ARTICLE V
COVENANT FOR MAINTENANCE ASSESSMENT

1. Creation of the Lien and Personal Obligation of Assessments.

Each Owner of any Dwelling Unit, Lot or Building Site, by acceptance of a deed or contract of purchase therefor, whether or not it shall be so expressed in any such deed or other conveyance or agreement for conveyance, is deemed to covenant and agree to pay to the Association; (1) Regular annual or other regular periodic assessments or charges, and (2) Special Assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The regular and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time such assessment was levied. The obligation shall remain a lien on the property until paid or foreclosed.

2. Purpose of Assessments.

The assessments levied by the Association, shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in said property and in particular for the improvement and maintenance of said property, any Common Areas, the services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas, and of the Dwelling Units situated upon said property and including without being limited thereto, the payment of taxes and insurance on all or any part of said property.

3. Basis and Maximum Annual Assessments.

The regular assessment for each Lot or Dwelling Unit subject thereto shall be regulated by the Board of Directors.

a. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix a regular flat assessment upon a monthly, quarterly, or annual basis.

b. If any owner should fail to keep and maintain properly the exterior of any building or lot or the exterior of any common or other area of said property owner or maintained by said Owner in good condition, or if any part of said property becomes damaged or destroyed, then the Association, after giving said Owner reasonable written notice (by Certified or Registered Mail with return receipt requested, and quoting a copy of this paragraph), may enter upon said property and perform said maintenance and assess the reasonable cost

thereof to said Owner. Such assessment shall be added to the regular assessment and become a lien and enforceable in the same manner. Disputes concerning the enforcement of this provision and the necessity of such maintenance or replacement shall be arbitrated by an arbitrator to be mutually agreed upon by the parties, or if the parties are unable to agree, then as appointed by the Circuit Court of the State of Oregon for Deschutes County or other Court of appropriate jurisdiction.

4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, provided that, except for repairs or replacements, any such assessment for structural alterations, capital additions or capital improvements reflecting an expenditure of in excess of five hundred dollars (\$500.00) shall require the majority vote of entitled members voting in person or by proxy at meeting, written notice of which shall be sent, by First Class Mail, to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting.

5. Uniform Rate of Assessment.

Both regular periodic flat charges and any special assessments (except those levied pursuant to Paragraph 3 b. above) must be fixed at a uniform rate for all Dwelling Units, Lots and Building Sites, and may be collected on an annual, quarterly, or monthly basis in the discretion of the Directors; except that assessments may be levied applicable to some Lots only with prior consent by the Owners of such Lots if such procedure is considered equitable in the discretion of the Board in order to construct facilities to be available only to the members desiring to pay for the cost thereof.

6. Date of Commencement of Annual Assessments: Due Dates.

All Dwelling Units, and all Lots and Building Sites upon which buildings have been constructed, shall be subject to the annual or monthly assessments provided for herein on the first day of the month following the date the designated park or recreational facilities are available for use by the members. The first regular assessment shall be adjusted according to the number of months remaining in the calendar year but in no event shall an assessment be levied for a period in which a Lot was not accessible from a paved street or roadway to an improved public street. The Board of Directors shall fix the amount of the regular assessment at least thirty (30) days in advance of each assessment period. Written notice of the assessment shall be sent to every owner subject thereto. The due date shall be established by the Board of Directors. The Association shall upon demand at any reasonable time furnish a certificate in writing, signed by an officer

of the Association, setting forth whether the assessments on a special Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

