceed the lawful rate of interest under the laws of the State of Oregon.

A late charge may be charged for each delinquent Assessment in an amount established from time to time by resolution of the Board of Directors of the Association not to exceed twelve

percent (12%) of such Assessment. In the event the Association shall file a notice of lien, the lien amount shall also include the recording fees associated with filing the notice, and a fee for preparing the notice of lien established from time to time by resolution of the Board of Directors of the Association.

In the event the Association shall bring any suit or action to enforce this Declaration, or to collect any money due under this Declaration or to foreclose a lien, the prevailing party shall pay to the other party costs and expenses, including attorney fees, if any, incurred by it in connection with such suit or action, including a foreclosure title report and the prevailing party in such suit or action shall recover such amount as the court may determine to be reasonable as attorneys' fees at trial and upon any appeal or petition for review thereof or in connection with any bankruptcy proceedings or special bankruptcy remedies.

10.8 Assignment of Rents. As security for the payment of all liens arising pursuant to this Article 10, each Owner hereby gives to and confers upon the Association the right, power and authority, during the continuation of such ownership, to collect the rents, issues and profits of the Owner's Lot, reserving unto the Owner the right, prior to any default by such Owner in performance of that Owner's obligation under this Declaration or the Bylaws to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, the Association may, at any time after ten (10) days written notice to such Owner, either in person, by agent or by a receiver to be appointed by a court of competent jurisdiction, and without regard to the adequacy of any security for such indebtedness, enter upon and take possession of such Owner's Lot or any part thereof, in its own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, in payment of any indebtedness to the Association or in performance of any agreement hereunder, and in such order as the Association may determine. Such action shall not, alone, cure nor waive any default hereunder or invalidate any act done pursuant to this Declaration. The assignment of rents and powers described in the foregoing paragraph shall not affect, and shall in all respects be subordinate to, the rights and powers of the holder of any first or second mortgage on any Lot, or any part thereof, to do the same or similar acts.

10.9 Nonexclusiveness and Accumulation of Remedies. An election by the Association to pursue any remedy provided for violation of this Declaration shall not prevent concurrent or subsequent exercise of another remedy permitted under this Declaration. The remedies provided in this Declaration are not exclusive but shall be in addition to all other remedies, including actions for damages and suits for injunctions and specific performance, available under applicable law to the Association. In addition, any aggrieved Owner may bring an action against another Owner or the Association to recover damages or to enjoin, abate or remedy any violation of this Declaration by appropriate legal proceedings.

10.10 Dispute Resolution.

- (a) **Mediation.** Any claim, controversy or dispute by or among Declarant, the Association or one or more Owners, or any of them, arising out of or related to this Declaration shall be first subject to mediation and, if not timely settled by

mediation, resolved by arbitration in accordance with this Section 10.10. Mediation will always be offered before arbitration.

(b) **Arbitration.** Any and all claims or disputes, including claims for equitable relief, arising out of or pertaining to this Agreement shall be resolved by final binding arbitration before a single arbitrator appointed by the Arbitration Service of Portland according to its rules. The Arbitrator so appointed is directed to resolve any such disputes in an expeditious and efficient manner without production of any written statement of facts or memorandum of law except only as may be necessary to create an arbitration award capable of enforcement in the Courts of Oregon. A party substantially prevailing in the arbitration shall be entitled to recover an amount for costs and attorney fees incurred in connection with the arbitration as shall be determined by the arbitrator to be reasonable. Further, a party so prevailing, may file and enforce such award in the Circuit Court for Deschutes County, Oregon, and shall also be entitled to attorney fees incurred in the filing and enforcement of such award. The decision of the arbitrator shall be binding. Judgment upon the arbitration award may be entered into any court having jurisdiction. This arbitration procedure shall apply regardless of the type of remedy sought, be it equitable or legal in nature.

ARTICLE 11

DECLARANT'S IMMUNITY

Declarant has a non-exclusive right and power to enforce the covenants, conditions, and restrictions contained in this Declaration, but Declarant does not have the legal obligation to enforce or attempt to enforce the provisions hereof. In the event Declarant refuses, neglects, fails or is negligent in enforcing or attempting to enforce the Declaration, there shall not exist or be created any cause of action or claim against Declarant, and each Owner or any person or entity claiming by, through or from said Owner hereby releases Declarant from and against any claim arising in connection with the development of the Property or related to Declarant's acts or omissions to the fullest extent allowed by law.

ARTICLE 12

MORTGAGEES

12.1 Reimbursement of First Mortgagees. First mortgagees of Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy, for such Common Area. First mortgagees making such payments shall be owed immediate reimbursement therefore from the Association.

12.2 Right of First Mortgagees Relating to Maintenance. At any time that the Common Areas are not maintained or repaired by the Association to the extent reasonably necessary to protect and preserve the value of the Property for security purposes, then the record mortgagee, upon giving written notice as provided in this section, shall be entitled to exercise the rights of the Owner of the Lot as a member of the Association to vote at all regular and special

meetings of the members of the Association.

ARTICLE 13

MISCELLANEOUS PROVISIONS

13.1 Duration. This Declaration shall run with the land and shall be and remain in full force and effect at all times with respect to all property included in the Property and the Owners thereof for an initial period of thirty (30) years commencing with the date on which this document is recorded. Thereafter, this Declaration shall continue to run with the land and be and remain in full force and effect at all times with respect to all Property and the Owners thereof for successive additional periods of ten (10) years each. The continuation from the initial or any additional period into the next subsequent period shall be automatic and without the necessity of any notice, consent, or other action whatsoever; provided, however, that this Declaration may be terminated at the end of the initial or any additional period by an affirmative vote or written consent not less than six (6) months prior to the intended termination date of Owners owning not less than seventy-five percent (75%) of the Lots in the Property.

13.2 Amendment. This Declaration or any provision thereof may be terminated, extended, modified or amended, as to the whole of said Property or any part thereof with written consent of the Owners of at least seventy-five percent (75%) of the Lots in the Property; provided, however, that as long as Declarant owns any of the Lots, no such termination, extension, modification, or amendment shall be effective without the written approval of Declarant. Any such approved amendment must be certified by the President and Secretary of the Association as being adopted in accordance with the Declaration as provided in ORS 94.590.

13.3 Joint Owners. Unless otherwise provided in this Declaration, in any case in which two or more persons share the ownership of any Lot, regardless of the form of ownership, the responsibility of such persons to comply with this Declaration shall be a joint and several responsibility and the act or consent of any one or more of such persons shall constitute the act or consent of the entire ownership interest; provided, however, that in the event such persons disagree among themselves as to the manner in which any vote or right of consent held by them shall be exercised with respect to a pending matter, any such person may deliver written notice of such disagreement to the Association, and, if the disagreeing fractional Owner or Owners combined own one-half or greater interest in the Lot, the vote or right of consent involved shall then be disregarded completely in determining the proportion of votes or consents given with respect to such matter.

13.4 Notice of Sale or Transfer of Title. Any Owner selling or otherwise transferring title to his or her Lot shall give the Association written notice within seven (7) days after such transfer of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Association may reasonably require. The transferor shall continue to be jointly and severally responsible with the Transferee for all obligations of the Owner of the Lot, including assessment obligations, until the date upon which such notice is received by the Association, notwithstanding the transfer of title.

13.5 Nonwaiver. Failure by the Declarant, the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed, a waiver of the right to do so thereafter.

13.6 Construction: Severability, Number; Captions. This Declaration shall be liberally construed as an entire document to accomplish the purposes thereof as stated in the introductory paragraphs hereof. Nevertheless, each provision of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provision. As used in this Declaration, the singular shall include the plural and the plural the singular, and the masculine and neuter shall each include the masculine, feminine and neuter, as the context requires. All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Declaration.

13.7 Notices and Other Documents. Any notice or other document permitted or required by this Declaration may be delivered either personally or by mail. Delivery by mail shall be deemed made seventy-two (72) hours after having been deposited in the United States mail as certified or registered mail, with postage prepaid, addressed as follows: If to Declarant or the Association, P.O. Box 238, Sisters, Oregon 97759; if to an Owner, at the address given by the Owner at the time of purchase of a Lot, or at the Lot. The address of a party may be changed at any time by notice in writing delivered as provided in this section.

13.8 Recording. Any amendment, deletion or repeal of this Declaration shall not become effective until recorded in the Official Records of Deschutes County, Oregon.

Effective on the date set forth at the beginning.