7. Effect of Non-payment of Assessments: Remedies of the Assn.

Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of six (6) percent per annum. The Secretary of the said Association shall file in the office of the Director of Records, County Clerk or appropriate recorder of conveyances of Deschutes County, State of Oregon, within ten (10) days after delinquency, a statement of the amount of any such charges or assessments, together with interest as aforesaid, which have become delinquent with respect to any Dwelling Unit, Lot or Building Site on said property, and upon payment in full thereof, shall execute and file a proper release of the lien securing the same. The aggregate amount of such assessments, together with interest, costs and expenses and a reasonable attorney's fee for the filing and enforcement thereof, shall constitute a lien on the whole Dwelling Unit, Lot or Building Site (including any undivided interest in common elements of any Dwelling Unit, Lot or Building Site in any condominium), with respect to which it is fixed from the date of the note of delinquency thereof is filed in the office of said Director of Records or County Clerk, or other appropriate recording office, until the same has been paid or released as herein provided. Such lien may be enforced by said Association in the manner provided by law with respect to liens upon real property. The owner of said property at the time said assessment is levied shall be personally liable for the expenses, costs and disbursements including reasonable attorney's fees of the Association for processing and if necessary, enforcing such liens, all of which expense, costs and disbursements and attorney's fees shall be secured by said lien, including fees on appeal, and such owner at the time such assessment is levied, shall also be liable for any deficiency remaining unpaid after any foreclosure sale. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his Dwelling Unit, Lot or Building Site for which their voting rights will be suspended during any period of delinquency.

8. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be inferior, junior and subordinate to the lien of all mortgages and trust deeds now or hereafter placed on said property of any part thereof. Sale or transfer of any Dwelling Unit, Lot or Building Site, or any part of said property shall not effect the assessment lien. However, the sale or transfer of any Dwelling Unit, Lot or Building Site which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to amounts thereof which net proceeds of sale, if any, remaining after such mortgages and other

prior liens and charges have been satisfied. No sale or transfer shall relieve such Dwelling Unit, Lot or Building Site from liability for any assessments thereafter becoming due or from the lien thereof.

9. Exempt Property.

The following property subject to these Covenants shall be exempt from the assessments created herein; (a) all properties expressly dedicated to and accepted by a local public authority; (b) any Common Areas; (c) all other properties owned by the Association. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE VI
ARCHITECTURAL CONTROL

1. No building, fence, wall, hedge, structure, improvement, obstruction, ornament, landscaping or planting shall be placed or permitted to remain upon any part of said property unless a written request for approval thereof containing the plans and specifications therefore, including exterior color scheme, has been approved in writing by a majority of the Architectural Committee as administered by the Board of Directors, including the establishment of standards based on a consensus of the members.

2. No member of the Architectural Committee, however created, or constituted, shall receive any compensation from the Association or make any charge for his services as such.

ARTICLE VII
EXTERIOR MAINTENANCE

1. Maintenance of Common Areas and Exterior Maintenance.

The Association shall maintain or provide for the maintenance of the Common Areas, and in addition, the Association may, if it so desires, provide exterior maintenance upon and for each Lot subject to assessment hereunder, including, without being limited to, the following; paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, landscaped areas, walks and other exterior improvements. Such exterior maintenance shall not include glass surfaces. In the event that the need for such maintenance or repair is caused through the willful or negligent act or omission of the Owner, his family, tenants, guests or invitees, the cost for such maintenance or repairs may, in the discretion of the Directors, be added to and become part of the assessment to which such Lot is subject, and be an alien and enforceable in the same manner. Damage caused by fire, flood, storm, earthquake, riot, vandalism or other causes other than normal wear from use and the elements shall be the responsibility of each owner and not included in any maintenance provided by the Association.

Each owner shall be responsible for maintaining and keeping in good order and repair the interior of his own dwelling unit.

ARTICLE VIII
PROPERTY USE RESTRICTIONS

The following restrictions shall be applicable to the real property located within Woodriver Village and shall be for the benefit of and limitations upon all present and future owners of said property, or of any interest therein:

1. Unless written approval is first obtained from the Architectural Committee, no sign of any kind shall be displayed to public view on any building or building site on said property except one professional sign of not more than five (5) square feet advertising the property for sale or rent, or signs used by the developer to advertise the property during the construction and sales period. If a property is sold or rented, any sign relating thereto shall be removed immediately.

2. No animals, livestock or poultry of any kind shall be raised, bred or kept on any part of said property, except dogs, cats, or other household pets provided that such household pets are not kept, bred or maintained for any commercial purpose. All dogs must be leashed or under control when off of Member's property.

3. No part of said property shall be used or maintained as a dumping ground for rubbish, trash, garbage, or any other waste. No garbage, trash or other waste shall be kept or maintained on any part of said property except in a sanitary container. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

4. No noxious or offensive or unsightly conditions shall be permitted upon any part of said property, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

5. No trailer, camper-truck, tent, garage, barn, shack or other out-building shall at any time be used as a residence, either temporarily or permanently, on any part of said property, excepting guests whose recreational vehicle may remain not in excess of fifteen (15) days.

6. The parking of unsightly inoperable vehicles, shall not be allowed on any part of said property nor on public ways adjacent thereto excepting only within the confines of an enclosure, and no portion of same may project beyond the enclosed area except under such circumstances, if any, as may be prescribed by written permit approved by the

Architectural Committee. All other parking of equipment shall be prohibited except as approved in writing by the Architectural Committee.

7. It shall be the obligation of each Owner of any Lot or Building Site to keep and maintain the same, and any building now or hereafter located thereon, in proper condition, including the area between his property line and the improved portion of any abutting public curb or street, including sidewalks, if any, through an association of homeowners or otherwise, and to keep and maintain in good condition any common areas owned by any such service association or other association.

8. No owner shall remove or otherwise alter any plant or tree or landscaping or improvement in any Common Area or in any recreational area without the written consent of the Architectural Committee.

9. The records of the Secretary of the Association shall be conclusive evidence as to all matters shown by such records and the issuance of a certificate of completion and compliance by the Secretary or the Assistant Secretary of the Association showing that the plans and specifications for the improvement or other matters herein provided for have been approved, and that said improvements have been made in accordance therewith, or a certificate as to any matters relating to and within the jurisdiction of the Association by the Secretary thereof, shall be conclusive evidence that shall fully justify and protect any title company certifying, guaranteeing, or insuring title to said property, or any portion thereof, or any lien thereon and/or any interest therein as to any matters referred to in said certificate, and shall fully protect any purchaser or encumbrancer from any action or suit under this Covenant. After the expiration of one year following the issuance of a building permit therefor by municipal or other governmental authority; any structure, work, improvement or alteration shall, as to any purchaser or encumbrancer in good faith and for value and as to any title company which shall have insured the title thereof, be deemed to be in compliance with all the provisions hereof, unless a notice non-compliance executed by the Association shall have appeared of record in the office of the County Clerk of Deschutes County, State of Oregon, or unless legal proceedings shall have been instituted to enforce completion or compliance.

ARTICLE IX EASEMENTS

All conveyances of land situated in Woodriver Village shall be subject to the foregoing restrictions, conditions and covenants, whether or not the same be expressed in the instruments of conveyance, and each and every such instrument of conveyance shall likewise be deemed to grant and reserve, whether or not the same be declared therein, mutual and reciprocal easements over and across and under all

Common Areas and over, across and under all land situated within five (5) feet of the side and rear lines of each Lot or Building Site now or hereafter recorded or plated or conveyed by recorded instrument in said Property (except that the side and rear line easement shall be ten (10) feet along the perimeter of this subdivision), and excepting any portion of said property which may now or hereafter be occupied by a residence shall not thereafter be subject to any easement not theretofore applied to use, for the purpose of building, constructing and maintaining thereon underground or concealed electric and telephone lines, gas, sewer, water, storm drainage lines, radio or television cables and other services now or hereafter commonly supplied by public utilities or municipal corporations, all of said easements shall be for the benefit of all present and future owners of property subjected to the jurisdiction of the Association by covenants and restrictions recorded and approved as hereinabove provided; said easements however shall not be unrestricted, but shall be subject to reasonable rules and regulations governing rights of use as adopted from time to time by the Directors of the Association in the interests of securing maximum safe usage of said property without unduly infringing upon the rights or property of the owner or occupant of any part of said property. Provided further that if any two or more lots or fraction of one or more lots shall be developed for one building as a single tract or building site, then said easements shall thereafter be located on the area within five (5) feet of the side and rear lines of said building site, then subject to the approval of the Association, such easement may be relocated, but any expense involved in moving any sewer or storm lines or other utility lines shall be borne by the Owner of the lot or building site, the development of which requires movement of such lines; and a further mutual and reciprocal easement for sidewalk purposes is granted and reserved over and across the front ten (10) feet of each Lot in said property, and all Common Areas in said property, for the purpose of constructing and maintaining and repairing sidewalks for the benefit of the residents of said property, their tenants and guests, subject however, to rules and regulations reasonably restricting the right of use thereof for the safety and welfare of the public as may be promulgated from time to time by the Association and/or public authority. Failure by the Association, or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
